RE: Proposed Student Calendars for 2017/18 and 2018/19

On the agenda for the upcoming board workshop the proposed student calendars for 2017-18 and 2018-19 have been slated for discussion. The calendar committee has recommended calendars for both years to be voted on for advertisement at the 10/18/16 board meeting.

This memo includes the following materials:

- 1) Proposed student calendars for 2017-18 and 2018-19 school years. (Tab 1)
- 2) Calendar committee members and visitors who were asked to provide input. (Tab 2)
- 3) Minutes from both committee meetings.(Tab 3)
- 4) Data showing the drop in midterm graduates since the 2006-07 school year.(Tab 4)
- 5) Start date for all other districts in Florida for the 2016-17 school year. (Tab 5)
- 6) Alternate calendars presented to the calendar committee. (Tab 6)

Rationale for proposed calendars:

At the first calendar committee meeting the committee received three draft calendars with different start dates. They also received the start dates for all other school districts in Florida for the 2016-17 school year. It was a concern of the committee that we were only one of three districts in Florida with such a late start date and that our semester did not coincide with Winter break. Mr. Binswanger shared data that showed a considerable drop in the number of midterm graduates. It was the consensus of the committee that this was due to not being able to enroll in second semester at the universities because they were graduating after the semester had already

begun. There was also concern expressed that Winter break should be an actual break where students do not have to worry about studying for finals during the break because the semester does not end until after they return in January.

The calendar committee came to the consensus to work off of Calendar "B" for the 2017-18 school with modified changes. This allows the semester ending to correspond with Winter break but at the same time is not the earliest possible start date allowed by Statute.

At the second calendar committee meeting the committee also came to the consensus to follow draft calendar "B" for the 2018-19 school year with modified changes. This allows the semester ending to correspond with Winter break but at the same time is not the earliest possible start date allowed by Statute.

The calendar committee was dismissed after two meetings and will make their recommendations to the school board for advertisement of both calendars at the October 18th school board meeting.
