CHARTER REVIEW COMMITTEE

FINAL SUMMARY-SEPTEMBER, 2007

Imagine Charter School of North Port

Attached are the final findings from the district Charter Review Committee (CRC) related to the application of Imagine Charter School at North Port. Board action is scheduled for October 2, 2007 in a regular board meeting.

This applicant submitted an initial application on August 1, 2007. The applicant made a recorded presentation to the Charter Review Committee on August 9, 2007. Committee members asked questions of the applicant at that time and a School Board workshop was held on August 21, 2007 to enable the Board to ask questions. Imagine Charter School of North Port was initially assessed by the CRC to have fully met 12 of the 19 application criteria and partially met the remaining 7. That assessment was shared with Board members prior to the August 21st workshop and is included with this documentation. The applicant submitted an amended budget, revised list of governing board members, resumes of additional board members and provided clarification of items questioned by the CRC or School Board members. The revised application was received prior to the August 31, 2007 deadline and reviewed by the CRC on September 6, 2007. The committee determined that 19 of the 19 application criteria were met with clarification and additional information supplied by the applicant.

The attached documents are those reviewed by the committee. The summary from the original review is included. The CRC final response to any item is found **IN BOLD** in the body of the evaluation instrument. Any remaining documentation that has been submitted by the applicant but not viewed by the Board is also attached
