	Grant Purpose/Objective Information
Estimated Start Date	7/1/2014
Estimated End Date	6/30/2015
Grant Purpose	This grant will provide supplemental funding to improve the academic and technical skills of students participating in career and technical education programs by strengthening and integrating coherent and rigorous content with challenging academic standards with relevant career and technical education programs.
Grant Activities	Grant activities include, but are not limited to: Providing marketing of career and technical programs at SCTI, identifying and implementing strategies to increase success of special populations including single parents, displaced homemakers, and those entering non-traditional occupational training programs, and maintain current industry standard training.
Grant Budget Items	Funds will be expended for: instructional materials, supplies, equipment, and furniture for teachers and students; travel to appropriate conferences; marketing aimed at career counseling for special populations, and marketing promoting career and technical education programs at SCTI.
After Grant Plans	The SCTI budget will carry operating costs and instructional salaries for affected programs.
