Grant Purpose	Purpose of the grant is to allow students who can't use a mouse access to the computer. The alternative communication devices, I pads, notebooks and even the new active boards are touch screens. It serves the School/District Plan by improving access to computer academic programs, allows more productive time management and allows the technology to be used consistently. Academics Behaviors Communication are our areas of focus this year. Touch Screens will positively impact each area.
Grant Activities	Purchase 40 22" Planar Touch Screen Monitors. Purchase 40 cords
Grant Budget Items	Grant will be used to purchase equipment which should last for a few years.
After Grant Plans	The touch screens will be used until they wear out or the school board purchases touch screen computers for the students. Since the student computers were replaced this year, touch screen computers are likely a minimum of 5 years away
