	<b>Grant Purpose/Objective Information</b>
Estimated Start Date	12/9/2013
Estimated End Date	1/31/2014
Grant Purpose	This series of one-hour activities are designed to provide interactive, hands-on experiences to reinforce basic concepts in physical science for the elementary student.
Grant Activities	The students work in collaborative groups and develop a 3-ring circus presentation. All of our Alta Vista students, families and community members will be invited to watch the performance under the Big Top at Sailor Circus!
Grant Budget Items	Expenses: # units Unit Cost Total Cost 240 students \$21.00 \$5040.00 Circus Sarasota is willing to find other sources of income and will insure that this program happens at Alta Vista Elementary. Build a Circus Teaching artists (4) \$1850.00 Prep time \$150.00 Props and T-shirts for students to take home \$1000.00 TOTAL
After Grant Plans	A website will be available for use in the classroom or on the students home computer. On the site, students will be able to look at circus acts and watch video on each of the scientific concepts discussed in each classroom lesson. There will also be a teacher link with additional lesson plans. A workbook will be provided for each student as well as a teachers edition with Standards listed for each lesson.
