PREFACE

The Student Progression Plan is designed to support the philosophy and goals of the School Board of Sarasota County, Florida. The plan recognizes that students have unique characteristics, needs and learning styles. It addresses a number of areas including student progression, remediation alternatives, retention, assessment, and placement in special and alternative programs.

All School Board of Sarasota County Curriculum objectives for high school courses are aligned with the Florida Standards and Next Generation Sunshine State Standards. Proficiency in reading, writing, and mathematics will be measured using the Florida Standards Assessment, Proficiency in other subject areas is measured by the Florida end of course exams and district assessments. Each school will offer courses of study and instruction that reflect the Florida Standards in English Language Arts (ELA) and Mathematics and the Next Generation Sunshine State Standards in, Science, Social Studies, World Languages, Health and Physical Education, The Arts, and Career- Technical Education (see specific cohort requirements). Instruction will address the skills and competencies that a student must master in order to graduate from high school (F.S. 1001.03).

I. GRADUATION REQUIREMENTS

To graduate from high school with a standard diploma, students must complete the following requirements:

- A. Successfully complete all required courses for a standard, International Baccalaureate (IB) or Advanced International Certificate of Education (AICE) diploma and earn credits as designated. Students entering grade 9 students must earn at least twenty-six (26) credits.

HIGH SCHOOL GRADUATION REQUIREMENTS

BHS	NPHS	RHS	SHS	VHS	SPHS	PV	SVS
26	26	26	26	26	28	26	26

- 1. Students who meet certain eligibility criteria may elect to graduate early at the request and agreement of the student and parent. To facilitate selection of the appropriate graduation plan option as the student enters grade 9, the school district will provide information to parents and students related to graduation options. Selection of the graduation options may be completed by the student at any time between grades 9 and grade 12.
 - 2. Students who attend Pine View School must earn twenty-six (26) credits, including a requirement that students complete level 3 of a foreign language. Students at Pine View are not eligible for 18 credit acceleration diploma option because Pine View is a choice magnet school based on eligibility.
- B. Achieve a cumulative unweighted grade point average of 2.0 on a 4.0 scale.
- 1. High School grade point averages shall be calculated on both a weighted (5 point) and unweighted (4 point) scale. A weighted system for high school courses shall be utilized so that students are not penalized in terms of final “average” or class standing if they undertake rigorous academic work. Students earning credits in honors level courses (Level 3) will earn an additional .5 quality point per 1 credit and students earning credits in AP, DE, AICE, and IB courses will earn an additional 1.0 quality point (per 1 credit).

2. All state requirements for reporting grade point averages will be computed and reported on an unweighted (4 point) scale.
- C. Pass the appropriate state reading assessment and End of Course Exams (EOC) required for graduation. Concordant scores on the SAT/ACT/PERT or other state approved assessments can be used to meet the reading graduation requirement.
1. Any home school student wishing to receive a diploma from his/her districted high school should get specific information about EOC (End of Course) and statewide standardized assessments required for graduation and credits from the School Choice office prior to grade 10. Enrollment in a public school for the entire final or senior year is required to earn a diploma.

II. GRADUATION PLANS AND TIMELINE

There are four plans for students entering Sarasota County high schools to meet graduation requirements for a standard diploma:

- Plan 1: The traditional four-year plan (credit requirements determined by the year student enters grade 9)
- Plan 2: ACCEL Diploma Option (18 Credits)
- Plan 3: Early Graduation Standard Diploma (24 Credits)
- Plan 4: State Standard Diploma (24 Credits)

- I
- A. The accelerated 18 credit ACCEL Diploma Option may be selected by the student and parent at any time during high school.
 - B. Graduation from high school with a traditional four-year standard diploma may be accomplished by fulfilling the requirements in the following charts for the traditional four-year standard diploma:

PLAN 2: 18 CREDIT ACCEL DIPLOMA OPTION

The student is required to complete all course requirements and assessments as specified by the State of Florida for a standard diploma.

- 4 Credits English ELA I,II,III, IV
- 4 Credits Math Algebra 1, Geometry, and two additional math credits
- 3 Credits Science Biology I, two equally rigorous science courses, 2 credits with a laboratory component
- 3 Credits Social Studies World History, US History, economics and American Government

Parents and students will meet with the school counselor to discuss and select this option. Post-secondary plans, social and emotional readiness need to be addressed **prior** to the selection of this plan.

- The 18 Credit Accelerated Diploma option was implemented July 1, 2013.
- Students are required to earn the 15 core credits required for the standard diploma.
- Three elective credits are required.
- The HOPE credit is not required.
- A virtual course is not required.
- All assessments and grade point average for the Florida standard diploma are required for the 18 Credit Diploma.

PLAN 3: 24 CREDIT EARLY GRADUATION DIPLOMA

The student may select this plan to graduate **prior to the 8th semester** of high school. The student is required to complete all course requirements and assessments as specified by the State of Florida.

Parents and students will meet with the school counselor to discuss and select this option. Post-secondary plans and social/emotional readiness need to be addressed **prior** to the selection of this plan.

Additional information:

- The 24 Credit Early Graduation Diploma requires students to earn the 16 core credits required for the standard diploma.
 - Eight elective credits are required as well as the assessments and grade point average for the standard high school diploma.
 - All requirements for this diploma **MUST** be completed before the 8th semester of high school.
 - The student will revert to the standard diploma requirements of their high school if all requirements are not completed before the 8th semester of high school.
- D. In addition to the 18 Credit Accelerated Diploma and 24 Credit Early Graduation Diploma option, other opportunities for articulated acceleration are available to shorten the time necessary for a student to complete the requirements associated with a degree or increase the depth of study available for a particular subject. This includes, but is not limited to, Dual Enrollment, AICE, Early Admission, Advanced Placement, CAP, Florida Virtual School and the International Baccalaureate Program.
- E. At the beginning of each school year, parents of students in or entering high school must be notified of the opportunity and benefits of these acceleration mechanisms. (F.S. 1003.02)
- F. Any student who graduates early may elect to still participate in school and social events and other specifically named events as part of the student's cohort.

PLAN 4: 24 Credit State Minimum Standard Diploma

The 24 Credit Diploma requires students to earn the 16 core credits required for the standard diploma. In addition, student must earn:

- Eight elective credits are required as well as the assessments and the grade point average that are required for the standard diploma.
- All requirements for this diploma **MUST** be completed by the end of the 8th semester of high school.

ACADEMIC CHALLENGING CURRICULUM TO ENHANCE LEARNING (ACCEL)

PROCEDURES AND GUIDELINES FOR 9-12 HIGH SCHOOL STUDENTS

Each high school offers Academically Challenging Curriculum to Enhance Learning (ACCEL) options: whole-grade and mid-year promotion, subject matter acceleration, virtual instruction in higher grade-level subjects, and the Credit Acceleration Program (CAP). Program specifics are available through the student's school counselor. Such placement shall be made after review and approval by the school principal (or designee) and school counselor. (F.S. 1002.3105)

IMPORTANT NOTE:

A high school student must successfully complete all credits and assessments required for graduation by the State of Florida in order to receive a diploma.

Whole Grade Promotion

Acceleration by whole grade promotion is the skipping of a grade level when the student has successfully earned **all** of the credits required to be promoted to the specific grade level.

Mid-Year Promotion

Students who successfully complete all credits required by the beginning of semester 2 may be promoted to the next grade level.

High School Credit in Middle School

In accordance with Florida statutes F.S. 1003.4156, 1008.22 (3)(c)2.a., eligible middle school students may be enrolled in high school credit-earning courses. Students must meet all specified eligibility criteria for the high school course requested. Courses will adhere to high school grading policy. High School credits earned in grades 6-8 will become part of the student's permanent high school academic history and will be counted toward specific grade promotion in high school.

Subject Matter Acceleration (Credit Acceleration Program – F.S. 1003.4295)

The Credit Acceleration Program (CAP) is created for the purpose of allowing a student to earn high school credit in courses required for high school graduation through passage of an end-of-course assessment administered under s. 1008.22, an Advanced Placement Examination, or a College Level Examination Program (CLEP). Notwithstanding s. 1003.436, a school district shall award course credit to a student who is not enrolled in the course, or who has not completed the course, if the student attains a passing score on the corresponding end of course assessment, Advanced Placement Examination, or CLEP.

The school district shall permit a public school or home education student who is not enrolled in the course, or who has not completed the course, to take the assessment or examination during the regular administration of the assessment or examination. A fee will be charged for students taking the AP exam without enrollment in the course. Students and parents interested in this option should contact the school counselor.

The CAP requirements and eligibility process is as follows:

- The EOC will be administered only at the times established by the state assessment calendar.
- The score necessary to earn credit will be determined by the state and applied in all situations.
- Only credit (no grade) will be earned by meeting the passing score on the EOC.
- For the April testing date, the Mastery Exam Request Form (Appendix C) must be completed and received by school counselor no later than February 1.
- For the July testing date, the Mastery Exam Request Form (Appendix C) must be completed and received by school counselor no later than May 2.
- For the September testing date, the Mastery Exam Request Form (Appendix C) must be completed and received by the school counselor no later than July 1.
- For the December/January testing date, the Mastery Exam Request Form (Appendix D) must be completed and received by the school counselor no later than October 5.
- As part of the Mastery Exam Request, students will be required to supply evidence that they are prepared to sit for the EOC or that there is reasonable justification for the request. This evidence includes but is not limited to previous state assessment scores, and district and teacher assessments. The final grade in the most recent math or science course taken will be considered.
- If a student takes the EOC and does not earn credit, the student will not be eligible to apply for further CAP testing for the same course until additional preparation has been documented and evaluated.

Pine View (High School) Gifted Magnet Program

Entry Criteria:

1. The student must be identified as Gifted eligible and have an EP (Educational Plan) according to the criteria set by the State of Florida Department of Education.
2. Academic Achievement Testing Criteria Eligibility for magnet program at Pine View School, requires additional academic achievement testing. The most current version of the Woodcock-Johnson Test of Achievement OR the Wechsler Individual Achievement Test must be administered reporting age-based standard scores.
 - Woodcock-Johnson Tests of Achievement-Fourth Edition: the examiner must report standard scores for the Reading Comprehension Composite (subtest #4-Passage Comprehension and subtest #12 Reading Recall) and the Broad Math Composite (subtest #2-Applied Problems, subtest #5-Calculations, and subtest #10-Math Facts Fluency).
 - o Wechsler Individual Achievement Test-Third Edition: the examiner must report standard scores for the Reading Comprehension and Fluency Composite (subtests: Reading Comprehension and Oral Reading Fluency) and the Mathematics Composite (subtests: Math Problem Solving and Numerical Operations). PLEASE NOTE: The WIAT-III can be utilized for students in second grade and above to obtain the appropriate composite scores.
 - i. Report Card Grades - Grades are required for reading and math. Submit report cards that cover the most recent grading periods that span one year.

Magnet Program Criteria Form - Achievement scores and report card grades are entered on this form to determine if the student meets the district criteria for a gifted magnet program.

Continued Participation – Student must continue to demonstrate a need* for an accelerated curriculum to remain enrolled in a gifted magnet program.

Re-Entry to a Gifted Magnet Site – Student must demonstrate a need* for an accelerated curriculum. Student may return on the first day of school in August of any given school year for which the student meets criteria and county deadline dates for re-admission.

Entry after a delay (greater than a year after initially meeting the magnet entry criteria) – Student must demonstrate a need* for an accelerated curriculum. Student may enter on the first day of school in August of any given school year for which the student meets criteria and county deadline dates for admission

*Demonstrating a Need:

The student demonstrates a need for a gifted accelerated curriculum by showing consistent above grade level performance across the core curriculum.

Criteria to be considered:

- Unweighted GPA of 2.5 or higher as determined by the three most recent grading periods
- For Re-Entry to a Magnet site OR Entry after a delay: Unweighted GPA of 3.0 or higher as determined by the three most recent grading periods
- GPA based on the following:
 - Gr. 2 & 3 – ELA, math
 - Gr. 4 & 5 – ELA, math, science, social studies
 - Gr. 6-8 – ELA, math, science, social studies, foreign language (for HS credit only)
 - Gr. 9-12 – ELA, math, science, social studies, foreign language
- Most recent **state testing** level 4 or above in reading and math (or scores at the 90%ile on *other* reading and math norm-referenced group achievement tests)

III. COURSE CREDIT (F.S.1003.436)

A credit (1) for high school graduation is defined as a minimum of 135 hours (or 120 hours in a flexible/block schedule) of bona fide instruction in a designated course which contains student performance standards. Credit will also be awarded to students who demonstrate mastery of course content and student performance standards through alternative instructional delivery models such as performance-based instruction, extended school year programs, and flexible/block scheduling.

A. Courses Excluded from Credit Awarding (F.S.1003.43(7))

No high school student may be granted credit toward high school graduation for enrollment in the following courses or programs: more than a total of nine (9) elective credits in remedial programs, more than three (3) credits in practical arts family and consumer science classes, more than (1) credit in exploratory career and technical courses, or any level 1 courses unless the student's assessment shows a more rigorous course would not be appropriate (this need must be included in the student's IEP or performance plan, such as an Academic Performance Plan, and signed by principal, school counselor, student, and parent).

B. Course Substitutions and Waivers (1011.62, and DOE Annual Course Code Directory)

A course that has been used to substitute in one subject area may not be used to substitute for any other subject area. Course substitutions may not count toward state university system admissions requirements.

PLEASE NOTE: Program substitutions will remain in effect for students entering grade

9 prior to July 1, 2013.

The School Board of Sarasota County curriculum and approved courses and programs are to be the means for granting credits. Some course substitutions are provided through state statute as follows:

COURSE SUBSTITUTIONS AND WAIVERS

REQUIRED COURSES	APPROVED SUBSTITUTIONS
1.0 HOPE (Health Opportunities through Physical Education)	Participation in two Seasons of an interscholastic sport at the JV and Varsity levels and a passing grade of C on a Personal Fitness Competency test. Or Completion of 2 Full Years ROTC
1.0 Performing/Fine/Practical Arts	Completion of 2 full Years of CTE Course substitutions for PA

OTHER COURSE(S) WITH ALLOWABLE SUBSTITUTION	APPROVED SUBSTITUTIONS
1.0 Physical Science	Successful completion of the JROTC Naval Science Program (Naval Science I, II, III)
.5 Physical Education	Successful completion of the Army JROTC Leadership Educational Training Courses I and II.
Foreign-Born Students entering high school with 1.0 – 4.0 credits in the study of English language	1.0 – 4.0 credits for student’s study of a foreign language (in this case, the foreign language is English for that student).
Foreign-Born Students entering high school with 1.0 – 4.0 credits in the study of their own country’s primary language	1.0 – 4.0 credits in English (e.g. a French student gets credit for studying French in the same way that an American student gets credit for studying English).
.5 Credit/1.0 Credit Performing/Fine/Practical Arts	Successful completion of any art form course, that requires manual dexterity, or a course in speech and debate (F.S.1003.43) CTE Course substitutions for Practical Arts should be listed or referred to.

