The School Board of Sarasota County, Florida General Fund including Federal Stabilization Funds Attachment to the January Superintendents Monthly Financial Report

Executive Summary

Attached are the Comparative Statements of Estimated Revenues, Appropriations and Fund Balance for the Operating Fund that includes the Federal Stabilization Funds for the years 2007-2008 through the projected actual as of June 30, 2011. The 2010-2011 projected revenues and transfers in have changed since the December Superintendents report to reflect an additional \$777,089 received from the Florida School Recognition Program. It was not until January that the High Schools received notification of their grades and the schools that were than eligible for the awards. The results of operations through January indicate the deficiency of revenues and transfers over expenditures has improved from the original budget amount of approximately \$9.8 million to \$7.5 million. The amount of the projected unassigned fund balance above the ten percent School Board policy as of June 30, 2011 is \$10,687,954. In the below table is a detailed update of appropriations that have changed since the original budget.

	from the
	Original
	Budget
Salaries – Salaries based upon the results of operations through	\$215,485
January indicate salaries will come in above the budget. The majority	Ψ215,105
of the increase is due to receipt of the Florida School Recognition funds	
that will be paid as bonus payments.	
Employee Benefits – Employee benefits are projected to be below the	(\$776,144)
original budget as of June 30, 2011. The majority of the decrease is the	
impact of the hiring freeze that utilizes substitutes who do not receive	
any benefits.	
Purchased Services – Purchased Services based upon the results of	(\$647,556)
operations through January are projected to be below the budget. The	
majority of the decrease is related to the payments to charter schools	
have been reduced based upon declining enrollment.	
Energy Services – The majority of the decrease in energy services is	(\$1,420,098)
the continued reduction in energy costs.	(\$2,120,030)
Materials and Supplies – Materials and supplies based upon the	(\$902,167)
results of operations through January are projected to be below the	(, , ,
budget. The majority of the decrease is related to the reduction in	
consumable supply expenditures.	
Capital Outlay - Capital Outlay includes new library books, furniture	(\$11,741)
and equipment, and software. Based upon the expenditures through	(**)
January the expenditures for Capital Outlay will be below the original	
budget.
