and
Procedures Manual**

Sarasota County District School Board

and

State College of Florida, Manatee-Sarasota

BLANK

INTRODUCTION

The Dual Enrollment Program is authorized under Florida Statutes 1007.235 and 1007.271. This program is a cooperative effort between **Sarasota County School Board** and **State College of Florida, Manatee-Sarasota**, and is designed to provide accelerated learning mechanisms for qualified high school students on an individual basis. The Florida Legislature has defined a variety of options intended to shorten the time necessary to complete the requirements of a high school diploma, postsecondary certificate or degree and broaden the scope of curricular options available for secondary students.

Through dual enrollment public and home education secondary students may enroll in postsecondary courses creditable toward both high school graduation and a career certificate or an associate or baccalaureate degree. There are **three** curricular avenues for students to participate in dual enrollment: *early college (college credit)*, *career dual enrollment* and *early admission*.

Early college dual enrollment refers to academic or college credit coursework at the postsecondary level that leads to a college credit certificate or degree. Early college dual enrollment is available through community colleges and universities.

Career dual enrollment is a curricular option of *elective* credits toward earning the high school diploma and completing a career-preparatory certificate program and is available through district career centers and community colleges. Career dual enrollment is not intended to enable students to take isolated courses unrelated to a program.

Early Admission is a form of dual enrollment through which eligible secondary students enroll in a postsecondary institution on a full-time basis in courses that are creditable toward the high school diploma and the associate or baccalaureate degree.

The Dual Enrollment [DE], Career Dual Enrollment [CTE-DE] and Early Admission [EA] programs provide for eligible Sarasota County secondary school students to earn high school and college credits simultaneously provided that all statutory, district, and institutional requirements are met. Students in these programs enroll concurrently in Sarasota County high school and State College of Florida, Manatee-Sarasota courses. College-level academic and/or career-technical courses may be offered on either the high school or the college campuses.

Through this formal inter-institutional agreement, the school district accepts college level courses that fulfill high school graduation requirements. After high school graduation, these credits can also be used for degree and certificate programs at SCF and other regionally accredited colleges universities, and technical education centers. Most costs associated with tuition and fees for DE/CTE-DE/EA courses are waived. Sarasota County School Board is responsible for purchasing or providing required textbooks for students enrolled in DE/CTE-DE/EA courses. Students enrolled in these programs can also participate in both the academic and extracurricular student functions of the college and have full library.

The district encourages students to seek opportunities for academic enrichment, and upon completion of DE/CTE-DE/EA courses, the students can submit transcripts from SCF that may be used for other college admissions.

The purpose of this manual is to define the acceleration opportunities available between **Sarasota County School Board** and **State College of Florida, Manatee-Sarasota** [SCF] and to specify the details of the day-to-day operations of College Dual Enrollment (DE), Career Dual Enrollment (CTE-DE) and Early Admission (EA).

**STATE COLLEGE OF FLORIDA, MANATEE-SARASOTA AND
SARASOTA COUNTY SCHOOL BOARD
ARTICULATION AGREEMENT
2009-2010**

The purpose of this agreement is to define the acceleration mechanisms available between Sarasota County School Board and State College of Florida, Manatee-Sarasota and to specify the details of the day-to-day operations of Dual Enrollment/Early Admission programs.

This agreement is pursuant to and in furtherance of the provisions of F.S. 1007.235 and 1007.271.

The term of this agreement shall remain in effect for the 2009-2010 academic year, which includes Fall 2009, Spring 2010, and Summer 2010 terms. An executed and signed letter of intent will constitute annual renewal.

ELIGIBILITY CRITERIA AND ACADEMIC PROCEDURES FOR COLLEGE DUAL ENROLLMENT (DE)

COLLEGE DUAL ENROLLMENT ON THE HIGH SCHOOL CAMPUS [1007.27 (5)F.S.]

Qualifications

Courses are available to Sarasota County district school students, including charter school students, in grades 11 and 12 during the regular school day. Students in grade 10 may enroll in math courses designated by SCSB and SCF administration and recommended by high school guidance personnel.