Substitutions listed in Annual DOE Course Code Directory	A student who earns an industry certification for which there is a statewide college credit articulation agreement approved by the State Board of Education may substitute the certification for one science credit, except for Biology 1. The same is true for substitution for up to two mathematics credits, except for Algebra 1 and Geometry.

C. NCAA Eligibility – If a student wishes to participate in NCAA Division I or II athletics, the student needs to be certified by the NCAA Eligibility Center. The student needs to qualify academically and needs to be cleared as an amateur student-athlete. The student is responsible for achieving and protecting his/her eligibility status.

D. Course Titles on Transcripts

A course title on a student schedule and transcript means that the student is receiving regular, planned instruction, by a teacher following the course content as defined in the State of Florida Curriculum Course Descriptions (Frameworks) and the School Board of Sarasota County curriculum. GPA weight is dependent upon the course, and all weighted courses must be approved by the School Board and in compliance with statutory requirements and articulation agreement(s) with post-secondary institutions.

E. Determination of Mastery of Student Performance Standards

Student performance standards will be measured on a regular, continuous basis. Such measurements may be made through the use of teacher observations, classroom assignments, and traditional and alternative forms of assessment.

A student will have demonstrated mastery of student performance standards for a district-approved course when through teacher observations, classroom assignments, and examinations, it has been determined that a student has attained a passing score for the course. This score and the procedures to be used to determine semester and yearly averages will be in accordance with the procedures as outlined in this Student Progression Plan and End of Course Examinations as mandated by the state.

Although course preparation is recommended, students are not required to take the course prior to taking an EOC examination.

For high school credit, it is the intent of the School Board of Sarasota County to utilize student performance standards which are clear and precise statements of what the learner is expected to do by the end of a prescribed learning period; reflective of the essential knowledge, skills, concepts, or behaviors contained in the state-approved course descriptions; and clearly communicated to all learners at the beginning of a course or unit of instruction.

F. ELL Credit

English Language Learners (ELL) shall be given credit toward fulfilling Language Arts graduation requirements in English for each Language Arts through ESOL course completed satisfactorily. ELL students shall be given elective credit for Developmental Language Arts through ESOL and for Developmental Language Arts through ESOL -Reading as outlined in the DOE Course Code Directory.

English Language Learners may not receive a failing grade if instructional strategies, materials, and assessment have not been modified in order to make content comprehensible to meet their instructional needs. In addition, these modifications and strategies must be documented in teacher lesson plans. School administrators in charge of teacher evaluation are responsible for ensuring that teachers are modifying instruction and assessment in order to provide comprehensive instruction to ELL students.

The grade placement shall be age appropriate for students identified as ELL students who were born in a foreign country and are registering for the first time in Sarasota County Schools. Students from a foreign country registering at a high school and who have academic records, i.e., credit transcript, from their country of origin will be placed accordingly. If no documentation is available nor a possibility of their previous school sending a transcript, grade level placement will be age appropriate. Recommend students who cannot complete credits by 20th birthdate to adult high school. If a student has a diploma or certificate of high school completion from their country of origin, the student may not register in a Sarasota County Schools high school.

Each school will offer instruction for ELL that aligns with the Florida English Language Development (ELD) Standards and complies with the 1990 LULAC/META Consent Decree and the District ELL Plan (approved by the School Board of Sarasota County and the Florida Department of Education).

G. Variety of Instructional Techniques and Instructional Media for All Students

A variety of instructional techniques and instructional media consistent with the needs of individuals or student groups shall be utilized. In particular, varied instructional strategies, special communications equipment, or modification of methods of evaluation may be used to accommodate those students in exceptional student education and/or alternative education programs, and ELL.

IV. TRANSFER OF CREDITS (F.S. 1003.433(1))

- A. Students who enter a Florida public school in grade 11 or 12 from out-of-district or from a foreign country shall not be required to spend additional time in high school in order to meet Florida high school course requirements if the student has met all requirements of the school district, state or country from which he/she is transferring. However, to receive a standard high school diploma, a transfer student must earn an unweighted 2.0 grade point average and pass the Florida State Standards Assessments in English Language Arts and Mathematics SAT/ACT and other alternate assessments described in F.S. 1008.22(10). Legislation may change options for alternative assessments. End of course assessments required for the student's grade 9 cohort are required unless specific assessments have been taken in the state the student transfers from. The school counselor and registrar will determine the course and assessment requirements for the transferring student.
- B. The grade placement of any student transferring from another state or private school will be determined by the principal (or designee) of the receiving school.
- C. Students entering school from a foreign nation or from a public, private or home school, and who are not able to provide a valid transcript or original report cards, shall identify and describe all courses taken in previous years.
- D. The following procedures shall govern transfer of credit:

All evidence of work or credits earned at another public school, community college, or university offered for acceptance shall be based on an official transcript authenticated by the principal (or designee).

1. Credits earned through institutions affiliated with the following accrediting agencies will be automatically approved:

- a. Southern Association of Colleges and Schools
- b. Middle States Association of Colleges and Schools
- c. New England Association of Colleges and Schools
- d. North Central Association of Colleges and Schools
- e. Northwest Association of Accredited Schools
- f. Western Association of Colleges and Schools
- g. Council of Bilingual Schools
- h. Episcopal Diocese of Florida
- i. Florida Coalition of Christian Private Schools
- j. Florida Conference of Seventh-day Adventist Schools
- k. Florida League of Christian Schools
- l. Lutheran Schools of Florida-Georgia District (FLGA-LCMS)

- m. National Council on Private School Accreditation (NCPSA) member agencies
- Accrediting Association of Seventh-day Adventist Schools, Colleges and Universities
 - Association of Christian Schools International
 - Association of Christian Teachers and Schools, Assemblies of God
 - Association of Independent Schools of Florida
 - Association of Waldorf Schools of North America
 - Christian Schools International
 - Christian Schools of Florida
 - Florida Catholic Conference
 - Florida Association of Christian Colleges and Schools
 - International Christian Accrediting Association
 - Kentucky Nonpublic School Commission
 - Montessori School Accreditation Commission
 - National Independent Private School Association
 - Florida Council on Independent Schools (FCIS)
 - Florida Association of Christian Colleges and Schools (FACCS)

3. Credits earned from the following agencies and local member schools are also accepted at face value:

ACCREDITING AGENCY	LOCAL/REGIONAL SCHOOL
Accrediting Association of Seventh Day Adventist Schools, Colleges, and Universities	Port Charlotte Adventist School
Accrediting Commission International	Heritage Christian Academy (Englewood)
Christian Schools of Florida	Bradenton Christian
Correspondence Schools (known to be accredited)	University of Florida; University of Nebraska; American School (Chicago); Keystone
Florida Association of Christian Colleges and Schools	West Florida Christian; Community Christian (Manatee County); Port Charlotte Christian School
Florida Catholic Conference	Incarnation School; Cardinal Mooney; St. Joseph; Bishop Verot (Ft. Myers)
Florida Council of Independent Schools	Bradenton Christian; St. Stephens; The Out-of-Door Academy; Sarasota Christian School; Julie Rohr Academy, Goldie Feldman Academy
Florida League of Christian Schools	Tabernacle Christian
Montessori School Accreditation Commission	New Gate School
National Lutheran School Accreditation	Concordia Lutheran

National Private Schools Association Group	Brickhouse Academy; Prew Academy; Achievement Center; Morningstar Academy
Southern Association of Colleges and Schools	Florida Virtual School (FLVS); Sylvan Center; Super Camp; Broach School Bradenton
APPROVED SUMMER EDUCATION PROGRAMS	
University of Florida Student Science Training Program	
University of Florida Young Entrepreneurs for Leadership and Change Program	

4. Courses that cannot be reasonable aligned with the requirements of the courses listed in the Florida DOW Course Code Directory may be accept as transfer elective credit.

5. The Sarasota County grade weighting system will apply to all courses that are equivalent to or are identified in the State Course Code Directory and designated as weighted courses by the Sarasota County District School Board.

E. Transfer of Credit from Non-accredited and Foreign Schools.

1. Credits from non-accredited schools, as well as foreign schools, will be evaluated on the basis of comparability to local courses in terms of course length and content in some cases, communications with the previous school will be necessary and a translation of transcripts required. Students transferring from another country shall receive English credit (Language Arts) for primary language study. English or a language other than student’s native language as it appears on a foreign transcript will be reflected as foreign language credit.

2. Students transferring into a public school from a non-accredited school or a foreign school must be placed at the appropriate sequential course level. For example, an 11th grade transfer student may validate his English I and II credits taken at the sending school with a 2.0 GPA in English III at the receiving school. Students who do not meet a 2.0 GPA, or choose not to continue to the next sequential level in a particular subject area (i.e., foreign languages), must have their credits validated using an approved alternative validation procedure (described below).

F. Transfer of Credit from Home Schools (F.S. 1002.25; 6A-1.09941 SBER)

A student entering a Sarasota County high school from a home education program must present documentation (i.e., the student's portfolio with dated samples of work) which indicates the courses in which the student received home instruction. High School credits may not be given solely on the basis of time spent in a home education program. The decision regarding credits will be made by the high school principal. Parents shall provide to the school a detailed course description for each course, indicating objectives, instructional materials, and methods of student performance evaluation. Courses will be evaluated on the basis of comparability to local courses in terms of course length and content. Parents shall provide evidence that each course eligible for one high school credit consisted of at least 135 (or 120 in a flexible/block schedule) hours of instruction. If the receiving school cannot validate course/credit attainment through a portfolio assessment, the student shall be placed in an age appropriate course(s).

G. Validation of Credits

Work or credits from home schools, private schools, other than those accredited by agencies in listed in Section IV (D) above, as well as tutorial agencies, and correspondence school programs, shall be validate by performance assessment conducted during the first grading period. If requested, home education students shall be provided up to ninety days to prepare for the required assessment(s).

A transferring student shall be placed at the appropriate sequential course level and should have a minimum grade point average of 2.0 at the end of the first grading period. For students who do not meet this requirement, any of the following alternatives may be used by the District to validate credits:

1. Portfolio evaluation by principal or designee.
2. Written recommendation by a Florida-certified teacher selected by the parent and approved by the principal.
3. Demonstrated performance in courses taken through dual enrollment or at other public or private accredited schools.
4. Demonstrated proficiencies on nationally-normed subject area assessments.
5. Written review of the criteria utilized for a given subject provided by the former school.

6. Demonstrated by 70% proficiency level on the end of course exam.

The district's Office of School Choice, Virtual School, and Charter Schools in collaboration with the district Curriculum and Instruction Department and the school will assist with the evaluation of Home School student credit. If letter or numerical grades were not awarded at the prior school, the student will be awarded a grade that is equivalent to his/her end-of- course summative performance in the next sequential course. The final decision regarding credit is the responsibility of the school principal.

H. Transfer of Credits for Foreign Exchange Students

1. Foreign Exchange students (entering on a J-1 Visa and participating in an approved exchange program listed in the most current Council on Standards for International Education Travel [CSIET] Advisory List) who wish to enroll in a Sarasota County school must show proof of English Language proficiency in listening, speaking, reading, and writing prior to enrolling. Foreign exchange students do not qualify for Title III supplementary services.
2. Students who wish to enroll in a Sarasota County school and who have been foreign exchange students (i.e., U.S. citizens who left the U.S.A. through a recognized program for one or more years) must present a valid transcript or original report card upon their registration in a Sarasota County school. All grades for these high school students will have the option to be converted to pass/fail. Special note: Acceptance of pass/fail would prohibit student eligibility for all interscholastic competition due to the inability to calculate and meet the minimum 2.0 grade point average requirement.
3. Foreign exchange students (non U.S. citizens) shall be given the option of accepting the grades earned in course work at the local district school or accepting a pass/fail designation. [Special note: Acceptance of pass/fail would prohibit student eligibility for all interscholastic competition due to the inability to calculate and meet the minimum 2.0 grade point average requirement.]
4. Foreign exchange students from other countries (in an approved exchange program listed in the most current Council on Standards for International Education Travel [CSIET] Advisory List) upon leaving a Sarasota County school shall receive a valid transcript of their work while in the district. Students in their fourth year of high school, and who provide a valid transcript of their

three previous year's work translated in English, shall be eligible for a Sarasota County diploma if they meet all requirements for graduation.

In addition, the student must earn the required grade point average and pass the appropriate state test(s) required for graduation and have met the minimum state of Florida graduation credits.

I. Transfer of Credit: Educational Opportunity for Military Children – See Appendix C

V. DROP/ADD TIMELINES, PROCEDURES, AND GRADING FOR CONTINUING STUDENTS A.

A. Timeline for Dropping Courses in our High Schools and Sarasota Virtual School.

A student may drop or add a full credit course within two weeks of the beginning of the course. No drop/adds will be allowed after two weeks from the beginning of the course. A student may drop or add a half-credit course within 1 week of the beginning of the course. This ruling applies to Sarasota County high school students including **Sarasota Virtual School**.

B. Timeline for Dropping Courses in **Sarasota Virtual School Academy**

A student may drop an SVA course within the first 28 calendar days of enrollment (prior to 20% completion) without a grade being awarded. Students who drop an **SVA** course after 28 calendar days of enrollment **or** after being 20% complete with the course will receive a grade of WP or WF based on their grade at the time of the drop. Any drop after the 28 calendar day period must be approved by a certified school counselor.

Note: Some exceptions exist for ESE and transfer students.

C. Timeline for Dropping Dual Enrollment Courses

Sarasota County adheres to the drop/add procedures and timelines outlined in the Board approved articulation agreements with local post-secondary institutions. High school students who withdraw after the academic withdrawal deadline will not be permitted to enroll in additional dual enrollment courses the following semester.

D. Timeline for Dropping Florida Virtual School (FLVS) Courses

Florida Virtual School has its own institutional drop/add procedures and timelines; however, all School Board of Sarasota County students who participate in FLVS must be enrolled full-time in a SCSB school and must comply with the timelines delineated by

the School Board of Sarasota County. While students await acceptance to FLVS, they must remain enrolled full-time in SCSB schools. Florida Virtual School withdrawal codes will have no impact on the student's transcript.

