Grant Purpose	Students enrolled in A3 Aftercare will increase in their academic growth by 10% of their non-enrolled peers as measured by i-Ready and FASTT Math. A3 Aftercare will show an 80% increase in active engagement by participants based on data collected last year through random administrator walk-throughs. A3 Aftercare will generate more interest resulting in increased enrollment targeting extension of focus areas of the school day.
Grant Activities	To enhance programs that occur during the school day, students who take advantage of our aftercare program will have the opportunity to be supported through academic enrichment programs and choose a club of their choice targeting each student's learning style and interest area.
Grant Budget Items	The funds will be used only for materials and supplies necessary to ensure the goals of the program are met.
After Grant Plans	The materials purchased can be reused from year-to-year. The few consumables can be purchased with the funds generated through increased enrollment.
