

**Agreement between The  
School Board of Sarasota County, Florida  
And  
Sarasota Suncoast Academy, Inc.  
For Transportation Services**

This Agreement is made and entered into this 6th day of September, 2011, effective July 1, 2011, by and between The School Board of Sarasota County, Florida, a body corporate existing under the laws of the State of Florida (the "School Board") and Sarasota Suncoast Academy, Inc. ("Sarasota Suncoast"), a charter school in Sarasota County, Florida, pursuant to Section 1002.33, Florida Statutes.

WITNESSETH:

WHEREAS, Sarasota Suncoast is operating a charter school within Sarasota County; and

WHEREAS, Sarasota Suncoast is desirous of receiving the School Board's services in transporting students to and from its school and maintaining its vehicles; and

WHEREAS, the School Board's Transportation Department has the capability to provide the services requested.

NOW, THEREFORE, in consideration of the foregoing and the covenants contained herein, the parties agree as follows:

1. **Services.** The School Board hereby agrees to provide daily transportation services for students attending Sarasota Suncoast for the 2011-2012 school year on mutually agreed bus routes. This Agreement is not intended to prevent Sarasota Suncoast from also independently providing daily transportation services for some or all of its students.

2. **Routes.** All bus stops and bus routes will be mutually agreed upon prior to the start of the school year. Additional stops will not be added until approved by Sarasota Suncoast and reviewed for safety and approved by the School Board's Transportation Department. Route changes, if approved, will require 7 calendar days from the date of request to the date of implementation. Special needs transportation requests must be made a minimum of 14 days prior to the requested date of implementation.

3. **Costs.** The cost for each route will be determined by mileage and driver cost(s). Suncoast agrees to pay the School Board \$23.25 per hour, per driver and \$20.25 per hour, per attendant (if required), and \$2.60 per route mile (cost of mileage may change to reflect fuel increase) for transportation services. If a bus cannot be used for three (3) time slots, it impacts the Average Bus Occupancy (ABO) which negatively impacts the dollar amount the School Board receives per student, and the above charges will be increased by ten percent (10%) to compensate for loss of FTE funding. The School Board will deduct this amount from the monthly disbursement made by the School Board to Sarasota Suncoast as shown on the monthly earnings report.

Additionally, Sarasota Suncoast will pay to the School Board a risk management fee of \$1,054.80 on or before September 6, 2011.

4. **FTE.** The School Board will collect all generated FTE for Sarasota Suncoast students who ride during survey weeks. All generated FTE will be credited to Sarasota Suncoast's monthly earnings report.

5. **Communication.** It will be the responsibility of Sarasota Suncoast to designate a transportation liaison. Parents of Sarasota Suncoast students requesting a change in service or transportation information will communicate with Sarasota Suncoast rather than contacting the School Board. Any parent inquiries or concerns regarding transportation services received by the School Board will be forwarded to Sarasota Suncoast. Sarasota Suncoast's liaison will also be responsible for communicating all requests for service, discipline concerns, and other transportation requests or concerns to the School Board's Transportation Department. The School Board will appoint a route supervisor to serve as a liaison with Sarasota Suncoast and to monitor all drivers, routes and students during the school year.

6. **Field Trips.** In addition to daily transportation services, Sarasota Suncoast may submit requests for field trip buses. Buses are available for field trips from 9:30am to 1:00 pm. All field trip buses will be billed directly by the School Board to Sarasota Suncoast on a monthly basis with payment due within fifteen days of billing. The costs for field trips will be \$2.60 per mile plus \$23.25 per driver, minimum 3 hours. Requests for field trip services must be made at least 2 weeks in advance of the event.

7. **Conduct.** Sarasota Suncoast will adopt the School Board's STUDENT CODE OF CONDUCT for the purpose of addressing school bus disciplinary problems. The School Board reserves the right to refuse transportation to any student whose behavior it deems unacceptable.

8. **School Year.** Sarasota Suncoast agrees that opening and closing dates of the school year and school holidays will coincide with other Sarasota County schools.

9. **Opening/Closing Times.** Sarasota Suncoast agrees that opening and closing times will be established by the School Board to provide maximum utilization of school buses.

10. **List of Student Riders.** Sarasota Suncoast will send specific lists of students to be transported, with names and addresses, to the School Board's transportation routing department by July 1, 2011.

11. **Sarasota Suncoast Vehicles Used for Transportation of Students.**

a. Sarasota Suncoast agrees that if it uses vehicles other than those owned by the School Board to transport students to and from school or for any school sponsored activity, those vehicles will meet all federal and state standards for school buses. These requirements

apply regardless of whether the vehicle is owned, operated, rented, leased, or contracted by Sarasota Suncoast. The parties recognize that full size vans do not meet these standards.

b. All vehicles owned by Sarasota Suncoast and used for the transportation of students must be inspected every 28 days by School Board transportation personnel according to state standards prescribed in the Florida Bus Safety Inspection Manual. Transportation personnel will provide a schedule of the inspection dates for the vehicles.

c. Any person operating a vehicle transporting Sarasota Suncoast students on behalf of the school is defined as a school bus driver and must meet all state requirements prior to transporting students. These requirements provide that a driver:

- Must be enrolled in Random drug testing
- Must have 40 hours pre-service qualification
- Must have 8 hours in-service annually
- Possess a current CDL with Passenger, Air Brake and "S" endorsements on file with Transportation
- Have a valid Medical Examiner Certificate
- Provide verification of pre-employment fingerprint screen
- Provide verification of pre-employment drug screen
- Must perform annual dexterity test on school board form
- Must perform emergency evacuations within first six (6) weeks of each semester

d. Prior to the start of school, Sarasota Suncoast must have on file in the School Board Transportation Department the following: (a) a list of vehicles owned by the school and used for student transportation, (b) proof of insurance for all vehicles as required by F.S. 1006.24, (c) copies of valid State of Florida vehicle registration(s) for all vehicles, and (d) a list of drivers employed by Sarasota Suncoast for student transportation.

The School Board will send monthly invoices to Sarasota Suncoast for these miscellaneous charges which shall be due and payable within fifteen days of billing.

**13. Term of Agreement.** The term of this Agreement is from July 1, 2011 through June 30, 2012.