E. Grade Assignment for Dropped Courses

In a drop/add situation, the receiving teacher assigns the grade. The teacher of the dropped course will not assign a grade.

1. Record of Changes

Courses which are dropped within the add/drop window may not appear on report cards; however, the student information system will retain all drop/add changes. The grade for a dropped course will not be calculated in the GPA.

2. Exceptions

Exceptions to these rules may be made only by written request to the Principal. In a drop/add situation beyond the two-week window (full-credit course) or the one week window (half-credit course), the Principal (or designee) will determine that the grade will consist of an average between the teacher of the dropped course and the receiving teacher.

F. ESE Considerations

Note: This section only pertains to students entering Grade 9 in the 2012-2013 and 2013-2014 school years.

A student may transfer from a regular education course into a one-credit ESE fundamental course prior to the beginning of the second semester to earn credit toward a special diploma. The grade in a regular education course may not equate to the sample grade in an ESE fundamental course (special diploma) due to the differences in course expectations and performance standards. Consequently, it is the responsibility of the ESE teacher to assign a grade based on demonstrated mastery of fundamental standards for work completed before and after the course change. Exceptions to the above mentioned timeline can be made based on the individual student needs as determined by the IEP team.

VII. READING REMEDIATION [F.S. 1003.428-2.C]

Schools in Sarasota County provide remediation for students who scored a Level 1 and Level 2 on past statewide standardized assessments through an intensive remedial course or content area course in which remediation strategies are incorporated into course content delivery. All diagnostic, placement, progress monitoring, and reading program strategies will be conducted in accordance with Sarasota K-12 Comprehensive Reading Plan required by [FS 1011.62]

VIII. REMEDIATION [F.S. 1008.25]

- A. Schools are expected to provide, with school district assistance, a variety of strategies to meet the individual needs of students. These strategies may include but are not limited to extended school year, dropout prevention services, tutorial programs, exceptional student education, modified curriculum, reading instruction, after-school instruction and other extended day services, tutoring, mentoring, class size reduction, and intensive skills development programs.
- B. Each year a student scores Level 1 or Level 2 on the Algebra 1 EOC assessment, the student must be enrolled in and complete an intensive remedial course the following year or be placed in a content area course that includes remediation of skills not acquired by the student.

IX. PROMOTION, RETENTION, AND PROMOTION WITH INSTRUCTIONAL SUPPORT

- A. The time required to complete senior high school will depend upon successful completion of required state and district credits, testing requirements and grade point average. SCSB policy 5.20 II F, G, H

- B. Parents or guardians of each student will be notified in writing annually of the progress of the student toward achieving the district's identified minimum levels of performance in reading and mathematics and the student's results on each statewide assessment test to include those needed as graduation requirement. Evaluation of each student's progress will be based upon the student's classwork, observations, tests, district and state assessment and other relevant information.
- C. Teachers must contact parent(s) by phone call, email or letter any time during a grading period when it is apparent that the student may fail. Formal notification must include progress reports as well as letters, documented phone calls, report cards and parent conferences. Every effort will be made to provide communication in the child's/parent's home language, if feasible. The opportunity for a conference with the teacher or principal must be provided to the parent of any student who may be retained.
- D. At the end of each semester, the parent or guardian of each student in grades 9, 10, 11, 12 who has an unweighted cumulative grade point average of less than 2.5 must be notified that the student is at risk of not meeting the requirements for graduation.
- E. School personnel should attempt to identify those students at each grade level in grades 9 through 12 who have attained a cumulative grade point average at or below the minimum grade point average required for graduation pursuant to F.S.1003.43(5)(e)2. School must further inform parents of provisions for assisting such students to achieve the required cumulative grade point average 1003.43(5)(e)2.

Provisions may include but not be limited to:

- Referral to the school's Intervention Team
- Remedial groups within existing classes
- Extended School Year programs for students who qualify
- Credit recovery programs for students who qualify
- Remedial programs during the day

- F. No student may be retained based solely on his/her level of English language proficiency. A formal retention recommendation regarding an English Language Learner/Limited English Proficient may be made through the action of an ELL Committee Meeting [6A-6.09091 F.A.C.].
- G. Mid-Year Promotion for Retained Students/Grade Re-Classification and Graduation

1. In no case shall this decision to mid-year promote or reclassify grade level be based on age or on the basis of social promotion. For students who are retained, the school will consider placement in an intensive program that is different from the previous year's program and that takes into account the student's learning style. When students are retained for two or more years, the school will consider other, more intensive or alternative placements.

2. A transition meeting will be held with middle school and high school counselors and administrators when an 8th grade student is being considered for promotion to high school when all middle school courses have been recovered to include all academic options prior to the end of the first semester.

3. Students who have successfully completed all graduation requirements for the option in which they are enrolled (traditional, 18 credit Accelerated Diploma, 24 credit Early Graduation Diploma) may graduate. Graduates may return to their school for graduation ceremonies.

H. High School Credit for Middle Grade Students

1. Middle grade students are expected to meet the same course and grade requirements for such courses as their counterparts enrolled in the same courses in the district's high schools. These courses may be used to satisfy high school graduation requirements and/or Florida Bright Futures Scholarship Program. Grade replacement and/or forgiveness policies may be found in this document.

2. Based on [FS 1003.428], middle school students who attempt Algebra I, Algebra I Honors, Geometry Honors, Biology I Honors, Spanish I, French I, Chinese I, or Speech I or other approved courses through ACCEL for high school credit may repeat the same or a comparable course to replace a grade of "C", "D", or "F" through grade forgiveness. Any grade for a repeated course for credit will replace the former grade in GPA calculation however, all course grades will be documented on high school official academic transcripts, cumulative student records, and automated systems. In addition, grades from all courses taken must be included in the GPA calculation unless the grade has been forgiven by retaking the same or comparable course. Under local district policy, if retaking a course improves an "F" to a "D", only the "D" will be calculated in the GPA. If a student earns the same letter grade twice for the same course, only ONE of the letter grades will be counted in the student's GPA calculation. In all cases of grade forgiveness, only the new grade shall be used in GPA calculation.

3. Students who drop a high school course are strongly encouraged to do so during the first

grading quarter to avoid academic penalties. If students remain in a high school course(s) through the second grading quarter (first semester), the grade(s) and credit(s) earned will be added to the high school official academic transcript. Any student dropping a high school course will be returned to a comparable middle school level course.

X. REQUIREMENTS FOR CURRICULUM, INSTRUCTION AND ASSESSMENT

- A. Each high school offers options to students to enter a Career and Professional Education (CAPE) Academy. CAPE Academies are small, personalized career themed learning communities within a high school that offer a rigorous academic curriculum and career themed courses that lead to an industry certification. Industry certifications articulate to postsecondary level coursework and provide instruction to high skill, high wage and high demand careers. CAPE Academies have partnerships with postsecondary institutions, business and industry.
- B. The district will make available at least one Career and Professional Academy to students in each high school.
- C. All students will receive information on the consequences of failure to receive a standard diploma, including the potential ineligibility for financial assistance at post- secondary educational institutions (F.S. 1003.433).
- D. Each school will offer instruction for ELL that aligns with the Florida English Language Development (ELD) Standards and complies with the 1900 LULAC/META Consent Decree and the District ELL Plan (approved by the School Board of Sarasota County and the Florida DOE).
- E. Each student must participate in statewide assessment tests at designated grade levels as required by F.S. 1008.22, 1008.34 & 1001.11.
- F. Students must complete at least one online course within their graduation requirement for high school graduation. Credit recovery courses do not meet this requirement.

XI. COMMUNITY SERVICE

Community service is not required for graduation but is required for the Bright Futures-Awards. Students must identify a social or civic issue or a professional area that interest him or her, develop a plan for his or her personal involvement in addressing the issue or

learning about the area, and, through papers or other presentations, evaluate and reflect upon his or her experience. Except for credit earned through service-learning courses adopted pursuant to s. 1003.497, the student may not receive remuneration or academic credit for volunteer service work performed. Such work may include, but is not limited to, a business or governmental internship, work for a nonprofit community service organization, or activities on behalf of a candidate for public office. The hours of volunteer service must be documented in writing, and the document must be signed by the student, the student's parent or guardian, and a representative of the organization for which the student performed the volunteer service work.

- A. Community service for high school begins after confirmation of promotion to grade 9.
- B. For Bright Futures eligibility, volunteer/community service hours must be completed prior to graduation. Note: Please see Bright Futures website for the most updated information.

XII. STUDENT RIGHTS FOR INSTRUCTION

- A. All School Board of Sarasota County classes, including those that are designed to provide accelerated graduation options or additional opportunities for weighted GPAs, shall be available to all students without regard to race, color, religion, sex, national origin, age, disability, marital status, or sexual orientation. This is not intended to eliminate the provision of programs designed to meet the needs of students with limited proficiency in English or exceptional education students (F.S. 1000.05).
- B. English for Speakers of Other Languages (ESOL) services are designed to meet the communicative, academic, and social needs of English Language Learners/Limited English Proficient (ELL) as defined in F.S. 1003.56. Services will be provided as outlined in the District ELL Plan. No ELL student will be retained solely due to a lack of English language proficiency.
- C. No student will be denied appropriate use of his/her primary language [F.S. 1003.56].
- D. No student will be denied access to such rigorous course on the basis of a single assessment or any other single criterion. The following guidelines are recommended for high school students to access rigorous courses:

1. Demonstrate regular school attendance.
 2. Demonstrate academic performance by grades and standardized test scores(FSA, FAIR, PSAT, SAT, ACT, PERT, etc.).
 3. Parents/students can select rigorous courses when a student demonstrates master of curricular prerequisites as evidenced through academic history (grades/standardized test scores).
 4. Any student taking an AP, AICE, or IB course(s) will be required to take the end of the year AP, AICE or IB course tests and any other final exam pertaining to the course. Students who do not sit for the end of year course test will be required to pay (\$100) per exam.
- E. Any student who believes that he/she has been denied participation in or access to an education program or activity, or has otherwise been discriminated against due to age, sex, race, color, religion, national or ethnic origin, disability, handicapping condition, pregnancy, parenthood, marriage, political beliefs, social and family background or for any other reason not related to his/her individual capabilities, may file a grievance according to the procedure established in School board policy and published in the brochure entitled Policy Against Discrimination for Students, which may be access at: <http://www.sarasotacountyschools.net/departments/hr/default.aspx?id=13822>
- F. In cases of alleged discrimination and /or harassment, nothing in this policy shall prohibit a student, applicant (for admission to an educational program or service) or parent from pursuing a grievance through the complaint and /or grievance procedures as may be established by federal and/or state statutes or regulations. No student, applicant (for admission to an educational program or service), parent, or employee shall be subject to adverse action in retaliation for having filed a grievance or for having testified, assisted, or participated in any manner in an investigation, proceeding, or hearing conducted under the authority of this policy.

XIII. GRADING AND GRADE POINT AVERAGE (GPA)

A. Quality Points for Grades (F.S. 1003.437)

The following unweighted quality points will be assigned for grades in all courses per one credit earned:

A = 4.0
B = 3.0
C = 2.0
D = 1.0
F = 0

All Advance Placement, International Baccalaureate, AICE, and Dual Enrollment courses will receive weighted quality points per one credit earned as follows:

A = 5.0
B = 4.0
C = 3.0
D = 2.0
F = 0

Some School Board of Sarasota County-approved level 3 Honors, identified CTE courses, identified Pre-International Baccalaureate and Pre-AICE courses will receive weighted quality points per one credit earned as follows:

A = 4.5
B = 3.5
C = 2.5
D = 1.5
F = 0

B. Grade Point Averages (GPA)

Grade Point Averages are computed as both weighted and unweighted for specific purposes related to athletic eligibility, graduation, class ranking, scholarship opportunities, etc.

C. GPA and Other Criteria for Participation in Interscholastic Activities [F.S.1006.15(2)]

Interscholastic extracurricular activities are those organized student activities between, among or within schools which are carried on outside the curriculum or regular course of study in school. These activities may involve displays of talent which include, but are not limited to, sports, speech debate, and fine arts interscholastic competitions or festivals and career and technical student organization activities.

In order to comply with the School Board of Sarasota County and the Florida High School Athletic Association policies to be eligible to participate in interscholastic extracurricular student activities, a student must maintain an unweighted cumulative grade point average of 2.0 or above on a 4.0 scale, or its equivalent, in the courses required by F.S. 1006.43(1) at the conclusion of each semester in order to be eligible during the following semester.

A student shall be eligible for the first semester of the ninth-grade year provided it is the student's first entry into the ninth grade, and he or she was regularly promoted from the eighth grade the immediate preceding year.

A student who is ineligible during the second semester of his or her ninth grade year or during the first semester of his or her tenth grade year as a result of earning a GPA of less than 2.0 may regain eligibility for the following semester provided:

1. The student signs an academic performance contract that states, at a minimum, the student will attend summer school or its equivalent, AND
2. The student earns a GPA of 2.0 or above in all courses taken during the semester of ineligibility.

Once a student enters grade 11, he or she must have an unweighted cumulative GPA of 2.0 or greater on a 4.0 scale in all courses required for graduation at the conclusion of each semester in order to maintain eligibility for the following semester.

Additionally, a student must maintain satisfactory conduct. If a student is arrested and charged or is found to have committed a felony or a delinquent act which would have been a felony if committed by an adult, regardless of whether adjudication is withheld, the student's participation in the interscholastic extracurricular activities is contingent upon established and published school board policy.

D. Graduation GPA [F.S. 1007.27(6)]

The achievement of a cumulative unweighted grade point average of 2.0 on a 4.0 scale in the courses need for graduation is required. All courses must be included in unweighted GPA calculation unless the grade has been forgiven or replaced. Semester grades will be averaged for the unweighted GPA calculation [F.S.1003.43(5)].

E. IEP procedures will be followed for exceptional education students.

XIV. GRADING AND STUDENT PERFORMANCE

- A. Initial and primary authority and responsibility for assessment and reporting of students' classroom performance is assigned to the classroom teacher.
- B. The grades reflecting achievement in courses for grades 9 – Adult, with numerical equivalents, shall be:

A =	90 - 100	Outstanding Progress
B =	80 - 89	Above Average Progress
C =	70 - 79	Average Progress
D =	60 - 69	Lowest Acceptable Progress
F =	59 - 0	Failure
I =	0	Incomplete
M =		Medical Excuse M is used for
P =		missing EOC
W =		Passes, Credits, No GPA
		Withdrawn

- C. For each course taken in high school, twenty percent (20%) of the grade shall be based on the development of employability skills. Those skills will include:
 - 1. Attendance
 - 2. Coming to school or class on time
 - 3. Bringing required work tools, such as paper, pen/pencil, textbooks, notebooks, etc.
 - 4. Maintenance of an assignment notebook or similar system
 - 5. Completion of homework
 - 6. Appropriate dress for class
 - 7. Attitude of cooperation with teacher and fellow students
 - 8. Time in class devoted to the appropriate task
- D. The final grade for a full-credit course is the mathematical calculation that includes the Term 1, Term 2 grades, the midterm and final exam. For courses with a state required End of Course Examination (EOC), the EOC is 30% of the final grade.

