Grant Purpose	Mission is to actively engage students, in particular, those who are struggling with math by using tools from the Math & Movement program. We are committed to the success of students, and the Math & Movement program provides materials for the kinesthetic learner. This program will help the lowest 25% quartile of our students. The Math & Movement uses floor mats and a variety of movement approaches to allow children to be actively engaged will learning and practicing their facts and more.
Grant Activities	Math & Movement's program uses floor mats to actively engage students in the following areas: addition, subtraction, multiplication, division, skip counting, coordinates, science, and more . The mats will be used in the classrooms from kindergarten to third grade. We will host at least two family fun nights using the mats.
Grant Budget Items	The purchase of the equipment from Math & Movement will help meet the students' needs. If we do not receive the full amount requested from Lowe's , we will reduce the quantity of materials purchased from Math & Movement.
After Grant Plans	The materials last up to ten years. Therefore, the use of the mats, banners and books will be used as long as the materials last.