1. The student must have a minimum unweighted 3.0 cumulative grade point average (GPA). Students must maintain a high school GPA of 3.0 (unweighted) to remain eligible for the College Dual Enrollment and Early Admission Accelerated Programs.
2. The student must achieve an acceptable score on the College Placement Test (CPT), SAT, or ACT **by June 15 for fall 2009 enrollment and December 4 for spring 2010 enrollment**. When appropriate, any student tested after the June and December deadlines will require administrative approval from the school principal or his or her designee and an appropriate SCF representative.
3. CPT Retake Policy—It is the policy of SCF that students may take the CPT only one time for a term. A “term” is defined as the fall, spring or summer term per the college’s official calendar. The qualifying test scores are:

College Level English:

- ACT: 17+
- CPT: 83+
- FCAT: Level 4 or 5 (355+)
- SAT: 440+ on Verbal/Critical Reading

College Level Math*

- ACT: 20+
- CPT: 29+
- FCAT: Level 5 (375+)
- SAT: 510+

**If a student receives a higher math score than the minimum requirements, he or she may be eligible to take advanced math courses.*

College Level Reading* *Scores are necessary to determine if a student is reading at or above college level. (Required for all courses excluding English and Math)*

- ACT: 18+
- CPT: 83+
- FCAT: Level 4 or 5 (355+)
- SAT: 440+ on Verbal/Critical Reading

4. Test scores are valid for 2 years from the date of testing.
5. The student must submit an application for admission to SCF.
6. The student must be enrolled in at least 1 course at the high school.
7. The student must satisfy any course prerequisites as required by the current SCF catalog.

***For students enrolling in upper level math and reading courses, there are different scores required. Please refer to Appendix A for more specific score eligibility requirements.**

Academic Impact

The dual enrollment student receives both high school and college credit upon successful completion of the course(s). For the high school academic record, DE courses are weighted the same as IB, AP and Honors courses. **Since college credit is awarded, this grade will remain a part of the college *academic transcript as well as the high school academic transcript.***

Costs

Students enrolled in the **Dual Enrollment [DE], Career Dual Enrollment [CTE-DE] and Early Admission [EA] Programs** are exempt from the payment of access fees, lab fees, and required textbooks. Students will be responsible for paying for all supplemental and/or recommended materials in each of these programs.

Student Responsibilities

During program planning, the student is expected to meet with his or her guidance counselor regarding the availability of DE classes at the school site. Under the supervision of the guidance counselor, the student will complete and submit an application (***Application for Dual Enrollment & Early Admission***) for admission to SCF. The student will obtain a parent/guardian signature on the DE/EA Approval Form. **All dual enrollment applications and approval forms must be submitted to SCF by published deadlines.**

Counselor Responsibilities

During program planning, the guidance counselor will assist the student in making course selections and verify the student's eligibility status. The student must complete and submit an ***Application for Dual Enrollment & Early Admission*** and schedule an appointment to take the College Placement Test (CPT) at SCF Assessment and Testing Center.

Instructor Responsibilities

Instructors are responsible for completing and forwarding enrollment and withdrawal paperwork by the prescribed deadlines

ELIGIBILITY CRITERIA AND ACADEMIC PROCEDURES FOR COLLEGE DUAL ENROLLMENT (DE)

COLLEGE DUAL ENROLLMENT ON THE SCF CAMPUS [1007.27 (5) F.S.]

Qualifications

In the case where approved courses are not available on the high school campus, students enrolled in Sarasota County district schools, including charter schools, in grades 11 and 12 and/or registered as a Sarasota County Home School student may attend SCF.

