Please fill in all blanks. Do not refer to attachments in your summaries. Do not attach separate sheets.									
Briefly summarize the overall purpose/objective of the grant and indicate how this grant will contribute to the needs and goals of your School Improvement Plan and/or District Plan. (Not grant activities)									
The purpose of the grant is to award technology to schools showing creative, innovative use of technology to inspire student achievement. The equipment awarded will encourage student interaction with others world wide on an issue of global concern, and will provide the vehicle with which students continue to grow within the 6 areas of Work Place Competencies as set forth by the school. (Collaboration, Leadership, Technology, Critical and Creative Thinking, Oral Communication and Written Communication)									
Briefly list grant program activity	t ies (what is going t	o be done with the	grant funds,):	11000				
This grant will purchase equipment to enable video conferencing capabilities in the school. Students will utilize this capability to interface directly with students in schools throughout the world undertaking projects relating to watershed sustainability, as well as researchers involved in the issue.									
Please provide a brief explanation of pertinent budget items that will be funded through this grant. (Please indicate if funds will be used for new/old staff position, contracted services, travel, materials/supplies, equipment/furniture, facilities, and other applicable items.)									
The budget provides for the use of the \$10,000 Best Buy gift card, which is what the funder provides. The gift card will purchase a significant share of a video conferencing package. (See attached)									
How will grant activities be continued after the end of grant period? Equipment maintainance will be provided through school internal funds.
