FIELD TRIP AUTHORIZATION

Important: In county field instructional bus regulations require principal approval only. All other field (highschool bus) regulations require principal and associate director approval. In addition, any trip involving students' out-of-state/country travel also requires School Board approval and should include release forms, insurance coverage, and other data required by the company operating with the arrangements. Provide the information requested below and submit this completed form with appropriate attachments for approval according to the advance notification time prior to departure date noted after field trip below. Refer to School Board Policy 4.43.

Executive Director Signature _____ Date 8/16/18

Out-of-state/country field trip was School Board approved on (Board meeting date) _____

**new sponsor*

FIELD TRIP AUTHORIZATION

Instructions: Provide the following information for all field trips.

1. Explain the direct instructional connection with instructional program. Include any potential risks or hazards (e.g. water activity).

Speech & Debate tournaments have been shown to improve academic achievement, public speaking, and interpersonal skills.
Students are required to research issues of public concern, philosophical positions, or works of art. Students
analyze their research and prepare oral and dramatic presentations based on their analysis. These skill
sets are readily transferable across the entire spectrum of academia. The only risks are those that are
inherent on a college campus.

2. Describe how students are being selected to participate with assurances of equal access for all students, regardless of economic level.

For this tournament, students must participate in team activities and/or previous competition at local
tournaments. This requirement is to ensure that the students that desire to participate in this national level
tournament have shown sufficient dedication and preparation for their event. For those students and
families that need financial assistance, including full payment of fees, team benefactors, team fundraisers,
and donations from PVA are provided.

3. Describe how students will be supervised once they arrive.

Male and female chaperones accompany students to each of their events. Students and chaperones walk
(from central meeting locations (where the bus drops off from the hotel) to the events. Chaperones have
contact information for all students and/or their parents. At the hotel, students have "lights out" times that
are reasonable under the circumstances and gender appropriate chaperones perform a "room check" at the
lights out time.

4. Should an emergency arise, how will communication and transportation be handled?

All chaperones have cellular phones and contact information for students' parents/guardians. Communication
will initially be by telephone call followed by text message and/or email. Students' medical information
will be on site at the tournament. Transportation will be determined under the circumstances but may
include the chartered bus, licensed commercial vehicle, or ambulance, if appropriate.
