## MEMORANDUM

**TO: Members of the School Board  
Dr. Todd Bowden, Superintendent  
Mitsi Corcoran, Assistant Superintendent Chief Financial Officer**

**FROM: Carol A. Lichon, CPPO, Director of Materials Management**

**TITLE: APPROVAL TO PURCHASE MATERIALS OR SERVICES (PER THE ATTACHED LIST) THROUGH PIGGYBACK CONTRACTING FROM VENDORS UNDER CONTRACT WITH A FEDERAL, STATE OR MUNICIPAL GOVERNMENT THAT UTILIZED A COMPETITIVE PROCESS OR A COOPERATIVE WITH A LEAD AGENCY**

Piggybacking is the post-award use of a contractual document or process that allows an entity that was not contemplated in the original procurement to purchase the same supplies, equipment or services through that original document or process. The School Board of Sarasota County Policy 7.70 Purchasing and Bidding allows for this process subject to the provisions of law.

The Purchasing Department has researched and reviewed the competitive solicitations that are available for these purchases and has determined that the use of the attached contracts for the purpose cited presents the best value and is in the best interest of the School Board.

The funds for these purchases are contained in the budgets allocated to the appropriate departments and schools.

**Requested by:**

Carol A. Lichon

**Fiscal Impact:**

See Attachment

**Recommended Motion:** That the attached list of contracts for the anticipated purchase of materials and services, using the piggyback contracting process, be approved as presented.