E. Semester Assessment

1. The purposes of giving the mid-term exams are to provide instruction and experience in preparing for and taking comprehensive, cumulative assessments; to prepare students for post-secondary college course work; and to serve as a validation of mastery of the course content.
2. The design of mid-term exams should provide an overview of the major course content and facilitate connections within and among key concepts and processes of the course work and is not limited to any one method.
3. All teachers are expected to give a mid-term exam.

F. Failure of One Semester of a One-Credit Course-in ESD

A student enrolled in a full-year course shall receive one-half credit if the student successfully completes either the first half or the second half of a full-year course but fails to successfully complete the other half of the course and the averaging of the grades obtained in each half would not result in a passing grade. A student enrolled in a full-year course shall receive a full credit if the student successfully completes either the first half or the second half of a full-year course but fails to successfully complete the other half of the course and the averaging of the grades obtained in each results in a passing grade, provided that additional requirements specified in the School Board of Sarasota County policies, such as class attendance, homework, participation, and other indicators of performance, be successfully completed by the student. One credit courses requiring and end of course exam (EOC) will not earn .5 credit through the above method. All courses requiring an EOC with require term1, term 2 and the EOC for the calculation of the final grade.

G. Report Card Grades and Attendance Reporting [F.S. 1003.33(1)]

Report card grades are to provide the student and/or the student's parents/guardians with an objective evaluation of the student's scholastic achievement, conduct, attendance and tardies. Students are to receive grades for all courses. In addition, the final report card must contain a statement reporting promotion or non- promotion.

H. Grade Challenge

1. No grade or evaluation shall be changed except where an obvious

mathematical or clerical error has been made, and the teacher cannot be contacted through normal communication efforts.

2. In the event a grade or evaluation is challenged, the following procedure shall be followed. The teacher's principal shall investigate the challenge, and:
 - a) The grade or evaluation stands, OR
 - b) The grade or evaluation goes to review.

The challenged grade or evaluation will be reviewed by a panel consisting of members with expertise in the area under challenge selected by the teacher (1), the Superintendent (1) or designee, and one selected jointly by the Superintendent and teacher. The review panel shall investigate the challenge and render a binding judgment.

I. Incomplete Grade

Students are to satisfy course requirements within ten days of the last day of the previous grading period. The principal may extend the time requirement for extreme hardships.

J. Grade Replacement/Forgiveness [s.1003.428 F.S.]

In all cases of grade forgiveness only the new grade shall be used in the calculation of the student's grade point average. No exceptions will be according to the state statute.

1. Any grade for a completed course repeated for credit (regular school or adult education) will replace the former grade in GPA calculation' however, all course outcomes will still be documented in the cumulative record and automated system. Grade forgiveness for all required courses will be limited to replacing a final grade of "D" or "F" with a final grade of "C" or higher earned subsequently in the same or comparable course. An exception to this will be made for grade 9 students who are retaking Algebra I, Geometry, Foreign Language, or Speech I for the purpose of replacing a grade of "C", "D" or "F" earned in the high school course attempted at the middle grades level. Grade forgiveness for elective courses shall be limited to replacing a final grade of "D", or "F" with a final grade of "C" or higher earned subsequently by retaking the same or comparable course or another course. In addition, all courses taken must be included in the GPA calculation unless grade had been forgiven by retake [F.S.1003.43(5)(e). Under local district policy, if upon retaking a course,

improves an “F” with a “D”, only the “D” will be calculated in the GPA. If, upon retaking a course, a student earns a second “D”, only ONE “D” will be counted in the student’s GPA.

2. Grade forgiveness still applies for courses where participation in the state EOC is required and the score must count for 30% of the final grade. If the student’s final course average, with the EOC assessment included as 30%, results in course grade of “D” or “F”, the options for the student include one of the following:
 - Retaking a semester of the course if original course was taken in .5 credits
 - Subsequently retaking both the course and the EOC assessment to improve the student’s final course grade
3. If retaking the course, including the EOC assessment as 30%, or retaking the EOC assessment results in a final course average of “C” or above, then this grade replaces the “D” or “F”. If it does not result in a “C” or above, then the original course average stands and is not replaced. Only one credit is allowed per course, so only one grade per course should be included as part of the student’s GPA (s.1003.428(4)(d), F.S.): “In all cases of grade forgiveness, only the new grade shall be used in the calculation of student’s grade point average. Any course grade not replaced according to a district school board forgiveness policy shall be included in the calculation of the cumulative grade point average required for graduation.”
4. Pass/fail grades will not be included in GPA calculation. If a student passes the EOC in the second year of its administration or thereafter, without taking the course and therefore earns the credit, the credit will meet the course graduation requirement but will not be included in the GPA calculation.
5. The following chart summarizes grade forgiveness/replacement policies:

Examples:

A student can earn grade forgiveness for English Honors by taking regular English.

Examples
A student can earn grade forgiveness in French with a grade in Spanish, a grade in Business Systems Technology with a grade in Child Development, a grade in Trigonometry with a grade in Journalism provided that the student had already completed the four mathematics credits required for graduation and that the trigonometry was a mathematics elective. Note: courses required for graduation may only be grade forgiven with the same or comparable course.
A student earns 24 credits, but failed both Algebra I, Algebra I Honors, Geometry and Geometry Honors before re-taking and passing them with "D" grades. When calculating the State GPA required for graduation, only the "D's" will be included in the calculation. The F's will remain on the transcript, but will not be counted in the graduation GPA.
If a student attempts to replace a grade of "F" and earns a "D", only the "D" will be calculated into the GPA. If a student attempts to replace the course grade for a third time and earns a "C" or higher, neither the "D" nor the "F" will calculate into the GPA.
If an eighth grade student received a grade of "C" in Spanish 1, he/she would be permitted to take the course for grade forgiveness.

- a. Each report card will provide information on grade level status, attendance and tardies. [F.S. 1003.33(1)]

- b. Recognition of Graduates:

Graduates are recognized for high achievement as follows: Distinguished Scholar

	4.0 and above weighted GPA
Highest Honors	3.75 to 3.99
High Honors	
Honors	

- c. Report Cards [F.S. 1003.33(1)]

- 1. Standard Report Card Requirement (F.S. 1003.33)

All schools shall use a standard report card appropriate for high school, as the primary means of reporting student progress. When feasible, notification will be in the language or mode of communication understandable by parents/guardian.

- 2. Supplemental Reporting Instruments

With the approval of the superintendent, or designee, schools may develop additional or supplementary reporting instruments, which may be used in conjunction with the standard report card.

- 3. Report Card Distribution Schedule is posted on district website.

- 4. Report cards are to be issued quarterly through the Parent Portal for all

students in grades 9-12.

d. Instruction and Attendance Requirements for Credit Earning

1. A student must receive a minimum of 135 hours (120 hours in a flexible block schedule) of instruction and complete all course requirements as specified in the Student Progression Plan and the approved course description before credit may be earned for the course. However, any student who has not been in attendance for 135 hours (or 120 hours in a flexible block schedule) may be awarded credit if the student has demonstrated mastery of the performance standards specified in the courses.
2. One-half credit courses will use one-half of the instructional hours as specified for a one-credit course.
3. Students enrolled in the Performance-Based Diploma Program, Florida Virtual School or Extended School Year programs are not required to complete the 135 hour minimum requirement.
4. All high school students enrolled in the Sarasota County schools are obligated to attend classes regularly and punctually and to satisfy all course requirements. Participation in classroom activities is an important part of the credit earned in any course.

e. Excused Absences

1. Schools shall require written explanations or personal communication from parents when students are absent. This should occur upon the student's return to school. All other absences from school shall be considered unexcused and shall be dealt with according to the Code of Student Conduct. Failure to provide requested documentation will result in unexcused absences. In the case of excessive absences, upon request of the principal a parent must provide documentation (doctor's statement) of a student's illness.
2. Students who have an excused absence(s) from instructional time will be provided the opportunity to demonstrate mastery of student performance standards using either the same or an equivalent method as provided during the missed instructional time.

f. Make-up Work for Excused Absences

Students who have excused absences from instructional time are guaranteed the right to make up work at full credit and to demonstrate mastery of such student or course performance

standards as may have been introduced and/or measured during their excused absence. Such demonstration of mastery of student performance standards shall take place within a reasonable period of time as specified by the Code of Student Conduct. If a student has an excused absence from one or more classes, the teacher may permit the student to complete make-up work in traditional ways (e.g. in class or outside of school). Excused absences are those delineated in the Code of Student Conduct for the School Board of Sarasota County. Absence from instructional time will also be considered excused if that absence is part of an approved school program such as those services provided by exceptional student education or student services personnel.

g. Timeline for Make-Up Work Following an Excused Absence

The student is responsible for asking the teacher for assignments and make-up tests. The teacher shall specify a reasonable period of time for completion of make-up work. In no case shall the time be less than one full calendar day for each day missed.

h. Unexcused Absences

- All absences, which have not been specifically identified as excused, are unexcused absences.
- A student who has 15 unexcused absences within 90 calendar days is a habitual truant under state law. The student may be dealt with as a child in need of services under Chapter 984, Florida Statutes. In addition, the parent/guardian may be subject to criminal prosecution under Chapter 1003.24, Florida Statutes.
- Students will be afforded an opportunity to make up work for an unexcused absence. There may be some academic penalty in accordance with attendance policies and procedures.
- When students are late to school or leave school early without an adequate excuse the tardy or early dismissal will be unexcused.

i. No Academic Exceptions Based on Attendance (F.S.1003.33) Schools shall not exempt students from academic performance requirements, such as final exams, based on practices or policies designed to encourage student attendance. A student's attendance record may not be used in whole or in part to provide an exemption from any academic performance requirements.

j. Full-Time Students

All students must attend a full day of instruction unless approved otherwise

by the principal in consideration of extenuating circumstances.

k. Accommodations for Eligible Students

Instructional and assessment accommodations must be provided as indicated on an eligible students' 504 Plan, IEP (Individual Education Plan).ELL students shall be provide accommodations as stipulated in 6A-6.09091, F.A.C.

l. Student Re-Enrollment

A student eighteen years of age or older who has interrupted his or her education and who subsequently desires to enter Sarasota County Public Schools shall physically enroll either in the adult day school or an adult evening school. The student may not enroll in a regular high school. In extenuating circumstances, a principal may recommend an exception to this policy to the Executive Director. Students may not be enrolled in a regular high school for more than 10 semesters, unless the principal approves the enrollment beyond 10 semesters. The principal will consider the reason the student wants to continue high school, the educational progress to date, and the commitment to education. Semesters begin when the student first enrolls in ninth grade any public or private school.

Students may not enroll in a regular high school if they cannot earn the number of required credits to graduate by their 18th birthday, unless enrollment is approved by the principal.

A student who has earned a high school or equivalent diploma in their native country may not enroll in a high school.

For students with disabilities who have not graduated with a standard diploma, the district will provide services until the end of the school year in which the student turns 22 years old.

The Superintendent or designee is authorized to assign a student to any program or school as deemed to be in the best interest of the student or school district.

XV. DIPLOMAS AND CERTIFICATES OF COMPLETION OPTIONS [1008.22 (9)(b)] A.

A. Standard Diploma

To earn a standard diploma, students must earn the state/district-prescribed credits, meet the state/district GPA requirement, and earn passing scores (as defined by the State of Florida) on the required graduation assessments that are approved by the State of Florida. Standard diplomas will be issued by each high school in the district.

B. Certificate of Completion (Two options)

Option 1:

Students may earn a Certificate of Completion if they earn the state and district prescribed credits, BUT have not attained the required GPA, and/or have NOT earned passing scores (as defined by the State of Florida) on the Florida Standards Assessment (FSA)/Florida Comprehensive Assessment Test in Reading (FCAT) in reading and Algebra 1.

Option 2:

Students may also earn a PERT Eligible Certificate of Completion [F.S. 1008.22] if they meet all requirements for a standard high school diploma except earning a passing score on the Grade 10 FSA/FCAT in Reading and/or the Algebra 1 end of course exam. Seniors with a PERT Certificate of Completion may enroll in any public community college in Florida by taking the Postsecondary Education Readiness Test (PERT) to determine if they qualify to register for college-credit courses or must take remedial courses to continue their college preparatory studies.

Students who earn a Certificate of Completion may return as a “13th” year student to meet the required GPA and/or earn passing scores (as defined by the State of Florida) on the FSA/FCAT reading and Algebra I. [F.S. 1003.4285 (7b)]

English Language Learners who have completed the credits required for graduation and who have failed to meet the 10th grade standards as measured by the statewide standardized assessment shall be eligible for compensatory education for “a thirteenth year” as provided in Section 1003.4282, F.S.

C. Special Diploma and Special Certificate of Completion

Refer to ESE Section for requirements for a Special Diploma and requirements for a Special Certificate of Completion.

XVI. Standard High School Diploma Designations:

Scholar Diploma Designation —to qualify for a scholar diploma designation on a standard high school diploma, a student must earn a passing score on each of the following statewide assessments:

Passing Scores Required for a Scholar Diploma Designation

Students' Ninth Grade Entering Year	EOC			
	Geometry	Biology 1**	U.S. History**	Algebra 2
2010-2011 through 2013-2014		X	X	
2014-2015 and 2015-2016	X	X	X	X

**A student meets this requirement without passing the Biology I or U.S. History EOC Assessment if the student is enrolled in an advanced placement (AP), International Baccalaureate (IB), or Advanced International Certificate of Education (AICE) Biology I or U.S. History course and the student:

- Takes the respective AP, IB, AICE assessment; and
- Earns the minimum score to earn college credit.

The passing score for each EOC assessment is the minimum score in Achievement Level 3 (see <http://www.fldoe.org/core/fileparse.php/3/urlt/achlevel.pdf>). For students who took an EOC assessment during its implementation year, Sarasota county will convert the reported T-scores to the established score scale to determine the Achievement Level a student would have earned on the new scale, or may allow these students to retake the test to earn a passing score. New students to the district may choose to take an EOC assessment if they did not have a previous opportunity if they wish to qualify for the Scholar designation.

