10. Assure that all volunteers, employees or agents who will be present on school grounds are fingerprinted and have their backgrounds checked as provided by Florida law. JFCS will furnish the results of all background checks to the School Board before any of its volunteers, employees or agents will be permitted on school grounds while students are present. JFCS will further immediately furnish to the School Board any notifications of arrests it receives with respect to volunteers, employees or agents who are present on school grounds. JFCS will bear the cost of the fingerprinting/background checks. The School Board has the right to refuse entry onto its school grounds to any individual whose background check does not meet the requirements established by the School Board pursuant to Florida law. Like other visitors to school grounds, JFCS volunteers, employees or agents will also be subject to RAPTOR screening on school campuses. Additionally, any mentor must sign in and out of PALS count each time they are on campus to mentor.
11. Hold harmless, indemnify, and defend the School Board, its agents, servants, employees, in their official and individual capacity, from any demand, claim, suit, loss, cost expense or damage, which may be asserted, claimed or recovered against or from the School Board, its agents or employees, in their official or individual capacity by reason of any damage to property or injury or death of any person which arises out of, is incident to, or in any manner connected with this Agreement. This provision shall survive termination of this Agreement and shall be binding on the parties, successors, representatives and assigns and cannot be waived or varied.  - a) keeping and maintaining public records that ordinarily and necessarily would be required by the School Board in order to perform the service;