1. The student must have a minimum unweighted 3.0 cumulative grade point average (GPA). Students must maintain a high school GPA of 3.0 (unweighted) to remain eligible for the College Dual Enrollment and Early Admission Accelerated Programs.
2. The student must achieve an acceptable score on the College Placement Test (CPT), SAT, or ACT **by June 15 for fall 2009 enrollment and December 4 for spring 2010 enrollment**. When appropriate, any student tested after the June and December deadlines will require administrative approval from the school principal or his or her designee and an appropriate SCF representative.
3. **CPT Retake Policy—It is the policy of SCF that students may take the CPT only one time for a term. A “term” is defined as the fall, spring or summer term per the college’s official calendar.** The qualifying test scores are:

College Level English:

- ACT: 17+
- CPT: 83+
- FCAT: Level 4 or 5 (355+)
- SAT: 440+ on Verbal/Critical Reading

College Level Math*

- ACT: 20+
- CPT: 29+
- FCAT: Level 5 (375+)
- SAT: 510+

**If a student receives a higher math score than the minimum requirements, he or she may be eligible to take advanced math courses.*

College Level Reading* Scores are necessary to determine if a student is reading at or above college level. (Required for all courses excluding English and Math)

- ACT: 18+
- CPT: 83+
- FCAT: Level 4 or 5 (355+)
- SAT: 440+ on Verbal/Critical Reading

4. Test scores are valid for valid for 2 years from the date of testing.
5. The student must submit an application for admission to the SCF.
6. The student must be enrolled in at least 1 course at the high school.
7. The student must satisfy any course prerequisites as required by the current SCF catalog.

***For students enrolling in upper level math and reading courses, there are different scores required. Please refer to Appendix A for more specific score eligibility requirements.**

Academic Impact

The dual enrollment student receives both high school and college credit upon successful completion of the course(s). For the high school academic record, DE courses are weighted the same as IB, AP and Honors courses. **Since college credit is awarded, this grade will remain a part of the college *academic transcript as well as the high school academic transcript.***

Costs

Sarasota public school (including charter school) students enrolled in the DE/EA Programs are exempt from the payment of access fees, lab fees, and required textbooks. Students will be responsible for paying for all supplemental and/or recommended materials in each of these programs.

Home school students are responsible for payment of all lab fees and required textbooks.

Student Responsibilities

During program planning, the student is expected to meet with his or her guidance counselor regarding the availability of DE classes at the school site. Under the supervision of the guidance counselor, the student will complete and submit an application (***Application for Dual Enrollment & Early Admission***) for admission to SCF. The student must research the availability of courses at the SCF as well as complete and submit the high school Dual Enrollment Approval Form signed by a parent/guardian. **All paperwork must be submitted to SCF according to their designated deadlines.** The students must also submit their SCF schedule to their high school guidance counselor in order to obtain a book voucher. The student must return all books to the high school guidance counselor at the end of the semester that the course is completed. Books are expected to be returned 10 days after the semester ends. Students are also required to follow the drop/add, and grading policies of SCF. **Students must also request a copy of their SCF transcript to be sent to the high school. Dual Enrollment students must notify their high school counselor upon dropping a course.**

Counselor Responsibilities

During program planning, the guidance counselor will assist the student in making course selections and verify the student's eligibility status. The student must complete and submit an ***Application for Dual Enrollment & Early Admission*** and schedule an appointment to take the College Placement Test (CPT) at SCF Assessment and Testing Center.

Instructor Responsibilities

Instructors are responsible for completing and forwarding of enrollment and withdrawal paperwork by the prescribed deadlines.

EARLY ADMISSION TO COLLEGE

Qualifications

The Early Admission Program is a form of dual enrollment through which eligible public school students in grade 11 and 12 or registered home school secondary students enroll at SCF on a full-time basis. Early Admission students are advised to enroll in 12-15 credit hours per semester, and some courses may not be eligible for dual enrollment.