Merit Diploma Designation – To qualify for a merit diploma designation on a standard high school diploma, a student must meet the standard high school diploma requirements and attain one or more industry certifications from the list established (per section 1003.492, Florida Statutes.

Florida Seal of Biliteracy Program for high school graduates

"Biliteracy" means attainment of a high level of competency in listening, speaking, reading, and writing in one of more foreign languages in addition to English, which is signified on a high school graduate's diploma and transcript as either a Gold Seal of Biliteracy or a Silver Seal of Biliteracy.

Beginning with the 2016-2017 school year, the Gold Seal of Biliteracy or the Silver Seal of Biliteracy must be awarded to a high school student who has earned a standard high school diploma and who:

1. Has earned four foreign language course credits in the same foreign language with a cumulative unweighted 3.0 GPA
2. Has achieved a qualifying score on a foreign language assessment such as the IB , AP, AICE or SAT subject test in the foreign language; or
3. Has satisfied alternative requirements as determined by the State Board of Education.

H. Graduation Plan

Seniors will be notified during the first quarter of each school year regarding his or her credit standing in order that he/she can plan for graduation activities. A written graduation credit check will be completed and discussed with each student so that he or she will be able to complete all required course work prior to graduation. For senior transfer students, the graduation credit check should be completed as soon as records are received and evaluated by the school counselor. Each year underclassmen will meet with a school counselor every spring to discuss credit standing and scheduling requirements.

XVI. SECONDARY CREDIT – EARNING OPTIONS

A. Dropout Prevention Programs

Graduation requirements for students enrolled in dropout prevention programs are identical to the requirements for other students in grades 9-12. The exceptions are described below (see Performance Based Diploma and Performance-Based Exit Option).

Modifications in courses may take one or more of the following forms: the amount of in-class instruction required to earn a credit may be lengthened or shortened; alternative methods of assessing mastery of performance standards may be utilized in addition to meeting state required assessments.

****Students not eligible for military and NCAA****

1. Performance-Based Diploma Program

Students who participate in and successfully complete the Performance-Based Diploma Program shall receive a regular high school diploma. Students must:

- a. Earn passing scores (as defined by the State of Florida) on the Florida Standards Assessments (FSA) in reading and math or scores on other assessments that are approved by the State of Florida AND
- b. Earn a 2.0 grade point average or better on a 4.0 scale for courses taken while enrolled in the program AND
- c. Complete the required credits for graduation

2. Performance-Based Exit Option Program

In order for students to be eligible for participation in the Performance-Based Exit Option Program, they must meet the following criteria:

- a. Will not graduate
- b. Be behind in credits or have a GPA that is less than 2.0
- c. Be approved by Principal, School Counselor, and Exit Option Coordinator
- d. Demonstrate a reading level of at least 9th grade as evidenced by a TABE test
- e. Earn passing scores (as defined by the State of Florida) on the FCAT / FSA reading and math or scores on other assessments that are approved by the State of Florida
- f. Have Parent/Guardian notification and consent

Students participating in the Performance-Based Exit Option Program will be awarded a State of Florida GED upon completing the requirements of the program.

Students participating in the Performance-Based Exit Option Program who are over-age for grade and classified as a ninth grader may be promoted to the 10th grade for the purpose of taking the grade 10 FCAT or EOC exams.

B. Home Education [1002.41]

A “home education program” is the sequentially progressive instruction of a student directed by his or her parent in order to satisfy the attendance requirement of F.S.

1002.41, 1003.41, 1003.01(4), 1003.21(1), and 1002.01.

1. Parents must register home education students with the School Board of Sarasota

County within 30 days of the establishment of the home education program.

2. Parents must provide written notice of termination to the School Board of Sarasota County within 30 days after said termination.
3. Parents must maintain a portfolio of records, education activities and materials. Portfolios are to be preserved for two years after re-entry into Sarasota County schools and shall be made available for the district school superintendent, or the district school superintendent's designee, upon fifteen days' written notice.
4. Parents shall provide for an annual educational evaluation documenting the student's educational progress is at a level commensurate with his or her ability.
5. A home education program shall be excluded from meeting the requirements of a school day.
6. Extra-Curricular Activities

Home education students may participate in the School Board of Sarasota County interscholastic extra-curricular student activities at their attendance zoned school. If eligible, Home education students participating in an extra-curricular activity may attend the specific course required for participation in the activity.

7. Part-Time Enrollment

Home education students at the high school level may enroll as a part-time student at their zoned school or at the Sarasota County Technical Institute. Enrollment is contingent on availability of space. Student schedule and time on campus is subject to the principal's approval.

8. Home Education Students and High School Graduation

In order to receive a diploma from a district high school there are strict guidelines and timelines that must be followed in order to meet graduation requirements. Students officially registered as home school students who wish to graduate from their districted high school must do the following:

- a. Alert the Home School office of that intent prior to entering grade 10 so that appropriate guidance can be given related to mandatory testing and credit requirements.
- b. Designate the grade 10 reading assessment and other state assessments as

one measure of annual evaluation in the home education evaluation plan.

- c. Take and earn passing scores on Florida's standardized grade 10 Reading assessment and successfully meet all other current testing requirements in all areas specified by the state. Passing scores on all state assessments will be defined by the State of Florida.
- d. Must enroll full time in the districted high school for the entire final or "senior" year.
- e. Must successfully complete all school graduation requirements (testing, credits, GPA).

Only Home Education students who have met all the above requirements will be permitted to participate in graduation celebrations and activities and be eligible to receive a district high school diploma. Students who are unable to meet the state assessment requirements beginning in grade 9 should enroll full time in their districted school no later than the beginning of his or her grade 10 year in order to attempt meeting all graduation requirements.

C. Sarasota Virtual Academy (SVA)

Pursuant to Florida Statute 1003.428, students entering grade 9 in the 2011-2012 school year and after: at least one course within the credits required for graduation must be completed through online learning.

1. Students may earn credits offered through the Sarasota Virtual Academy each year.
2. Sarasota Virtual Academy courses shall be available to students before, during, or after the normal school day. Students must be enrolled in a full schedule in the high school which may include SVA course(s).
3. Students requesting to take a course offered by Sarasota Virtual Academy must have parent and school counselor approval. Students and their families are required to consult with the school counselor prior to or enrolling in Sarasota Virtual Academy.
4. Sarasota Virtual Academy follows the District timelines and guidelines for registration and withdrawal policies as outlined in the Student Progression Plan.
5. Sarasota Virtual Academy does not grant a high school diploma.

D. Florida Virtual School (FLVS)

1. Students, including Home School students, may earn credits offered through the Florida Virtual School each year.
2. Students who are enrolled in Florida Virtual School full time and meet specified conduct and academic requirements are eligible to participate in extracurricular activities at the district public school to which the student would be assigned.
3. Florida Virtual School (FLVS) part time program's courses shall be available to students before, during, or after the normal school day or during summer school enrollment. Students participating in the part time program must be enrolled in a full schedule in the district high school. The student's schedule may include his or her FLVS course(s).
4. Students requesting to take a course through the FLVS part time program must have parent and school counselor approval. Students and their families are strongly urged to consult with the school counselor and classroom teachers prior to applying to or enrolling in FLVS.
5. Schools must accept all academic grades and credits attempted and/or earned at Florida Virtual School full time and through Florida Virtual School's part time program.
6. Florida Virtual part-time enrollment does not grant a high school diploma.

E. Sarasota Virtual School (SVS)

SVS is a full time online district school for students in grades K-12. Students enrolled in SVS are required to follow Sarasota County School Board Policies, procedures and guidelines, including the annual District School Calendar. A parent must request from the Office of School Choice, Charter Schools and Virtual School a reassignment from the districted school and meet state eligibility requirements in order for the student to be admitted to SVS. Enrollment is allowed during the specified open enrollment period, which occurs prior to the beginning of the academic year the student is seeking to enroll.

1. Students enrolled in SVS must meet all standards and graduation requirements of the state and district.
2. Students enrolled in SVS are entitled to participate in extracurricular activities at their districted school.
3. All students in SVS must take the required standardized state assessments since they are enrolled in a public school.
4. At the completion of all graduation requirements, a student will be awarded a diploma from Sarasota Virtual School.
5. Parents of student in grades K-8 must commit to spending at least 4-6 hours per day as a learning coach for their child.
6. Parents must attend an orientation session and/or personal interview with the Supervisor of Sarasota Virtual School (or the designee) prior to enrollment.
7. Good attendance and satisfactory completion of coursework is required for continuation in the school.
8. Parents of an ESE student must request an IEP meeting at their districted school prior to enrollment in SVS.
9. Parents of an ELL student must request an ELL Committee meeting at their districted school to review the ELL Plan review prior to enrollment in SVS.
10. Students may remain in SVS for any or all of their education in the district as long as they meet appropriate attendance and course requirements.

XVII. ADDITIONAL SECONDARY AND POSTSECONDARY CREDIT – EARNING OPTIONS

A. Advanced Placement [F.S. 1002-27(6)]

- a. Advanced Placement (AP) is the enrollment of an eligible secondary student in an Advanced Placement course as described by the College Board. State of Florida community colleges or universities may award credit for an AP course to students who score a minimum of 3 on a 5 point scale on the corresponding AP exam. Colleges and universities accept and award college credit based on the policies of the post-secondary school; graduates are responsible for confirming policies with their selected post-secondary school(s).

Students enrolled in AP courses shall be exempt from the payment of any fees (F.S. 1007.27). **Students enrolled in AP courses are required to take the AP exam.** Any home school, virtual school or any student who chooses to take an AP exam without taking the course is responsible for the fee (\$100.00).

- b. AP Digital Edge - CAPE Innovation Courses [F.S. 1003.4203 and 1008.44]
AP Digital Edge - CAPE Innovation Courses combine academic and career content with performance expectations that will result in college credit and industry certification attainment. Courses identified as Innovation Courses involve the pairing of an industry certification with an Advanced Placement (AP) course. Each approved CAPE Innovation Course must have at least two third-party assessments, one of which must be associated with an industry certification on the CAPE Industry Certification Funding List. The goal is to prepare students for success on AP exams while learning new knowledge and skills associated with CAPE industry certifications.

There is no difference in the course description, course level, course length, credit, and teacher certification between standard AP courses and CAPE Innovation Courses. Both are AP courses which meet any appropriate subject area graduation requirements and are treated the same in relation to Bright Future Scholarship eligibility.

B. International Baccalaureate (IB)

International Baccalaureate (IB) is the enrollment of an eligible secondary student in a program that includes a comprehensive curriculum of college level courses.

Students accepted into the IB program must take six exams in six areas to be considered for an IB diploma (aka: IB Diploma Candidates). IB certificate students may take exams in specific subject areas after they have completed the first and

second level of the course (aka: IB Certificate Candidates). Exams are based on broad general understanding of concepts and fundamental themes. Exams and assessments are both written and oral in format. IB exam scores include teacher internal assessments as well as external assessments constructed, moderated and marked by educators throughout the world. Students must be enrolled in an authorized IB school in order to be eligible for an IB diploma or to earn a certificate.

Colleges and universities accept an award college credit based on the policies of the particular post-secondary school. Students receiving scores of 4 or above on IB exams may be awarded college credit in those subject areas by the post-secondary institution.

C. Advanced International Certificate of Education (AICE)

Cambridge's Advanced International Certificate of Education (AICE) is the enrollment of an eligible secondary student in a Cambridge AS or A Level (AICE) course as described by Cambridge International Examinations. State of Florida community colleges or universities may award credit for an AICE course to students who score a minimum of E on the corresponding AICE exam. Colleges and universities accept an award Cambridge AS/A credit based on the policies of the post-secondary school; graduates are responsible for confirming policies with their selected post-secondary school(s).

Students enrolled in AICE courses shall be exempted from the payment of any fees. (F.S. 1007.27) **Students enrolled in AICE courses are required to take the AICE exam.** If a student chooses to take an AICE exam without taking the course, he or she is responsible for the fee.

D. Dual Enrollment (F.S. 1007.22; 1007.23; 1007.24; 1007.25; 1007.271 and 1007.272)

Dual Enrollment is defined as the enrollment of an eligible secondary student in a post-secondary course creditable toward a vocational certificate or an associate or baccalaureate degree.

- a. Students may earn high school and college credit simultaneously by enrolling in approved Dual Enrollment courses as specified in the articulation agreements between the School Board of Sarasota County and other accredited post-secondary institutions, including State College of Florida. Students are expected to adhere to all deadlines and Dual Enrollment requirements published by participating colleges and universities.
- b. Dual Enrollment credits may affect a student's application status and the number of credit hours available in the lower division program of some colleges and universities.

- c. Students may take Dual Enrollment courses during school hours, after school hours, and during the summer term.
- d. Students seeking to take technical dual enrollment courses must demonstrate readiness for technical level coursework and have a 2.0 unweighted cumulative GPA for technical credit certificate Dual Enrollment courses.
- e. For academic Dual Enrollment courses, students must have a cumulative 3.0 unweighted GPA and obtain the required PERT/ACT/SAT where applicable.
- f. The maximum course load for Dual Enrollment students will be governed by the current articulation agreement with the post-secondary institutions that is awarding the course credit.

E. The Credit Acceleration Program (CAP)

CAP is available for the purpose of allowing a student to earn high school credit in a course that requires statewide standardized end-of-course (EOC) assessment if the student attains a specific passing score on the assessment without enrollment or completion of the course. (F.S. 1003.4295)

F. Early Admission to Colleges and Universities

Early Admission is a form of dual enrollment through which eligible secondary students enroll full-time in a post-secondary institution in courses that are creditable toward the high school diploma and the associate or baccalaureate degree. Students on Early Admission are scheduled with the college courses at the high school.

Early Admission to colleges and universities allows the grade 12 student to enroll full time in a college or university provided the student has an unweighted high school grade point average of 3.0 or above, is socially mature, has the joint approval of the high school principal and the college registrar, has the approval of his/her parents. The local articulation agreement rules apply for the specific post secondary institutions.

- a. Early Admissions students are advised to not enroll for more than 15 credit hours per semester.
- b. Early Admission students are eligible to receive the appropriate honors designation.
- c. Full-time status is determined by the college or university. Dual Enrollment and Early Admission students must meet all state and district course and graduation

requirements in order to be awarded a high school diploma from the School Board of Sarasota County.

G. Nationally Recognized Industry Certification

The State Board of Education has approved the listed Statewide Career and Technical Education Articulation Agreements which are based on industry certification. These agreements are intended to be a minimum guarantee of articulated credit into related A.S. and A.A.S. programs and do not preclude institutions from granting additional credit based on local agreements.

