Grant Purpose	My purpose for this activity is for my students to make a connection among different disciplines such as Science, Language Arts, and Art. It is my goal to cultivate higher order thinking skills, creativity, collaboration, focus, and perseverance in both my mainstream and exceptional student populations.
Grant Activities	Students will conduct on one of the objects in the solar system. Using a rubric they will write a reseach paper researchto include a bibliography where they cite at least three sources, a comprehensive discussion about the the feature they chose, and a conclusion. Ms. Sumner, the visiting artist, will guide them throught the illustration process as they look at pictures from varying sources of the feature they chose. They will assist each other with peer editing activities.
Grant Budget Items	The total cost is \$2950.00 for four science classes (periods). The first one is charged at \$900.00, the second class on the ssame day is \$750.00, and the other two are \$650.00 each. This includes materials, travel, planning meetings with the teacher and the principal.