1. The student must have a minimal unweighted grade point average (GPA) of 3.0, is socially mature, and the high school principal must provide written authorization for eligibility into this program. Students must maintain a high school GPA of 3.0 (unweighted) to remain eligible for the College Dual Enrollment and Early Admission Accelerated Programs.
2. The student must achieve an acceptable score on the College Placement Test (CPT), SAT, or ACT **by June 15 for fall 2009 enrollment and December 4 for spring 2010**. When appropriate, any student tested after the June and December deadlines will require administrative approval from the school principal or his or her designee and an appropriate SCF representative.
3. **CPT Retake Policy—It is the policy of SCF that students may take the CPT only one time for a term. A “term” is defined as the fall, spring or summer term per the college’s official calendar.** The qualifying test scores are:

College Level English:

- ACT: 17+
- CPT: 83+
- FCAT: Level 4 or 5 (355+)
- SAT: 440+ on Verbal/Critical Reading

College Level Math*

- ACT: 20+
- CPT: 29+
- FCAT: Level 5 (375+)
- SAT: 510+

**If a student receives a higher math score than the minimum requirements, he or she may be eligible to take advanced math courses.*

College Level Reading**Scores are necessary to determine if a student is reading at or above college level. (Required for all courses excluding English and Math)*

- ACT: 18+
- CPT: 83+
- FCAT: Level 4 or 5 (355+)
- SAT: 440+ on Verbal/Critical Reading

4. Test scores are valid for 2 years from the date of testing.
5. These students must have completed six semesters of high school credit, a minimum of eighteen (18) credits, including studies undertaken in the ninth grade, *enroll in courses that meet the requirements for an associate degree*, and when necessary, students must also enroll in DE courses that also meet high school graduation.
6. The student must submit an application for admission to SCF.
7. The student must satisfy any course prerequisites as required by the current SCF catalog

Academic Impact

The early admission student enrolls full-time as an SCF college student and receives both college and high school credit upon successful completion of the course(s). The student must include in the college schedule courses that will meet the requirements for high school graduation. Students must satisfy any course prerequisites as required by the current SCF catalog. A high school diploma will be awarded to an Early Admission student after his or her successful completion (2.0 GPA) of a full-time freshman year at SCF. Early admission students must meet all state and district course graduation requirements in order to be awarded a high school diploma from the Sarasota School District.

Costs

Students enrolled in the Early Admissions/DE Program are exempt from the payment of access fees, lab fees, and required textbooks. Students will be responsible for paying for all supplemental and/or recommended materials in each of these programs. Home school students are responsible for payment of all lab fees and required textbooks.

Procedures

During program planning in the spring of the student's junior year, the student must meet with his or her high school guidance counselor regarding the student's eligibility for Early Admission to SCF. The student must submit an application for Early Admission, high school transcript, parent authorization, at least 30 working days prior to the start of classes for the desired term of entrance. **All dual enrollment applications and approval forms must be submitted to SCF by published deadlines.**

Student Responsibilities

The students must obtain written permission from the high school counselor and/or high school principal. The student must meet the test score requirements on the CPT, SAT, or ACT and the student must be accepted for admission by SCF. The student must request and submit the college transcript to his or her high school guidance counselor at the conclusion of each semester. Test scores are valid for 2 years from the date of testing. The student must return textbooks to the high school counselor no later than ten (10) days after the last day of class. Students are required to follow the drop/add and grading policies of SCF. Students are required to notify the high school guidance counselor of any course withdrawal and provide a copy of the SCF-Sarasota County School Board withdrawal form. **Students must also request and submit a copy of the SCF transcript to the high school.**

Counselor Responsibilities

During program planning, the guidance counselor will assist the student with making course selections and verify the student's eligibility status. The guidance counselor will retain all written documentation that verifies the student's DE/Early_Admission status and give a copy of written documentation to the student.