H. Career and Technical Education Program Articulation

Our local Articulation Agreement with State College of Florida ensures that students completing identified secondary Career and Technical Education programs and continue into postsecondary A.S. and A.A.S. degree programs at no cost to students, will receive articulated college credit for prior coursework, providing all articulation criteria are met. These requirements may include industry certification, college end-of-course assessments, portfolio review, and other artifacts that indicate student prior knowledge and are outlined in detail in the Articulation Agreement.

SECTION 2: EXCEPTIONAL STUDENT EDUCATION

I. ESE STUDENT RIGHTS AND PARENT NOTIFICATION

Note: This section only pertains to students entering Grade 9 in the 2012-2013 and 2013-2014 school years.

A. Status with regard to mastery of regular or special diploma standards should be discussed with parents at each IEP review/revision conference. Additionally, graduation options should be discussed with parents at these conferences to include an explanation of the following:

1. The type of Next Generation Sunshine State Standards the student is attempting to master (i.e. general education SSS, SSS for special diploma with access points for independent, supported or participatory levels) and the relationship to diploma options (i.e. standard or special diploma).
2. The ramifications of not mastering regular Next Generation State Standards. B.

Nothing contained in this document shall limit or restrict an exceptional student solely to a special diploma or special certificate of completion. Any exceptional student shall be afforded the opportunity to pursue a standard diploma (F.S.1003.438). The parents of each exceptional student shall be notified of the graduation options available at the IEP meeting prior to grade 9, or upon the 14th birthday, whichever occurs first.

1. When a student is eligible to graduate with a standard diploma or at the end of the school year during which a student turns 22 years old, A notice of Anticipated Graduation Resulting in a Change of Placement and a Summary of Performance form must be issued to the student and parent prior to graduation.
2. When a student meets the requirements of a special diploma or certificate of completion prior to the age of 22 and indicates that he/she will no longer receive special services, A Notice of Anticipated Graduation Resulting in a Change of Placement form must be issued to the student and parent prior to graduation.
3. ESE students who have met all graduation requirements except passing the FCA should be notified following the Waiver of the Results of the General Assessment Graduation Requirements meeting that they may:
 - a. Qualify for a regular diploma with a waiver.
 - b. Qualify for a special diploma.
4. If a student meets eligibility for a standard or special diploma, then he/she may participate in graduation ceremonies. In the event a student pursuing a standard diploma opts to receive a special diploma and then return for one or more year to continue to pursue a standard diploma as allowed under the IDEA, the IEP need not be revised to reflect this change.

C. Free Appropriate Public Education through Age 22 (FAPE 22) [IDEA. 2004-300.102]

Exceptional students who have not earned a standard diploma remain eligible for educational services through the end of the school year in which they become twenty-two years old. [Students must be 21 years the first day of the current school year in order to receive services for that year]. This includes students pursuing a regular diploma, special diploma, certificate of completion or a special certificate of completion. The education and transition needs of these students will be identified in the IEP.

These students are to be enrolled in grade 12 for FEFP purposes, and may attend full-time or part-time.

D. Grade Classification for ESE Students

High School ESE students will be assigned to grades 9, 10, 11 and 12 according to

the requirements prescribed for basic education students as specified in the Student Progression Plan.

E. One Credit Scheduling Option

A multi-credit or single credit year-long ESE course may be schedule as a ½ credit semester course based on student need.

F. Drop/Add Procedures for ESE Students

Exceptions to the district drop/add procedures timeline can be made based on the individual student needs as determined by the Individual Education Plan (IEP) team when a student is transferring from a standard diploma course to an ESE course or from an ESE course to another ESE course. The grade in a regular education course may not equate to the same grade in an ESE special standards course due to the differences in the regular and special standards course expectations and performance standards. Consequently, it is the responsibility of the ESE teacher to assign a grade based on demonstrated mastery of special course performance standards for work completed before and after the course change.

II. DIPLOMA AND CERTIFICATE OPTIONS FOR ESE STUDENTS

There are several options available to the ESE students for earning a diploma or certificate. The course and credit requirements for a special diploma are determined by the level of State Standards for Special Diploma or State Standards access points the student is pursuing.

A. Standard Diploma

Students with disabilities can earn a standard high school diploma using any high school graduation option that is available to all students. The majority of students with disabilities will earn their diploma in this way. Two additional high school graduation options are available only to students with disabilities. The following options require the 26 credits listed in the tables below

Students with significant cognitive disabilities may earn credits via access courses and be assessed on a Florida Standards Alternate Assessment. Students may earn at least .5 credit via paid employment.

Note: Both options allow for students to have one career and technical course with related content to substitute for one credit in ELA IV, mathematics, science and/or social studies (excluding Algebra I, Geometry and Biology I).

Documented achievement of all components defined in Section 1003.4282(11) (b) 2.b., F.S., on the student’s employment transition plan.</p>

Beginning with students who entered grade 9 in 2014-15, parental approval is required on any change to the high school graduation option specified in the student’s IEP and the waiver of state-wide standardized assessment results. Such decisions are subject to verification for appropriateness by an independent reviewer.

Students who work toward a standard diploma via access courses must also have written parental consent on record to be provided instruction in the state standards access points curriculum.

Deferring receipt of diploma:

Only a student whose IEP requires special education, transition planning, transition services or related services through the age of 21 may defer receipt of their standard diploma. In addition, once a student defers, they must be enrolled in accelerated college credit instruction, industry certification courses that lead to college credit, a collegiate high school program, courses necessary to satisfy the Scholar designation requirements or a structured work-study, internship or pre-apprenticeship program (such as the ACT program) in order to continue to receive FAPE.

In order for a student to be granted a deferral, the district must:

- Review the benefits of deferring with the parent and the student, including continuation of educational and related services
- Describe to the parent and the student, in writing, all of the services and programs available to students who defer
- Note the deferral decision on the IEP
- Provide a document that notes the decision for the parent, or the student if over 18 and rights have transferred, to sign that is separate from the IEP

- Inform the parent and the student, in writing, by January 30 of the year in which the student is expected to meet all graduation requirements that failure to defer releases the school district of the obligation to provide FAPE, that the deadline for acceptance or deferral is May 15 and that failure to attend the graduation ceremony does NOT constitute deferral

5. Assessment Waivers for Students with Disabilities [F.S. 1007.02]

School districts are required to provide remedial instruction to prepare students with disabilities to demonstrate satisfactory performance in the core content knowledge and skills necessary for successful grade-to-grade progression and high school graduation. Assessment results may be waived under specific circumstances for students with disabilities for the purpose of receiving a course grade or a standard high school diploma. A student can earn an 18 credit, 24 credit, or 26 credit standard diploma with a waiver, including the merit designation. A student who receives an assessment waiver **cannot** earn a scholar diploma designation.

To be considered for a statewide, standardized assessment results waiver, the following criteria must be met:

1. The student must be identified as a student with a disability, as defined in s. 1007.02, F.S.:
The term “student with a disability” means a student who is documented as having an intellectual disability; a hearing impairment, including deafness; a speech or language impairment; a visual impairment, including blindness; an emotional or behavioral disability; an orthopedic or other health impairment; an autism spectrum disorder; a traumatic brain injury; or a specific learning disability, including, but not limited to, dyslexia, dyscalculia, or developmental aphasia.
2. The student must have an individual educational plan (IEP).
3. The student must have taken the statewide, standardized assessment with appropriate allowable accommodations at least once.
4. In accordance with s. 1008.22(3)(c)2., F.S., the IEP team must make a determination of whether a statewide standardized assessment accurately measures the student’s abilities, taking into consideration all allowable accommodations for students with disabilities.

The IEP team may meet at any time to:

- Verify that the criteria have been met
- Document the team’s determination and information analyzed in making the decision

B. Special Diploma(s):

Note: This section only pertains to students entering Grade 9 in the 2012-2013 and 2013-2014 school years.

There are two options provided for earning a special diploma. By Statute, eligible exceptionalities for special diplomas EXCLUDE gifted, speech, and visually impaired.

1. Option I is based upon mastering state standards, earning the required credits, and earning a minimum 2.0 GPA.
2. Option II is based on demonstrating competency through employment, earning the required credits, and earning a minimum 2.0 GPA.

Students graduating with a special diploma may continue enrollment in school until the end of the school year in which the student turns 22 years old, provided that they are age 21 on the first day of school that final year.

III. SPECIAL DIPLOMA OPTION I

Note: This section only pertains to students entering Grade 9 in the 2012-2013 and 2013-2014 school years.

- A. Students will be required to demonstrate mastery of the state adopted performance standards by obtaining a passing grade in approved courses to earn a Special Diploma I. Students must participate in the State Assessment program (General Assessment Graduation Requirements or Alternate). Reading remediation in grades 11 and 12 will be determined on an individual basis with a focus on functional career readiness.
- B. Students are required to maintain a minimum 2.0 grade point average. The grade point average (GPA) shall be based on courses fulfilling the Special Diploma Option I.
- C. The following chart details the requirements for Special Diploma Option I:

COURSES	STUDENTS ENTERING GRADE 9 IN 2007-2008 2008-2009	STUDENTS ENTERING GRADE 9 IN 2009-2010 2010-2011 2011-2012	STUDENTS ENTERING GRADE 9 IN 2012-13 AND THEREAFTER

IV. SPECIAL DIPLOMA OPTION II [6A-1.0996(1)(B)]

Note: This section pertains to students in Cohorts 12/13 and 13/14. Students are eligible to receive a Special Diploma Option II when the following requirements are met:

- A. Student has reached the minimum age of 16
- B. The requirements for earning a Special Diploma Option II have been updated to bring them in line with the State of Florida recommendations. The new requirements increase the number of credits from 6 (nonspecific) to 8 (specific). The credit requirements are: 2 English/Reading, 2 Mathematics, and 4 Career/Technical Education, one of which must be Career Preparation. In addition, the length of time required to earn the work readiness diploma has been reduced to one semester or 18 weeks of successful paid employment at minimum wage or higher. Students are required to have a minimum 2.0 grade point average. The grade point average (GPA) shall be based on courses fulfilling the Special Diploma Option II.

- C. Student has a graduation-training plan that indicates the employment/plan is developed by the employer, student, parent and instructor and is maintained in the student's cumulative folder that includes the following assurances:
1. Student masters 95% of the employment/community competencies as indicated on student's graduation training plan as verified by the employer, transition planner and /or instructor in order to earn a Special Diploma Option II.
 2. Student is employed in the community at a site where:
 - a. Employer has a federal employer identification number.
 - b. Employer provides student opportunities for interaction with non-disabled co-workers.
 - c. Employer adheres to child labor laws.
 - d. Employer provides an opportunity for advancement and community competencies to be mastered.
 - e. Student's salary is at or above minimum wage.
 - f. Student is employed full-time (using industry standards) for a minimum of 18 weeks (or one semester).

V. CAREER PLACEMENT OPTIONS FOR ESE STUDENTS

Note: This section pertains to students in Cohorts 12/13 and 13/14.

- A. Career Placement or job preparatory course may be substituted for social studies and/or science credit.
- B. Career Preparation may be taken anytime during grades 9-12 and repeated, as needed, for credit. This course must be taken prior to or concurrently to the first Career Placement course. It is recommended to be repeated with subsequent Career Placement courses.

VI. CERTIFICATE OF COMPLETION

Exceptional students may receive a certificate of completion if they:

- C. meet the course and credit requirements for a regular diploma, and
- D. attained the required 2.0 GPA, but
- E. have not passed the General Assessment Graduation Requirements and have been determined ineligible for a waiver.

VII. SPECIAL CERTIFICATE OF COMPLETION CRITERIA (F.S. 1003.438)

ESE students other than Speech only, Visually Impaired only, and Gifted only, may receive a special certificate of completion if they meet district course and credit requirements for a special diploma, but have a grade point average that is less than the required 2.0 GPA and/or have not demonstrated proficiency on alternate assessment.

VIII. OTHER PROGRAMS: THERAPIES AND ITINERANT SERVICES

Speech/language therapy, physical therapy, occupational therapy, and itinerant hearing impaired and vision services are pullout programs designed to reinforce or enhance a student's ability to benefit from instruction. Attendance in these programs will not affect the 135-hour minimum course instruction requirements for basic, CTE or ESE courses.

Diploma Options for cohort 2014/15 and beyond

Students with disabilities can earn a standard high school diploma using any high school graduation option that is available to all students. The majority of students with disabilities will earn their diploma in this way. Two additional high school graduation options, available only to students with disabilities. The following options require the 26 credits listed in the tables below

- Students with significant cognitive disabilities may earn credits via access courses and be assessed on a Florida Alternate Assessment.
- Students may earn at least .5 credit via paid employment.

Note: Both options allow for students to have a career and technical course with related content to substitute for one credit in ELA IV, mathematics, science and social studies (excluding Algebra I, Geometry and Biology I).

Beginning with students who entered grade 9 in 2014-15, Parental approval is required on any change to the high school graduation option specified in the student's IEP and the waiver of state-wide standardized assessment results. Such decisions are subject to verification for appropriateness by an independent reviewer.

Students who work toward a standard diploma via access courses must also have written parental consent on record to be provided instruction in the state standards access points curriculum

Deferring receipt of diploma:

Only a student whose IEP requires special education, transition planning, transition services or related services through the age of 21 may defer receipt of their standard diploma. In addition, once a student defers, they must be enrolled in accelerated college credit instruction, industry

certification courses that lead to college credit, a collegiate high school program, courses necessary to satisfy the Scholar designation requirements or a structured work-study, internship or pre-apprenticeship program (such as the ACT program) in order to continue to receive FAPE.

In order for a student to be granted a deferral, the district must:

- Review the benefits of deferring with the parent and the student, including continuation of educational and related services
- Describe to the parent and the student, in writing, all of the services and programs available to students who defer
- Note the deferral decision on the IEP
- Provide a document that notes the decision for the parent, or the student if over 18 and rights have transferred, to sign that is separate from the IEP
- Inform the parent and the student, in writing, by January 30 of the year in which the student is expected to meet all graduation requirements that failure to defer releases the school district of the obligation to provide FAPE, that the deadline for acceptance or deferral is May 15 and that failure to attend the graduation ceremony does NOT constitute deferral.

APPENDIX A

REQUIRED HIGH SCHOOL ASSESSMENTS

According to Florida law, students must meet all academic requirements in order to receive a standard high school diploma from a public school. This means that students must take required courses, earn the correct number of credits, maintain a passing grade point average, and pass the Florida Language Arts Standards portion of the Grade 10 FSA, as well as Algebra 1 EOC assessment. Students who meet these requirements, but do not pass the required assessments, will receive a PERT Ready Certificate of Completion, which is not equivalent to a standard high school diploma.

