Briefly summarize the overall purpose/objective of the grant and indicate how this grant will contribute to the needs and goals of your School Improvement Plan and/or District Plan. (Not grant activities)

This project is designed to inspire over 200 students to write their own plays, enhancing our school's writing goals. Through this project students will get to travel to Florida Studio Theatre (FST) and watch Rumpelstiltskin performed. The team from FST will then come to Fruitville to present a play writing workshop to encourage creativity in the students. Students will have the opportunity to write a play and enter it into a competition where they may see their play performed on stage by the FST actors.

Briefly list grant program activities (what is going to be done with the grant funds):

Students will attend the FST play Rumpelstiltskin. FST actors will then come to school and teach children about the play writing process and creativity. Teachers will guide students in writing, proofreading, editing, and rewriting students' plays. All plays will be entered into the Write a Play contest. Outstanding plays in each class will be performed for the entire student body by student actors. All participating students will travel back to FST to watch the winning plays.

Please provide a brief explanation of pertinent budget items that will be funded through this grant. (Please indicate if funds will be used for new/old staff position, contracted services, travel, materials/supplies, equipment/furniture, facilities, and other applicable items.)

This grant will fund a portion of the \$12.00 per child fee for the Write a Play program.

How will grant activities be continued after the end of grant period?

Students will develop a love and passion for writing and for plays. We believe that with this love of writing students will continue to use their creativity in other writing assignments.
