Grant Purpose	The Farms to Schools program will boost efforts already underway by the Food and Nutrition Department to bring locally grown produce to school cafeterias.
Grant Activities	The Food to School Liaison will work with local farmers to arrange for locally grown produce to be served in Sarasota County schools. The Liaison will arrange tasting parties for students to try new foods, and will work with food service personnel on how to prepare these fresh foods. The Liaison will also work with the Director of Food and Nutrition Services and Nutrition Educators to spread information about the benefits of fresh, locally sourced fruits and vegetables.
Grant Budget Items	Funds will be used to contract with a Farm to School Liaison, and will allow two people to attend and present at conferences. Funds will also pay for general office supplies.
After Grant Plans	Affiliations with local farmers will be established, as will supply chains, so no further funds will be required.