Required Passing Scores on State Assessments by School Year

Students must have passing scores on the Grade 10 English Language Arts and Algebra 1 assessments to graduate high school. The passing score and specific assessment will vary by the school year the student entered grade 9.

English Language Arts: All current High School students must pass the Grade 10 FSA ELA examination with a proficiency score determined by the State Department of Education.

ELA Assessment Requirement and Passing Score by School Year

School Year When Assessment Requirements Began for Students Entering Grade 9	Assessment that Students Must Pass in Order to Graduate	Passing Score for the Required Assessment
2013-14	Grade 10 FSA ELA	349*
2014-15 and Beyond	Grade 10 FSA ELA	350

*Students who took the assessment prior to the adoption of the passing score on the new scale adopted by the State Board are eligible to use the alternate passing score for graduation, which is linked to the passing score for the previous assessment requirement.

Algebra 1-Standard Diploma

Cohort Year Entered Grade 9	Grade in 2016-2017	30% of Course Grade To Earn Credit	Must Pass EOC for Graduation	Passing Score
2013-2014	12	YES	YES	399*
2014-2015	11	YES	YES	489**
2015-2016	10	YES	YES	497z***
2016-2017	9	YES	YES	497

*Students who took an Algebra 1 course aligned to the Next Generation State Standards must pass the NGSSS assessment with a score at or above 399.

** The FSA Algebra 1 EOC assessment was first administered in spring 2015. Passing status for students who took this assessment in the Spring, Summer, Fall and Winter of 2015 must pass with a score at or above 489.

***Students taking the assessment for the first time after the new performance standards were set in January, 2016 must pass with a score of 497.

Additional requirements are delineated below:

Geometry-Standard Diploma

Cohort Year Entered Grade 9	Grade in 2016-2017	30% of Course Grade	Must Pass EOC
2013-2014	12	YES	NO
2014-2015	11	YES	NO
2015-2016	10	YES	NO
2016-2017	9	YES	NO

Biology-Standard Diploma

2013-2014	12	YES	NO
2014-2015	11	YES	NO
2015-2016	10	YES	NO
2016-2017	9	YES	NO

Algebra II

Cohort Year Entered	Grade in 2016-2017	30% of Course Grade	Must Pass EOC
2013-2014	12	Yes	NO
2014-2015	11	YES	NO
2015-2016	10	YES	NO
2016-2017	9	YES	NO

Students may use concordant scores to meet the graduation assessment requirements. Students may satisfy the score requirements using various combinations of tests. All students enrolled in grade 10 are required to participate in the Grade 10 FSA ELA assessment in accordance with section 1008.22, Florida Statutes (F.S.) regardless of whether they have a passing concordant score on file.

Additionally, if a student has achieved a comparative score on the PERT prior to enrolling in and completing Algebra 1 or an equivalent course, they must take the Algebra 1 EOC assessment. The following concordant scores are acceptable:

Grade 10 FCAT 2.0 Reading or Grade 10 FSA ELA	
SAT	430
ACT	19
Algebra 1 EOC (NGSSS or FSA)	
PERT	97

*May only be used AFTER the Algebra 1 EOC has been taken at least once.

EDUCATIONAL OPPORTUNITY FOR MILITARY CHILDREN INTERSTATE COMPACT ON EDUCATIONAL OPPORTUNITY FOR MILITARY CHILDREN INTERSTATE COMMISSION MEETING - Rules (Approved, Nov. 2009)

INTRODUCTION:

Upon activation of the Interstate Compact a year ago, one of the first tasks necessary for the Commission was the creation of administrative rules under which the Compact would operate. A Rules Committee was formed and over the past year, the Committee met on several occasions to develop the rules. Comments were solicited from various stakeholders and input was considered. The rules complement the Interstate Compact and may not conflict with it. In addition, the rules are not designed to address every issue arising under the Compact, however, there is flexibility to make reasonable changes or clarification as the need arises through amendment, advisory opinions, and training opportunities. Attached is a final draft of the proposed rules for your consideration. The full Commission will be voting on the rules at our November meeting. Please review prior to then and we look forward to seeing you at the conference in Palm Springs.

Chapter 100 DEFINITIONS

SEC.1.101 Definitions

As used in these rules, unless the context clearly requires a different construction –

- A. “Active duty” means: full-time duty status in the active uniformed service of the United States, including members of the National Guard and Reserve on active duty orders pursuant to 10 U.S.C. Section 1209 and 1211.
- B. “By-laws” means: those by-laws established by the Interstate Commission on Educational Opportunity for Military Children for its governance, or for directing or controlling the Interstate Commission’s actions or conduct.
- C. “Children of military families” means: a school-aged child(ren), enrolled in kindergarten through twelfth (12th) grade, in the household of an active duty member.

- D. "Compact commissioner" means: the voting representative of each compacting state, appointed pursuant to Article VIII of this compact.
- E. "Days" means: business days, unless otherwise noted.
- F. "Deployment" means: the period one (1) month prior to the service members' departure from their home station on military orders through six (6) months after return to their home station.
- G. "Education(al) records" means: those official records, files, and data directly related to a student and maintained by the school or local education agency (LEA), including but not limited to records encompassing all the material kept in the student's cumulative folder such as general identifying data, records of attendance and of academic work completed, records of achievement and results of evaluative tests, health data, disciplinary status, test protocols, and individualized education programs.
- H. "Extracurricular activities" means: a voluntary activity sponsored by the school or LEA or an organization sanctioned by the LEA. Extracurricular activities include, but are not limited to, preparation for and involvement in public performances, contests, athletic competitions, demonstrations, displays, and club activities.
- I. "Interstate Commission on Educational Opportunity for Military Children" means: the commission that is created under Article IX of this compact, which is generally referred to as Interstate Commission.
- J. "Local education agency" means: a public authority legally constituted by the state as an administrative agency to provide control of and direction for kindergarten through twelfth (12th) grade public educational institutions.
- K. "Member state" means: a state that has enacted this compact.
- L. "Military installation" means: a base, camp, post, station, yard, center, homeport facility for any ship, or other activity under the jurisdiction of the Department of Defense, including any leased facility, which is located within any of the several States, the District of Columbia, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, the Northern Marianas Islands and any other U.S. territory. Such term does not include any facility used primarily for civil works, rivers and harbors projects, or flood control projects.
- M. "Non-member state" means: a state that has not enacted this compact.
- N. "Receiving state" means: the state to which a child of a military family is sent,

- brought, or caused to be sent or brought.
- O. “Rule” means: a written statement by the Interstate Commission promulgated pursuant to Article XII of this compact that is of general applicability, implements, interprets or prescribes a policy or provision of the compact, or an organizational, procedural, or practice requirement of the Interstate Commission, and has the force and effect of statutory law in a member state, and includes the amendment, repeal, or suspension of an existing rule.
 - P. “Sending state” means: the state from which a child of a military family is sent, brought, or caused to be sent or brought.
 - Q. “State” means: a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, the Northern Marianas Islands and any other U.S. territory.
 - R. “Student” means: the child of a military family for whom the LEA receives public funding and who is formally enrolled in kindergarten through twelfth (12th) grade.
 - S. “Transition” means: 1) the formal and physical process of transferring from school to school or 2) the period of time in which a student moves from one school in the sending state to another school in the receiving state.
 - T. “Uniformed service(s)” means: the Army, Navy, Air Force, Marine Corps, Coast Guard as well as the Commissioned Corps of the National Oceanic and Atmospheric Administration, and Public Health Services.
 - U. “Veteran” means: a person who served in the uniformed services and who was discharged or released under conditions other than dishonorable.

Chapter 200 – GENERAL PROVISIONS Section 2.101 Adoption of rules; Amendment

Proposed rules or amendments to the rules shall be adopted by majority vote of the members of the Interstate Commission in the following manner:

- (a) Proposed new rules and amendments to existing rules shall be submitted to the Interstate Commission office for referral to the Rules Committee as follows:

- (1) Any Commissioner may submit a proposed rule or rule amendment for referral to the Rules Committee during the annual Commission meeting. This proposal must

be made in the form of a motion and approved by a majority vote of a quorum of the Commission members present at the meeting;

- (2) Standing Committees of the Commission may propose rules or rule amendments by majority vote of that Committee;
 - (3) Any regional group of states as may be subsequently recognized by the Commission may propose rules or rules amendments by a majority vote of members of that region;
- (b) The Rules Committee shall prepare a draft of all proposed rules and provide the draft to all commissioners for review and comments. All written comments received by the Rules Committee on proposed rules shall be posted on the Commission’s website upon receipt. Based upon the comments made by the Commissioners, the Rules Committee shall prepare a final draft of the proposed rule(s) or amendments for consideration by the Commission no later than the next annual meeting falling in an odd-numbered year.
- (c) Prior to promulgation and adoption of a final rule by the Interstate Commission, the text of the proposed rule or amendment shall be published by the Rules Committee no later than thirty (30) days prior to the meeting at which the vote is scheduled, on the official web site of the Interstate Commission and in any other official publication that may be designated by the Interstate Commission for the publication of its rules. In addition to the text of the proposed rule or amendment, the reason for the proposed rule shall be provided.
- (d) Each administrative rule or amendment shall state—
- (1) The place, time, and date of the scheduled public hearing;
 - (2) The manner in which interested persons may submit notice to the Interstate Commission of their intention to attend the public hearing and any written comments; and
 - (3) The name, position, physical and electronic mail address, telephone, and telefax number of the person to whom interested persons may respond with notice of their attendance and written comments.
- (e) Every public hearing shall be conducted in a manner guaranteeing each person who wishes to comment a fair and reasonable opportunity to comment. No transcript of the public hearing is required, unless a written request for a transcript is made, which

case the person or entity making the request shall pay for the transcript. A recording may be made in lieu of a transcript under the same terms and conditions as a transcript. This subsection shall not preclude the Commission from making a transcript or recording of the public hearing if it chooses to do so.

- (f) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the Interstate Commission at hearings required by this section.
- (g) Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the Interstate Commission shall consider all written and oral comments received.
- (h) The Interstate Commission shall, by **majority** vote of a quorum of the commissioners, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.
- (i) Not later than sixty (60) days after a rule is adopted, any interested person may file a petition for judicial review of the rule in the United States district court of the District of Columbia or in the federal district court where the Interstate Commission's principal office is located. If the court finds that the Interstate Commission's action is not supported by substantial evidence, as defined in the federal Administrative Procedures Act, in the rulemaking record, the court shall hold the rule unlawful and set it aside.
- (j) Upon determination that an emergency exists, the Interstate Commission may promulgate an emergency rule that shall become effective immediately upon adoption, provided that the usual rulemaking procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the rule. An emergency rule is one that must be made effective immediately in order to—
 - (1) Meet an imminent threat to public health, safety, or welfare;
 - (2) Prevent a loss of federal or state funds;
 - (3) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or
 - (4) Protect human health and the environment.

SEC. 2102 Dues formula

- (a) The commission shall determine the formula to be used in calculating the annual assessments to be paid by states. Public notice of any proposed revision to the approved dues formula shall be given at least 30 days prior to the Commission meeting at which the proposed revision will be considered.
- (b) The Commission may consider the population of the states, the number of students subject to the compact within each state, and the volume of student transfers between states in determining and adjusting the assessment formula.
- (c) The approved formula and resulting assessments for all member states shall be distributed by the commission to each member state annually.
- (d) The dues formula shall be based on the figure of one dollar per child of military families eligible for transfer under this compact.

Chapter 300 – TRANSFER OF EDUCATION RECORDS AND ENROLLMENT SEC. 3.101 Eligibility for transfer and enrollment

- (a) Unofficial or “hand-carried” education records – In the event that official education records cannot be released to the parents for the purpose of transfer, the custodian of the records in the sending state shall prepare and furnish to the parent a complete set of unofficial educational records containing uniform information as determined by the Interstate Commission. Upon receipt of the unofficial education records by a school in the receiving state, the school shall enroll and appropriately place the student based on the information provided in the unofficial records pending validation by the official records, as quickly as possible. In the event a state or LEA charges a fee for copies of educational records, such a fee shall not exceed the reasonable cost of reproduction.
- (b) Official education records/transcripts -- Simultaneous with the enrollment and conditional placement of the student, the school in the receiving state shall request the student’s official education record from the school in the sending state. Upon receipt of this request, the school in the sending state will process and furnish the official education records to the school in the receiving state within ten (10) business days except for a designated school staff break including, but not limited to, spring, summer, or holiday. Records should be furnished as soon as possible following the return of staff from a school staff break; however, the time shall not exceed ten (10) days after the return of staff.

SEC. 3.102 Application for transfer of student records and enrollment

An application for transfer of educational records of students subject to this compact shall contain the following:

- (a) Immunizations – Compacting states shall give thirty (30) calendar days from the date of enrollment. For a series of immunizations, initial vaccinations must be obtained within thirty (30) calendar days.

- (b) Kindergarten and First grade entrance age – Students shall be allowed to continue their enrollment at grade level in the receiving state commensurate with their grade level (including Kindergarten) from a LEA in the sending state at the time of transition, regardless of age. A student that has satisfactorily completed the prerequisite grade level in the local education agency in the sending state shall be eligible for enrollment in the next highest grade level in the receiving state, regardless of age. A student transferring after the start of the school year in the receiving state shall enter the school in the receiving state on their validated level from an accredited school in the sending state.
 - (1) Any student who transfers from an out-of-state public school and who does not meet regular age requirements for admission to the school of the state being transferred into shall be admitted upon presentation of the data required in subsection (3).

 - (2) Any student who transfers from an out-of-state nonpublic school and who does not meet regular age requirements for admission to a public school in the state being transferred, shall be admitted if the student meets age requirements for public schools within the state from which he or she is transferring, and if the transfer of the student’s academic credit is acceptable under rules of the school board. Prior to admission, the parent or guardian must also provide the data required in subsection (3).

 - (3) In order to be admitted into a school in the receiving state, such a student transferring from the sending state must provide the following data:
 - (i) Official military orders showing that the military member was assigned to the state (or commuting area) of the state in which the child was previously duly enrolled and attended school. If a child of a military member was residing with a legal guardian during the previous enrollment and not the military member, a copy of the family care plan, or proof of guardianship, as specified

in the Interstate Compact, or any information sufficient for the receiving district to establish eligibility under this compact shall be provided;

- (ii) An official letter or transcript from the proper school authority which shows record of attendance, academic information, and grade placement of the student;
- (iii) Documented evidence of immunization against communicable diseases; and
- (iv) Evidence of date of birth.

