Grant Purpose	The overall purpose of the grant is to integrate the arts with the required first grade standards for language. Students will gain respect for the theatre and learn science, health, math, language and visual arts while experiencing the arts. Florida Standards of LAFS.1.L.1.1, LAFS.1.SL.1.1, LAFS.1.SL.1.2, LAFS.1SL.2.6, LAFS.1.W.1.3, LAFS.1.W.2.5 will be met by the grant. This will help us meet our School Improvement Plans for language/writing.
Grant Activities	This grant will enable first grade students and teachers to experience theatre/drama with professionals for three times during the year. Students will collaborate to learn the process of play writing. Their writing will be displayed at the school and entered into the Under Six competition. Students will gain confidence needed to evoke their emotions and express their distinctive voice into their writing, group sharing and/or the use of their imaginations. FST's Teachers' Guide will be followed
Grant Budget Items	Grant will provide bus transportation and admission to Florida Studio Theatre for first grade students for two performances. Florida Studio Theatre will visit our school once. Many students will experience theatre for the first time in their young lives.
After Grant Plans	

	Students will continue writing plays, stories, poems, etc. for the remainder of first grade. Hopefully, this experience will encourage them to reach their full potential as budding authors.
