Grant DescriptionPlease fill in all blanks.

Do not refer to attachments in your summaries.

Do not attach separate sheets.

Briefly summarize the overall **purpose/objective** of the grant and indicate how this grant will contribute to the needs and goals of your School Improvement Plan and/or District Plan. (*Not grant activities*)

The purpose for this grant is to apply authentic assessment techniques to the "hard to measure" areas of the fine and performing arts. It includes band, orchestra, chorus, general music and fine arts classes. Information and practice from our experience will be extended to drama.

Briefly list **grant program activities** (*what is going to be done with the grant funds*):

Band and Orchestra will be assessed using Smart Music; Choral students will be assessed through Florida Vocal Association assessments (All-State and Music Performance Assessments); Art will be assessed through portfolio assessment. Traditional written assessments will still be used in the classroom, but these other types of assessment will better reflect our students' progress and learning in the fine and performing arts.

Please provide a **brief** explanation of pertinent **budget items** that will be funded through this grant. (*Please indicate if funds will be used for new/old staff position, contracted services, travel, materials/supplies, equipment/furniture, facilities, and other applicable items.*)

The funds will be used in purchasing Smart Music subscriptions for our director and students who will not be able to afford it (based on free/reduce percentage of the population applied to instrumental students); for students participating in All-State and Music Performance Assessments (50% of total costs); and for portfolio materials in art.

How will grant activities be continued after the end of grant period?

Students will continue to be assessed in these formats.
