Grant Purpose	The objective is to expand the understanding of our local environment along with connecting to the community's awareness of Florida vegetation. By expanding our annual Earth Day celebration to include community partners and students from other schools, we meet our IB objective of the ten Learner Profile Traits.
Grant Activities	Lessons on current global and local environmental issues will allow some students to design a learning station for the Earth Day celebration. Various field experiences led by guides with expertise in Sarasota ecosystems will increase student awareness. Projects would focus on building Low-Impact Development (LID) features on Brookside's campus Our annual Earth Day celebration will share our campus with the community and students from other schools.
Grant Budget Items	Exploration fee for field total \$4000. Florida Studio Theater Residency to write plays about the environment, \$790. Materials for performing arts classes (props, costumes, set designs) \$300. Visual Arts supplies for making recycled paper canvases, \$150 for 4 blenders, \$50 for felt fabric, \$50 for screens and \$50 for frames, totaling \$300. Butterfly

	and lady bug growing kits and supplies \$150 Gardening supplies, including soil plants and hardware for building raised-bed gardens, r
After Grant Plans	Gardens will be maintained by Brookside students and staff through classes and by before and after school clubs. We also will continue to partner will local community and business partners as we continue to grow our sustainable gardens. Community service hours will tie into our IB requirement.
