Grant Description

Please fill in all blanks.

Do not refer to attachments in your summaries.

Do not attach separate sheets.

Briefly summarize the overall purpose/objective of the grant and indicate how this grant will contribute to the needs and goals of your School Improvement Plan and/or District Plan. (Not grant activities)

The purpose of my grant is to increase the motivation of my students to learn through the arts. Studies show that students that take art or music along with their academic courses on average have higher scores. Also, I want to include in my lesson plans hands on and interactive projects to keep the students interested in the arts. The concept of the grant is if a student is having personal, academic or peer issues and needs a "Door of Opportunity," I want to be able to provide that to them.

Briefly list grant program activities (what is going to be done with the grant funds):

Field trip to Tampa Museum of Art in April 2010
Mural (if location available)
Embracing Our Differences submissions/entries

Please provide a brief explanation of pertinent budget items that will be funded through this grant. (Please indicate if funds will be used for new/old staff position, contracted services, travel, materials/supplies, equipment/furniture, facilities, and other applicable items.)

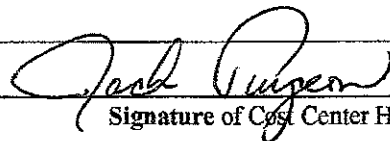

2 laptop computers, printer, ink, paper, acrylic paint & brushes, field trip tickets, bus transportation, substitute pay for 2 teachers to attend field trip.

How will grant activities be continued after the end of grant period?

I hope that once the students get to know me that they will realize my commitment to them and know that my door is always open if are in need of some help/assistance. The mural has sustainability and will be a point of pride for the students who created it.