Special Notes on Dual Enrollment, CTE-Dual Enrollment and Early Admissions Registration Procedures:

1. Eligible High school students will be permitted to enroll in dual enrollment courses for a maximum of six (6) terms, which includes two (2) summer terms. Students are allowed to take two courses during the summer terms. Students entering the 11th and 12th grades will be able to register for core level DE courses during the summer terms. **Students in grade 10 will be permitted to take math courses on the high school campus designated by SCSB and SCF administration and recommended by high school guidance personnel.**
2. Students who fail to notify the school guidance counselor and SCF Educational Records office of course registration will be voided from classes for non-payment. In addition, **any schedule changes must be approved by the high school guidance counselor** and/or dual enrollment liaison and reported to an SCF Educational Records office in order to avoid being voided from selected courses.
 - a. **NOTE:** *In some cases, students who are voided for non-payment may be assessed special fees for re-instatement.*
3. Students must earn a “C” or better in each college course taken in the Dual Enrollment Program. **Students who earn less than a “C” in a dual enrollment course will not be eligible to participate in dual enrollment the following semester. After one (1) semester, students may once again participate in the program with their high school approval.** This academic policy applies to all dual enrollment courses; both at the high school and SCF. Students who withdraw or are withdrawn from SCF must notify the high school guidance counselor and/or obtain the necessary withdrawal forms.
4. Students are required to complete a new dual enrollment approval form **each semester** they wish to take courses.
5. Students are permitted to enroll in dual enrollment courses offered before, during or after school hours and during summer terms.
6. Students may be classified as both a Dual Enrollment and College Enrichment student in the same semester.
7. **Not all college courses offered by State College of Florida, Manatee-Sarasota are available through dual enrollment. Restrictions include, but are not limited to:**
 - a. The Dual Enrollment Course Equivalency Listing identifies the approved list of DE courses. This listing is updated annually on www.facts.org and can be viewed in Appendix B and the current academic articulation agreement between SCF and Sarasota County School Board.
 - b. Remedial level and enrichment courses (**courses not specified on the Dual Enrollment list provided annually on FACTS.org**) are not available for dual enrollment.
 - c. Certain nursing and health science courses due to age restrictions.
8. Academic credit for DE, CTE-DE and EA may vary based on the time and competency requirements of the course. Refer to **Appendix C** for further explanation and examples of credit equivalence for high school and community college credit.

ELIGIBILITY FOR CAREER DUAL ENROLLMENT (CTE-DE)

CAREER DUAL ENROLLMENT ON THE HIGH SCHOOL CAMPUS [1007.27 F.S.]

Qualifications

Courses are available to students in grades 11 and 12 (10 under special circumstances) during the regular school day.

1. The student must have a minimum unweighted 2.0 cumulative grade point average (GPA) and must maintain a high school GPA of 2.0 (unweighted) to remain eligible for the Career and Technical Education Dual Enrollment Accelerated Programs.
2. The student must achieve an acceptable score on the College Placement Test (CPT), SAT, or ACT **by June 15 for fall 2009 enrollment and December 4 for spring 2010 enrollment**. When appropriate, any student tested after the June and December deadlines will require administrative approval from the school principal or his or her designee and an appropriate SCF representative.
3. **CPT Retake Policy—It is the policy of SCF that students may take the CPT only one time for a term. A “term” is defined as the fall, spring or summer term per the college’s official calendar.** The qualifying test scores are:

College Level English:

- CPT: 83+
- ACT: 17+
- SAT: 440+ on Verbal/Critical Reading AMPUS [1007.27 (5) F.S.]

College Level Math*

- CPT: 29+
- ACT: 20+
- SAT: 510+

**If a student receives a higher math score than the minimum requirements, he or she may be eligible to take advanced math courses.*

College Level Reading* Scores are necessary to determine if a student is reading at or above college level. (**Required for all courses excluding English and Math**)

- CPT: 83+
- ACT: 18+
- SAT: 440+ on Verbal/Critical Reading

3. Test scores are valid for 2 years from the date of testing.
4. The student must submit an application for admission to SCF.
5. The student must be enrolled in at least 1 course at the high school.
6. The student must satisfy any course prerequisites as required by the current SCF catalog.

