- Longevity will be granted on an annual basis for administrative service within any Sarasota County Schools Administrative Salary Schedule in accordance with the following schedule:

	<u>% of Base</u>
07 to 09 years	3%
10 to 12 years	6%
13 to 15 years	9%
16 to 18 years	12%
19 to plus	15%

Longevity is computed by multiplying that percentage shown above by the Base Salary, Step 1, in any given salary lane.

Longevity payments are added to the regular salary amount and are based upon years of service as an administrator in the District. Additionally, individuals compensated on the Principal/Assistant Principal salary schedule will be granted one year of credit for every four years of service in a School Board of Sarasota County bargaining unit position.

Longevity payments will apply towards retirement credit.

- EDUCATION SUPPLEMENT: Thirty (30) semester hours beyond the masters degree earned at an accredited institution, forty-five (45) semester hours beyond the masters degree earned at an accredited institution, or an earned Ph.D. or Ed.D. from an accredited institution will add salary supplement on an annual basis according to the following schedule. (Note: Persons hired to fill any new or vacant position on this salary schedule will be paid this supplement only if the 30 hours, 45 hours, or the doctoral degree are in subjects related to their job responsibilities. An employee may appeal any denial of supplement to the Superintendent).

Masters + 30 = \$1,000	Masters + 45 = \$1,500	Ph.D. or Ed.D. = \$2,000
------------------------	------------------------	--------------------------
