Grant Purpose	FST Teaching Artists will work with students in their health class to further explore emotional health and wellbeing through the Emotional Intelligence Workshops offered by FST. This grant address our School Improvement Goal of decreasing discipline events, thereby allowing students to successfully access instruction at their grade level.
Grant Activities	These workshops use proven acting methodology, restorative practices, and accountable talk to teach students how to recognize and understand our emotions and reactions. The FST Teaching Artist will work with each grade K-2 class a minimum of four times during their health lessons. The workshop series will conclude with a culminating project, which could include an emotion quilt or a compliment chain. The course of instruction is as follows: Class 1 - Introduction, student self-assessment, ful
Grant Budget Items	Each Emotional Intelligence Workshop costs \$66. This proposal calls for 72 workshop sessions, for a total teaching artist cost of \$4752. Materials and supplies for the culminating project, totaling \$300.

After Grant Plans	Our school's Health teacher will participate in this program and will be able to continue this program to a certain degree in the following years.
