

## Names suggested for the new technical high school

Name	Rationale
Academy for Interactive Technologies	Instructional Methodology
Advanced Technology High School	
Beneva Academy of Interactive Technologies	Street convention and instructional methodology
Beneva High School	
Beneva Interactive Technologies School	Street convention and instructional methodology
Beneva Preparatory Institute	
Beneva Technical High School	
Caloosa Technical High School	Honoring area Native Americans
Calusa High School	Reflecting Native American People from SW Florida
Central High	
Challenger	Honoring the Challenger Space Shuttle and the implications of challenging new curriculum
Dr. Kay Glasser	(abbreviated notation) Many contributions that Dr. Glasser has made to the community - from her social worker background to her service on the School Board from 1983-91, to her founding of and dedication to the Glasser Schoenbaum Human Services Center.
Florida Upcoming Technical Resources (FUTR)	Acronym for FUTURE
Fusion High	
Gulfcoast High	
Gulfshore High	
Hamilton Technical Institute	after Wilma Hamilton
High Tech	
Horizonz	it is uplifting and reminds me of my teachers saying "You must broaden your horizons."
Interactive Technologies High School	Instructional methodology
Kovach Career Academy	
Menlo Park	Menlo park is the most influential laboratory ever, having been built and unused by the most prolific inventor ever, Thomas Edison. If this is to be our Technical center, it's name should leave no doubt as to the school's mission.
New-Tech High of Sarasota	
Next Generation High	for what the School Board is trying to accomplish within our district

Next Generation Technicial High School	it is our district's focus; and it fits with what these students will be learning. Technology and business applications that prepare them for the next generation.
NeXt Tech	This name reflects Dr. Norris' NeXt generation Learning Focus as well as blending the idea for the Tech School. This institution will always strive to be a model of the NEXT wave of technology in the application of instruction
Nole-Tech High of Sarasota	
Peregrine Point Polytechnic	for the peregrine falcons that soar playfully above SCTI, finally settling on the technical equipment tower on the west side of campus. It could be known as P3 for the 3 pillars of next generation learning - rigor relevance and relationships
Proctor Institute of Technology Skills	Street convention and instructional methodology
Proctor Road Community, Career and Technical Education Center	
Promethian or Prometheus High School	After the Greek god, Prometheus. The name means "boldly creative" "defiantly original." This is what we would want for and from our teachers and students. Prometheus, made man from clay and stole fire from heaven and taught mankind its use!
Regional Technical HS	I thought Regional would be appropriate because this will be one of the few (if not the only) technical high schools in our region.
Sara Tech Career Center	because it brings correlation between all aspects as stated in the description of the new facility
Sarasota Academy of Technology	the name explains the type of schooling, an academy and names the subject area
Sarasota Biz-Tech Career Center	
Sarasota County High School of Advance Technology	I believe this school will be always using the latest (advanced) in technology to teach the students of Sarasota County. Hence it should be named after the county it is located and serving the studnets in.
Sarasota County High Tech High	
Sarasota County HS for Technology	
Sarasota County HS of Technology	

Sarasota County Tech High School	
Sarasota County Technical High School	It is appropriate because this is what the school is about. Also, everybody know where and what SCTI is. The nickname for the new school would be "SCT High"much like Florida State University High School in Tallahassee is coined FSU High
Sarasota County Technical Institute	
Sarasota Interactive Technologies Institute	Street convention and instructional methodology
Sarasota North Technical High School	
Sarasota Polytechnical Academy	Street convention and instructional methodology
Sarasota Polytechnical High School	Street convention and instructional methodology
Sarasota Polytechnical Institute	Street convention and instructional methodology
Sarasota School of Advancement and Technology	
Sarasota School of Information and Technology	
Sarasota Tech High School	
Sarasota Techn	
Sarasota Techni-Business Academy	
Sarasota Vocational Success Institution	
Sara-Tech	
Saratech High	
SRQ Vo-Tech	
SRQ-Tech High School	
Sun Coast Technical Center	
Suncoast Technical High School	
Technetron High	
Techno High	
Technosota High	
Technocracy High	
Thalamus Technical School of Sarasota	This is a subdivision of the brain that serves as a relay station to and from the cerebral cortex and functions in arousal and the integration of sensory information, which is actually how teaching and learning works.
Venice Technical Institute	
Vo-Tech SRQ	
Watts Career Institute	In honor of Mr. and Mrs. Watts who dedicated so much to education in Sarasota County

Watts Technical High School	"A future of promise" There is a time to build and a time to tear down, some build and some tear down, but the Watts left a strong threshold for the District and the Community to stand on that.
West Coast Technical Institute	
Wilma Hamilton Achievement Center	Former Superintendent who turned around our system when it was at a low point. She reached all staff and the restored public confidence. She gave much of herself to students to ensure their future educational opportunities.
Wilma Hamilton Technical High School	Named after Wilma Hamilton because of all she did for our county's education system
