OVERVIEW OF SELF-INSURANCE FUND

WHAT IS THE 2017-2018 SELF-INSURANCE FUND BUDGET?

The self-insurance fund budget is established to provide an allowance to pay for anticipated employee benefit claims and losses resulting from work related injuries and third party tort liability claims.

The District made the decision to budget for these contingencies and keep the funds under the control of the District, rather than to prepay its losses by purchasing commercial insurance policies. The District's assumption of the risk of losses on these claims is balanced by the ability of the District to increase investment income and exercise greater management control over the disbursements of funds.

The Self-Insurance Fund budget is summarized as follows:

PREFACE

Internal Service Fund

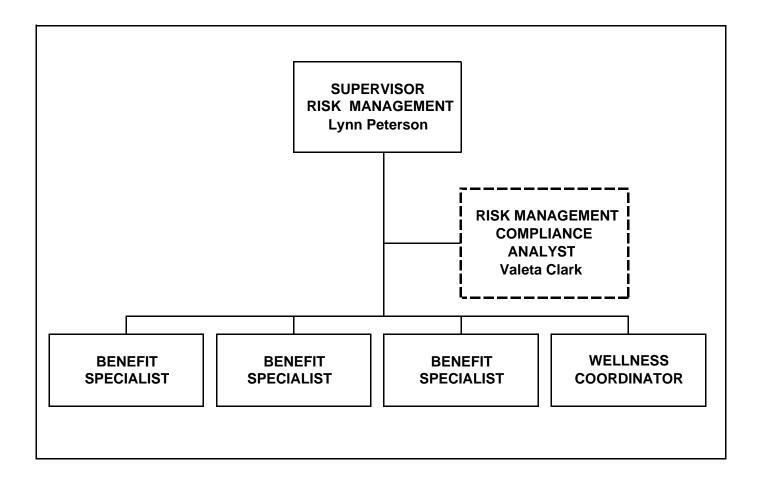

The District's only Internal Service Fund, the Self-Insurance Fund, was established by the School Board of Sarasota County on July 1, 1985 for the purpose of funding its workers' compensation liabilities. On January 16, 1987 the School Board of Sarasota County elected to self-fund its general liability exposure as well. The board established its Risk Management office on July 1, 1987 to administer the Self-Insurance Fund, its purchased insurance programs for both District claims and employee benefits, and coordination of retirement services. On July 1, 1995 the Self-Insurance Fund was expanded to include the automobile/transportation liability program and the dental plan. On January 1, 2016 the Self-Insurance was expanded to include the group health insurance plan.

Trust and Agency Funds

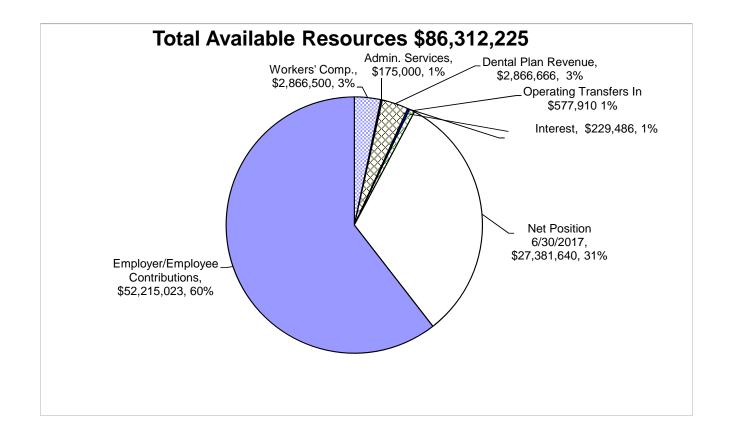

The District's Trust and Agency Funds are composed of Student Activity Funds at each school. The district does not require the Student Activity Funds to establish budgets. The Student Activity Funds Budget is an estimate based upon prior revenues and expenditures and is for informational purposes only.
