

**AMENDMENT TO CHARTER FOR
THE STUDENT LEADERSHIP ACADEMY OF VENICE, INC.**

THIS AMENDMENT is entered into this 18th day of November, 2014, by and between **The School Board of Sarasota County, Florida**, a body corporate under the laws of the State of Florida (the "Sponsor"), and the **Student Leadership Academy of Venice, Inc.**, a nonprofit organization organized under the laws of the State of Florida, herein referred to as the "School".

WHEREAS, Parties hereto entered into a Charter Contract (the "Charter") on June 16, 2009, with a term commencing July 1, 2009, and expiring on June 30, 2024;

WHEREAS, the Parties wish to amend the Charter to provide that the open enrollment application period for the School will end on March 31 of any given year, rather than on May 30, and to establish a second enrollment period, in the event seats are available, to begin April 1 and end on May 30 of any given year; and

WHEREAS, the Parties wish to amend the Charter to provide that the School will submit a revised educational program and a revised budget if enrollment projections fall below 60% for the upcoming school year rather than by an unspecified percentage of reduced enrollment; and

WHEREAS, the Parties hereto desire to amend the Charter under the following terms and conditions.

NOW, THEREFORE, the parties hereby agree as follows:

1. Section II(C)(1) of the Charter is deleted in its entirety and replaced with the following:

"The School agrees to enroll an eligible student by accepting a timely application through March 31 of each year. If the target goal of students is not met by March 31 of each year, the School reserves the right to establish a second enrollment period from April 1 to May 30 of each year provided sufficient public notice is given. If the target goal of students is not met by May 30 of each year, the School will give sufficient public notice and extend the application deadline through the start date of the upcoming school year. If the number of applications exceeds the capacity of the program, class, grade level, or building, all applicants who submitted an application within the enrollment period shall have an equal chance of being admitted through a random selection process. Preference may be given to siblings of students enrolled in the School, to the child of a member of the governing board of the School, or to the child of an employee of the School. If 60 days prior to the first day of school the registered enrollment is less than 60% of the School's total projected enrollment, the School shall submit a revised educational program and a revised budget taking into account the reduced enrollment. Failure to comply with this requirement may result in immediate termination by the Sponsor."

2. All other provisions of the Charter shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have executed this Amendment as of the date first above written.