***For students enrolling in upper level math and reading courses, there are different scores required. Please refer to Appendix A for more specific score eligibility requirements.**

Academic Impact

The dual enrollment student receives both high school and college credit. For the high school academic record, DE-CTE courses are weighted the same as IB, AP and Honors courses. **Since college credit is awarded, this grade will remain a part of the college *academic transcript* as well as the high school *academic transcript***

Costs

Students enrolled in the DE-CTE Programs are exempt from the payment of access fees, lab fees, and required textbooks. Students will be responsible for paying for all supplemental and/or recommended materials in each of these programs.

Student Responsibilities

During program planning, the student is expected to meet with his or her guidance counselor regarding the availability of DE-CTE classes at the school site. Under the supervision of the guidance counselor, the student will complete and submit an application (***Application for Dual Enrollment & Early Admission***) for admission to SCF. The student will obtain a parent/guardian signature on the DE-CTE Approval Form. **All dual enrollment applications and approval forms must be submitted to SCF by published deadlines.** **Students must also request a copy of their SCF transcript to be sent to the high school.**

Counselor Responsibilities

During program planning, the guidance counselor will assist the student in making course selections and verify the student's eligibility status. The student must complete and submit an ***Application for Dual Enrollment & Early Admission*** and schedule an appointment to take the College Placement Test (CPT) at a SCF Assessment and Testing Center.

Instructor Responsibilities

Instructors are responsible for completing and forwarding enrollment and withdrawal paperwork by the prescribed deadlines.

CAREER DUAL ENROLLMENT ON THE SCF CAMPUS [1007.27 F.S.]

Qualifications

In the case where approved courses are not available on the high school campus, students enrolled in Sarasota County district schools and/or registered as a Sarasota County Home School student may attend SCF.

1. The student must have a minimum unweighted 2.0 cumulative grade point average (GPA).
2. The student must achieve an acceptable score on the College Placement Test (CPT), SAT, or ACT **by June 15 for fall 2009 enrollment and December 4 for spring 2010 enrollment**. When appropriate, any student tested after the June and December deadlines will require administrative approval from the school principal or his or her designee and an appropriate SCF representative.
3. **CPT Retake Policy—It is the policy of SCF that students may take the CPT only one time for a term. A “term” is defined as the fall, spring or summer term per the college’s official calendar.** The qualifying test scores are:

College Level English:

- ACT: 17+
- CPT: 83+
- FCAT: Level 4 or 5 (355+)
- SAT: 440+ on Verbal/Critical Reading

College Level Math*

- ACT: 20+
- CPT: 29+
- FCAT: Level 5 (375+)
- SAT: 510+

**If a student receives a higher math score than the minimum requirements, he or she may be eligible to take advanced math courses.*

College Level Reading*

- *These scores are necessary to determine if a student is reading at or above college level. (Required for all courses excluding English and Math)*
 - ACT: 18+
 - CPT: 83+
 - FCAT: Level 4 or 5 (355+)
 - SAT: 440+ on Verbal/Critical Reading
3. Test scores are valid for valid for 2 years from the date of testing.
 4. The student must submit an application for admission to the post secondary institution.
 5. The student must be enrolled in at least 1 course at the high school.
 6. The student must satisfy any course prerequisites as required by the current SCF catalog.

***For students enrolling in upper level math and reading courses, there are different scores required. Please refer to Appendix A for more specific score eligibility requirements.**

Academic Impact

The dual enrollment student receives both high school and college credit. For the high school academic record, DE-CTE courses are weighted the same as IB, AP and Honors courses. **Since college credit is awarded, this grade will remain a part of the college *academic transcript as well as the high school academic transcript.***

Costs

Sarasota public school (including charter school) students enrolled in the DE/EA Programs are exempt from the payment of access fees, lab fees, and required textbooks. Students will be responsible for paying for all supplemental and/or recommended materials in each of these programs. Home school students may request a waiver of costs of lab fees and required textbooks directly from SCF.

