	Grant Purpose/Objective Information
Estimated Start Date	1/4/2016
Estimated End Date	6/6/2016
Grant Purpose	Our "Into The Woods" grant proposal involves utilizing the outdoor spaces at our school to pull the teachers and students into the woods. Studies show that a child's access to nature contributes to better behavior, more ability to focus, stronger creative thinking habits, etc. "Into The Woods" also expands students' background knowledge and experiential knowledge of the natural world, which contributes to the child's capacity to excel in the scientific, mathematical, engineering, agricultural, a
Grant Activities	The activities for "Into The Woods" include: Creating an 20' diameter amphitheater Creating a 10' x 20' concrete walkway to the amphitheater for disability access Installation of 10 4-person benches out of sustainable materials around the amphitheater Installation of 4 20-person seating stations (5 benches for 4 persons each at each station) along our nature walk, to be used as "outdoor classrooms"
Grant Budget Items	The activities for "Into The Woods" include: Creating an 20' diameter amphitheater Creating a 10' x 20' concrete walkway to the amphitheater for disability access Installation of 10 4-person benches out of sustainable materials around the amphitheater Installation

	of 4 20-person seating stations (5 benches for 4 persons each at each station) along our nature walk, to be used as "outdoor classrooms"
After Grant Plans	We expect to have the work completed before the end of the school year, and for the students to enjoy for the rest of their lives.
