	<b>Grant Purpose/Objective Information</b>
Estimated Start Date	11/16/2018
Estimated End Date	1/18/2019
Grant Purpose	This exploration will be memorable to my students because circus captures the interest and curiosity of younger elementary students as well as the more 'mature' fifth graders. Few of my students have the opportunity or the financial ability to attend a circus event. The excitement and interest generated by designing and building the classroom machines will increase my students' interest in science and engineering, which will help them as they progress to middle school. Using a hands-on appra
Grant Activities	The Marvelous, Miraculous Circus Machine is designed for fifth grade students in Sarasota and Manatee County Schools and is the embodiment of imaginative problem solving; asking students to cooperate, innovate and succeed in the creation of a whimsical contraption. Curriculum developed for The Marvelous, Miraculous Circus Machine! aligns with the New Florida Standards for Force and Motion as well as the Practice of Science. The Arts Integrated lessons are inspired by the artists Rube Goldberg
Grant Budget Items	94 students will attend the Circus Machine performance - \$18 per student = \$1,692 2 teachers will need a substitute so they can attend the performance = \$260 2 buses will be needed to transport students and teachers to the Sailor Circus Arena = \$300
After Grant Plans	Students will continue to study science concepts included in the Circus Machine.
