The School Board of Sarasota County, Florida General Fund Projected Results of Operations for the 2016-2017 Fiscal Year Based upon Results of Operations through January 31, 2017

Executive Summary

The General Fund has been updated based upon the results of operations through January 31, 2017. Revenues have been adjusted for the third calculation of the Florida Education Finance Program. Local revenues have been projected to receive 97% of property tax collections versus the budget of receiving 96%. The majority of the total revenue increase is from the anticipation of receiving a higher amount of property taxes than budgeted. Appropriations have been adjusted to reflect the negotiated salary settlement, the results of operations through January 31, 2017, and the estimated transfer of approximately \$750,000 of expenditures in the Federal IDEA grant to the general Operating Fund. In summary, the projected ending Gross Fund Balance as of June 30, 2017, is estimated to increase by \$4,584,596 for a total Gross Fund Balance of \$63,462,392. The estimated June 30, 2017, unassigned fund balance is estimated to be \$42,803,309 or 10.07% of total appropriations. The original budget approved September 14, 2016, was to increase fund balance by \$543,747. The financial pages of the operating fund follow the table summary information below.
