CTE K-12 PROGRAMS

ELEMENTARY: AWARENESS

MIDDLE: EXPLORATION

HIGH: CONCENTRATION

ELEMENTARY: AWARENESS

To assist students with:

- Learning about themselves
- Understanding the world of work
- Developing a respect for all types of work
- Foundational knowledge about the FL-DOE career clusters

MIDDLE: EXPLORATION

To assist students with:

- Exploring various occupations
- Earning Digital Tool certifications
- Developing specific career area interests
- Participation in CTE related courses and CTSOs

HIGH: CONCENTRATION

To assist students with:

- Selecting and completing a CTE pathway
- Earning industry certifications
- Participating in internships and/or dual enrollment

Ideas

- monthly career cluster focus
- weekly/daily fun facts
- themed vocabulary
- career presentations/field trips
- career fairs
- door decorating contest
- career games/puzzles
- career announcements
- role playing activities
- college day/educator panels
- tours of local businesses
- tours of STC
 - o Rotate through stations (interactive, hands-on activities) and learn about each career pathway offered at STC by interacting with high school students who are currently enrolled in the programs
- pre-/post-tests (list as many careers as you can)
- Career Month family activity calendar (activities for each day, parenting tips for career awareness, contact/resource info)
- Research different industries and select their favorite career area to prepare for school's career fair
- Research a particular career (necessary education? Special classes/skills? What is challenging about this career? What does someone in this career do daily?, etc.)

- Follow up reflections
- Writing prompts: "Jobs I would not like and why ..."
- Summer camps (at STC)
- Create a family career tree (interview family members about their careers)
- IC3 Spark
- VEX IQ
- Coding
- Junior Achievement
- Ed Foundation: Career Chats, College visits
