

The School Board of Sarasota County, Florida
Class Size Amendment Strategies being utilized to meet the
Constitutional Class Size Maximums
Item 1

Executive Summary

The School Board of Sarasota County is using the following strategies to be in compliance with the constitutional class size amendment: Changing teacher assignments through using multi grade combination classes, compensating teachers to teach classes in lieu of planning time, and using a portion of the voted referendum to fund teachers beyond the amount funded by the state.

The below chart displays the number of additional teachers required for the School Board to be in compliance with the constitutional amendment.
