## MEMORANDUM

TO: District Finance Officers

FROM: Spessard Boatright, Director  
Office of Educational Facilities

SUBJECT: Participation in the 2006-2007 Classrooms for Kids Program

The Classrooms for Kids Program has been funded for fiscal year 2006-2007 pursuant to Chapter 2006-25, Laws of Florida. Section 1013.735, Florida Statutes, requires that participating school districts enter into interlocal agreements pursuant to Section 1013.31, Florida Statutes, and that district inventories of facilities listed in the Florida Inventory of School Houses be up-to-date. A district may certify that these requirements are met on the attached board certification.

Additionally, School districts are required to submit a project allocation list and estimated cash draw schedule. This will help the Office of Educational Facilities anticipate school district cash needs for this program. For your convenience, these required forms will also be available on our website at: <http://www.firm.edu/doe/edfacil/index.htm>.

If you have any questions pertaining to this matter, please contact Mr. William E. Fontaine at 850-245-9240, or SunCom 205-9240. He may also be reached at [William.fontaine@fldoe.org](mailto:William.fontaine@fldoe.org).

The Sarasota District School Board, if selecting a specific project for funding from the Classrooms for Kids Program which appeared with the Board's five-year work program, commits to funding another project or projects with equivalent student capacity from fund sources listed in the five-year work program adopted prior to March 15, 2003. The attached project list is hereby approved by the Board as the Board's spending plan for funds made available pursuant to the Classrooms for Kids Program.
4. The Sarasota District School Board;

represents and certifies  
 does not represent

that sufficient student capacity exists within the district's current facilities plus the additional facilities the district will acquire from its five-year work program to meet the 2010-2011 maximum constitutional class size requirements. If these class size requirements are met, the district may use the Classrooms for Kids funds for any lawful capital outlay purpose which is further permitted as an eligible expenditure of Lottery bond proceeds and Public Education and Capital Outlay funds.
