Grant Purpose/Objective Information	
Estimated Start Date	8/14/2017
Estimated End Date	5/24/2018
Grant Purpose	Booker High School has taken the lead in the Sarasota County School district to brand itself as a "college and career ready" institution that trains each student to make graduation a priority while focusing on life after their big day. Our mission is to graduate 100 percent of each incoming class, then ensure that they enter college, the workforce or the military. This grant will allow for field trips and classroom materials that will forward the school's vision.
Grant Activities	The experts will speak to 9th graders about their career trajectory and goal setting. Students will tour the campuses of the University of South Florida. They will also visit Ringling Museum, and the Sarasota-Bradenton International Airport. There will be class discussions of the book, "7 Habits of Highly Effective Teens," and use of "Choices" magazine to address life skills. Next year, the program will expand to include 10th graders. Students who pass will receive a special tassel to mark co
Grant Budget Items	Field trips to places such as Sarasota-Bradenton International Airport, the University of South Florida's Sarasota-Manatee campus, and Suncoast Technical College will be funded through this grant. Students will also have access to Scholastic's Choices magazine which addresses life skills.
After Grant Plans	We have already created a 10th grade course to assist in continuing to meet the post-secondary planning needs of students. We are dedicated to the vision of Booker High and will search out ways to provide for students.
