Grant Purpose	We have chosen this Exploration so our students have the opportunity to experience the performing arts and how they directly relate to the writing process. Students will have the opportunity to experience literacy through the arts, be encouraged to love reading, and express themselves through writing.
Grant Activities	Students in grades Kindergarten through fourth grade will have the opportunity to attend two performances at Florida Studio Theater (FST). Actors from Florida Studio Theater will also come to our school to perform about the play-writing process. While the actors are on campus they also visit classrooms to provide in-class workshops. The classes that the actors visit, write a play and it is then submitted into the FST annual Young Playwrights Festival, a play writing contest.
Grant Budget Items	This grant will provide the funds needs to provide two off-campus field trips to Florida Studio Theater (FST), one in-school production about the writing process, and in-class workshops for approx. eight classes.
After Grant Plans	At the end of the grant period, teachers will continue to provide in-depth lessons regarding the writing process. This will help to prepare all of our students for FSA ELA Writing.
