Grant Purpose	Our students require a specialized curriculum and behavioral plan. This is reinforced using Positive Behavior Supports (PBS) to increase their on-tasks behavior and ability to focus on their academics. It is important to open up the lines of communication for the most communicatively challenged students. If a student is not able to communicate their feelings, then those feelings are acted out inappropriately. PBS is a process and involves our students first understanding what they need, along
Grant Activities	One of Sarasota County's major initiatives is Visible Learning. According to author John Hattie, in his book Visible Learning for Teachers: Maximizing Impact on Learning, his research has shown that there is a positive influence on achievement based on effect size. The higher the effect size, the greater the gain in student achievement. Through this grant, we will be implementing the following influences that are proven to yield the greatest effect size: • Feedback—descriptive feedback through