Chapter 400 – GRADUATION SEC 4.101 Graduation

- (a) Waiver requirements – LEA administrative officials shall waive specific courses required for graduation if similar course work has been satisfactorily completed in another LEA or shall provide reasonable justification for denial. Should a waiver not be granted to a student who would qualify to graduate from the sending school, the LEA shall provide an alternative means of acquiring required coursework so that graduation may occur on time. If the receiving LEA requires a graduation project, volunteer community service hours, or other state or LEA specific requirements, the receiving LEA may waive those requirements.
- (b) Exit exams – States shall accept: 1) exit or end-of-course exams required for graduation from the sending state; or 2) national norm-referenced achievement tests or 3) alternative testing, in lieu of testing requirements for graduation in the receiving state. In the event the above alternatives cannot be accommodated by the receiving state for a student transferring in his or her senior year, then the provisions of Article VII, Section C of the Compact shall apply.
- (c) Transfers during senior year - There may be cases in which a military student transferring at the beginning or during his or her senior year is ineligible to graduate from the receiving LEA after all alternatives have been considered. In such cases the sending and receiving LEA's shall ensure the receipt of a diploma from the sending LEA, if the student meets the graduation requirements of the sending LEA. In the event that one of the states in question is not a member of this compact, the member state shall use best efforts to facilitate the on-time graduation of the student in accordance with Sections A and B of Article VII of the Compact.

Chapter 500 – PLACEMENT & ATTENDANCE SEC.

5.101 Course placement

The receiving school shall initially place a student who transfers before or during the school year in educational courses based on the student's enrollment in the sending state school and/or educational assessments conducted at the school in the sending state to the extent the educational courses are provided by the receiving school. Course placement includes but is not limited to Honors, International Baccalaureate, Advanced Placement, vocational, technical and career pathways courses. The receiving school may perform subsequent evaluations to ensure appropriate placement and continued enrollment of the student in the course(s). The receiving school may allow the student to attend similar educational courses in other schools within the LEA if the receiving school does not offer such educational courses.

SEC. 5.102 Educational program placement

The receiving state school shall initially honor placement of the student in educational programs based on current educational assessments conducted at the school in the sending state or participation/placement in like programs in the sending state. Such programs include, but are not limited to: 1) gifted and talented programs; and 2) English as a second language (ESL). The receiving school may perform subsequent evaluations to ensure appropriate placement and continued enrollment of the student in the course(s). The receiving school may allow the student to attend similar educational courses in other schools within the LEA if the receiving school does not offer such programs.

SEC. 5.103 Special education services

- (a) In compliance with the federal requirements of the Individuals with Disabilities Education Act (IDEA), 20 U.S.C.A. Section 1400 et seq, the receiving state shall initially provide comparable services to a student with disabilities based on his/her current Individualized Education Program (IEP); and
- (b) In compliance with the requirements of Section 504 of the Rehabilitation Act, 29 U.S.C.A. Section 794, and with Title II of the Americans with Disabilities Act, 42 U.S.C.A. Sections 12131-12165, the receiving state shall make reasonable accommodations and modifications to address the needs of incoming students with disabilities, subject to an existing 504 or Title II Plan, to provide the student with equal access to education.
- (c) The receiving school may perform subsequent evaluations to ensure

appropriate placement and appropriate services. The receiving school shall follow any current regulations the receiving state has in place in order to comply with federal or state law.

SEC. 5.104 Placement flexibility

LEA officials shall have flexibility in waiving course/program prerequisites, or other preconditions for placement in courses/programs offered under the jurisdiction of the LEA.

SEC. 5.105 Absence as Related to Deployment Activities

A student whose parent or legal guardian is an active duty member of the uniformed services, as defined by the Compact, and has been called to duty for, is on leave from, or immediately returned from deployment to a combat zone or combat support posting, shall be granted additional excused absences at the discretion of the LEA superintendent or head of school to visit with his or her parent or legal guardian relative to such leave or deployment of the parent or guardian. Notwithstanding the above, the LEA superintendent or head of school may provide a maximum number of additional excused absences.

Chapter 600 -- ELIGIBILITY

SEC. 6.101 Eligibility for Enrollment

- (a) A custody order, special power of attorney, or other applicable document relative to the guardianship of a child of a military family and executed under the applicable law of each member state shall be sufficient for the purposes of enrollment and all other actions requiring parental participation and consent. A special power of attorney form, which is acceptable in some jurisdictions, can be obtained through the JAG offices pursuant to Military Family Care Plan regulations.
- (1) A local education agency shall be prohibited from charging local tuition to a transitioning military child placed in the care of a non-custodial parent or other person standing in loco parentis who lives in a jurisdiction other than that of the custodial parent. Tuition may be charged for optional programs offered by the LEA.
- (2) A transitioning military child, placed in the care of a non-custodial parent or other person standing in loco parentis who lives in a jurisdiction other than that of the custodial parent, may continue to attend the school in which he/she was

enrolled while residing with the custodial parent. The local education agency shall not charge tuition. In addition, transportation to and from school is the responsibility of the non-custodial parent or other persons standing in loco parentis.

- (b) Eligibility for extracurricular participation – State and local education agencies shall facilitate the opportunity for transitioning military children’s inclusion in extracurricular activities, regardless of application deadlines, with consultation with the state high school athletic association, to the extent they are otherwise qualified. Application deadlines include tryouts, summer conditioning and other coach or district prerequisites.

Chapter 700 – OVERSIGHT, ENFORCEMENT, AND DISPUTE RESOLUTION SEC. 7.101
Informal communication to resolve disputes or controversies

- (a) States shall attempt to resolve disputes or controversies by communicating with each other by telephone, telefax, or electronic mail.

(b) Failure to resolve dispute or controversy -

- (1) Following an unsuccessful attempt to resolve controversies or disputes arising under this compact, its by-laws or its rules as required under sec.7.101 (a), states shall pursue one or more of the informal dispute resolution processes set forth in sec. 7.101 (b)(2) prior to resorting to formal dispute resolution alternatives. (2) Parties shall submit a written request to the executive director for assistance in resolving the controversy or dispute. The executive director shall provide a written response to the parties within ten (10) days and may, at the executive director’s discretion, seek the assistance of legal counsel or the executive committee in resolving the dispute. The executive committee may authorize its standing committees or the executive director to assist in resolving the dispute or controversy.

SEC. 7.102 Formal resolution of disputes and controversies

- (a) Alternative dispute resolution – Any controversy or dispute between or among compacting states that arises from or relates to this compact that is not resolved under sec. 7.101 may be resolved by alternative dispute resolution processes. These shall consist of mediation and arbitration.

(b) Mediation and arbitration

(1) Mediation

- (i) A state that is party to a dispute may request, or the executive committee may require, the submission of a matter in controversy to mediation.
- (ii) Mediation shall be conducted by a mediator appointed by the executive committee from a list of mediators approved by the national organization responsible for setting standards for mediators and pursuant to procedures customarily used in mediation proceedings.

(2) Arbitration

- (i) Arbitration may be recommended by the executive committee in any dispute regardless of the parties' previous submission of the dispute to mediation.
- (ii) Arbitration shall be administered by at least one neutral arbiters or a panel of arbiters not to exceed three members. These arbiters shall be selected from a list of arbiters maintained by the commission staff.
- (iii) The arbitration may be administered pursuant to procedures customarily used in arbitration proceedings and at the direction of the arbiter.
- (iv) Upon the demand of any party to a dispute arising under the compact, the dispute shall be referred to the American Arbitration Association and shall be administered pursuant to its commercial arbitration rules.
- (v) (a) The arbiter in all cases shall assess all costs of arbitration, including fees of the arbiter and reasonable attorney fees of the prevailing party, against the party that did not prevail.

(b) The arbiter shall have the power to impose any sanction permitted by this compact and other laws of the state or the federal district in which the commission has its principal offices.
- (vi) Judgment on any award may be entered in any court having jurisdiction.

SEC 7.103 Enforcement actions against a defaulting state

- (a) If the Interstate Commission determines that any state has at any time defaulted (“defaulting state”) in the performance of any of its obligations or responsibilities under this Compact, the by-laws or any duly promulgated rules the Interstate Commission may impose any or all of the following penalties:
- (1) Damages or costs in such amounts as are deemed to be reasonable as fixed by the Interstate Commission;
 - (2) Remedial training and technical assistance as directed by the Interstate Commission;
 - (3) Suspension and termination of membership in the compact. Suspension shall be imposed only after all other reasonable means of securing compliance under the by-laws and rules have been exhausted. Immediate notice of suspension shall be given by the Interstate Commission to the governor, the chief justice or chief judicial officer of the state, the majority and minority leaders of the defaulting state’s legislature, and the state council.
- (b) The grounds for default include, but are not limited to, failure of a Compacting State to perform such obligations or responsibilities imposed upon it by this compact, Interstate Commission by-laws, or duly promulgated rules. The Interstate Commission shall immediately notify the defaulting state in writing of the penalty imposed by the Interstate Commission on the defaulting state pending a cure of the default. The Interstate Commission shall stipulate the conditions and the time period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the Interstate Commission, in addition to any other penalties imposed herein, the defaulting state may be terminated from the Compact upon an affirmative vote of a majority of the compacting states and all rights, privileges, and benefits conferred by this Compact shall be terminated from the effective date of suspension.
- (c) Within sixty (60) calendar days of the effective date of termination of a defaulting state, the Interstate Commission shall notify the governor, the chief justice or chief judicial officer, the majority and minority leaders of the defaulting state’s legislature, and the state council of such termination.
- (d) The defaulting state is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination including any obligations, the performance of which extends beyond the effective date of termination.

- (e) The Interstate Commission shall not bear any costs relating to the defaulting state unless otherwise mutually agreed upon between the Interstate Commission and the defaulting state.
- (f) Reinstatement following termination of any compacting state requires both a reenactment of the Compact by the defaulting state and the approval of the Interstate Commission pursuant to the rules.

SEC 7.104 Judicial enforcement

The Interstate Commission may, by majority vote of the members, initiate legal action in the United States District Court for the District of Columbia or, at the discretion of the Interstate Commission, in the federal district where the Interstate Commission has its offices to enforce compliance with the provisions of the Compact, its duly promulgated rules and by-laws, against any compacting state in default. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation including reasonable attorneys' fees.

APPENDIX D

FOREIGN EXCHANGE VISITOR PROGRAM REQUIREMENTS AND PROCEDURES

The school board recognizes the importance of intercultural and international education as part of a school program.

Any student from a foreign country sponsored by a Foreign Exchange Visitor Program who fulfills all eligibility requirements (applicable federal, state, and district regulations), including the approval of the principal, may attend a Sarasota County high school at the discretion of the Sarasota County School Board. All students must be approved by the district, through the Office of School Choice, Virtual School and Charter Schools, before enrolling in a district school. In no case can the number of foreign students exceed 1 % of the school's enrollment. The district reserves the right to limit the number of students placed by any sponsor or from any country.

Organizations and institutions sponsoring students must be approved by the Council on Standards for International Educational Travel (CSIET) and have J-1 visa status in order to be eligible to participate in the Foreign Exchange Visitor Program.

1. ELIGIBILITY REQUIREMENTS

- A. Sponsors: Applications may be made by CSIET approved organizations desiring to sponsor foreign students in Sarasota County high schools. Any organizations sponsoring

a student must supply the name, address, and telephone number of the local area representative. The local area representative must be a resident of Sarasota County and can be contacted at any time, particularly in the case of an emergency or when other school problems arise.

B. Students: Students must meet the following eligibility requirements prior to acceptance:

- agree to be in attendance for one academic school year
- be at least 15 but not more than 18 ½ years of age on the date of enrollment in the program and have not completed more than 11 years of primary and secondary education (exclusive of kindergarten) [NOTE: students who have already graduated will not be allowed to enroll in a Sarasota County high school]
- have sufficient knowledge of the English language to participate in high school classes
- be accepted by a suitable host family, not to be hosted by the local area representative of the sponsoring organization
 - provide an English translation of the student's official academic transcript for at least 2 years prior to entry into the program, including a description of each course

2. PROCEDURES FOR ADMISSION OF ELIGIBLE STUDENTS

The sponsoring organization must apply for and obtain the approval for admission of the student through the local representative by the Office of School Choice, Charter Schools, and Virtual School at least fifteen (15) working days prior to enrollment in school.

A. Notification: A copy of the Sarasota County School Board Foreign Exchange Program procedures are available for local coordinators when seeking to request a school placement for a foreign exchange student. Written approval or denial for admission shall be given to the local coordinator of the sponsoring organization by the Office of School Choice, Virtual School and Charter Schools. The exchange student must be accompanied by the sponsoring organization's local area representative and a member of the host family when enrolling at the approved district school. Formal entrance to school shall be at the beginning of the school year. An orientation designed to acquaint the student with the American school and with the rules governing the behavior of all students shall be provided. The student shall follow school rules and shall participate fully in the educational program provided.

B. Supervision: It is the sponsor's responsibility to make all travel and accommodation

arrangements, including securing the host family. It is the sponsor's responsibility to resolve problems that arise between the student, the host family, and /or the school including, if necessary, the changing of host families or the early return home of the exchange student due to unresolved or personal difficulties. It is the responsibility of the sponsor to notify the district school and the Office of School Choice, Virtual School, and Charter Schools of all changes of host family or address.

- C. Financial Support: All expenses, including school and school-related expenses are the responsibility of the student, the sponsoring organization, and the host family. Foreign Exchange students are not eligible for lunch subsidy.
- D. Employment: Exchange students are not permitted to take regular or part-time jobs during their stay in the United States.
- E. Athletic Eligibility: Students shall be governed by the district policies and guidelines and the Florida High School Athletics Association rules and regulations regarding participation in inter-scholastic athletic competition.
- F. Completion: Upon completion of the stay in Sarasota County, the student shall be issued an official transcript of all work completed. Schools are encouraged to honor the foreign exchange student's program completion.
- G. Monitoring: CSJET approved programs are monitored by the Office of School Choice, Virtual School and Charter Schools,
 - Quality of foreign exchange student recruited (e.g., English proficiency, attitude, behavior) and
 - Appropriateness of host family placement (e.g., high school age student in host family home, family stability)

Sponsoring organizations that have violated requirements of student eligibility shall not be eligible to submit applications for students to attend Sarasota County high schools for a period of two years. Programs with a second violation shall be permanently removed as approved programs for placement in Sarasota County.
