

Review Grant Application

Grant Identification Information	
Application Date	3/28/2016
Application Deadline	3/28/2016
Grant Amount	\$2,840.00
Grant Title	Riverview Planetarium/An Adventure to Space
Grant Type	Competitive
Category	Science
Funding Type	Local Foundation
Paperwork on File	
Grant Funder Information	
Funder Name	Community Foundation
Funders Grant Title	EdExplore SRQ
Funder Project Number	
Funding Source	Grant
Funder Email	
Funder Comments	
Grant Writer Information	
Writer Employee ID	A049460
Current School	Alta Vista Elementary
Writer First Name	Elizabeth
Writer Last Name	Payne Harner
Writer Email	elizabeth.harner@sarasotacountyschools.net
Writer Phone Area	941
Writer Phone Prefix	361
Writer Phone Number	6400
Writer Phone Ext.	
Writer Address Line1	
Writer Address Line2	
Writer City	
Writer State	
Writer Zip Code	
School Served	Alta Vista Elementary
Number of Staff Impacted	20
Number of Students Impacted	350
Number of Parents Impacted	0
Grant Purpose/Objective Information	
Estimated Start Date	4/15/2016
Estimated End Date	5/31/2016
Grant Purpose	This exploration/field trip will immerse students from our summer Eagle Academy in the applied learning of Earth and Space Science. Students' learning will be in understanding the relationships of Earth to other planets, the study of constellations and the vastness of our universe through taught and directed learning from Riverview Planetarium teachers and staff.
Grant Activities	Activities will include directed instruction in space explorations, the starts in the universe and learning within the planetarium and the various shows directed towards specific grade levels and their Earth and Space Science standards. As well, students will participate in a kinesthetic building activity after the planetarium exploration in order to better understand the mechanics of space and rocket exploration. Students will learn about the trajectory and logistics of launching rockets.
Grant Budget Items	Cost per student for planetarium (including staffing costs, custodial, and facility maintenance), \$940; hands on Activity (Rocket launching), \$300; busing costs \$1,600.
After Grant Plans	Prior to the exploration as well as after students will be given direct instruction in space explorations, including reading materials directly related to their planetarium show and the information, per grade level, covered during their planetarium show their hands on activity.

	STEAM related activities in the Eagle Academy will also address the understanding of Earth and Space Science strands covered throughout the exploration.
	Grant Budget Information