Student Responsibilities

During program planning, the student is expected to meet with his or her guidance counselor regarding the availability of DE classes at the school site. Under the supervision of the guidance counselor, the student will complete and submit an application (***Application for Dual Enrollment & Early Admission***) for admission to SCF. The student must research the availability of courses at the post secondary school as well as complete and submit the high school Dual Enrollment Approval Form signed by a parent/guardian. **All paperwork must be submitted to SCF according to their designated deadlines.** The students must also submit their SCF schedule to their high school counselor in order to obtain a book voucher. The student must return all books to the high school guidance counselor at the end of the semester that the course is completed. Books are expected to be returned 10 days after the semester ends. Students are also required to follow the drop/add, and grading policies of SCF.

Counselor Responsibilities

During program planning, the guidance counselor will assist the student in making course selections and verify the student's eligibility status. The student must complete and submit an ***Application for Dual Enrollment & Early Admission*** and schedule an appointment to take the College Placement Test (CPT) at the SCF Assessment and Testing Center.

Instructor Responsibilities

Instructors are responsible for completing and forwarding of enrollment and withdrawal paperwork by the prescribed deadlines.

ACADEMIC PROCEDURES

COLLEGE ENRICHMENT [1007.27 (5) F.S.]

Qualifications

College Enrichment is designed to provide an opportunity for qualified high school students to enroll in college level courses to add depth to their high school academic program. Students who enroll in College Enrichment courses will be classified as a “non degree seeking student” by SCF. Secondary students who wish to take college enrichment courses must meet the prerequisites required by SCF and complete the necessary application and forms.

Academic Impact

Credits earned may be applicable to an associate degree, but they will not be creditable toward a high school diploma; credits will not be added to the high school transcript.

Costs

The student is responsible for the payment of all fees, including textbooks and supplemental and/or recommended materials.

Student Responsibilities

The student must complete a college application and a College Enrichment Form; both these documents can be obtained from the student’s guidance counselor. The student must achieve the required score on the CPT, SAT, or ACT. The student is responsible for the payment of all fees and the purchase textbooks. **The application fee is not waived. If required, the student is responsible for submitting a high school transcript to SCF.**

Counselor Responsibilities

The counselor will provide the student with the necessary forms to enroll in College Enrichment courses at SCF.

STUDENT INFORMATION

Instructional Materials for Acceleration and Enrichment Students

Materials from dual enrollment courses will be available from either the SCF Bradenton or SCF Venice Bookstore. The School Board of Sarasota County, Florida is responsible for costs associated with required textbooks. Receipt for the required instructional materials must be submitted to the Sarasota County School Board, Department of Instructional Media Services, 101 Old Venice Road, Osprey, Florida 34229. Home school students are responsible for payment of all lab fees and required instructional materials.

All instructional materials (except those purchased by home school students) are the property of the School Board of Sarasota County, Florida and will be retrieved and accounted for at the year's end. Books shall be returned to the student's high school guidance department for return to the district instructional materials office and inventory. Monies due for loss or damage should be collected from students in the same manner as other instructional materials used in regular programs.

Campus Resources

Acceleration and Enrichment students are entitled and encouraged to use SCF resources including libraries, computer labs, and tutorial labs.

Parking Decals

Dual Enrollment and Early Admissions students are issued one parking decal per academic year free of charge. All students must go to the Security Office with a schedule bill in order to obtain their parking decal. Any fees accrued on campus due to parking violations are the responsibility of the student.

SCF Student I.D.

All Acceleration and Enrichment students may obtain an SCF Student I.D. with a paid receipt and another form of photo identification at the Security Office. This SCF Student I.D. will also act as a library card for the student.

Acceleration Academic Policy

Students must earn a "C" or better in each college course taken in the Dual Enrollment Program. **Students who earn less than a "C" in a dual enrollment course will not be eligible to participate in dual enrollment the following semester. After one (1) semester, students may once again participate in the program with their high school approval.** This academic policy applies to all dual enrollment courses; both at the high school and SCF.

Note: Students may take courses for College Enrichment during this time.

Maximum Course Load and Enrollment Policy

Dual enrollment students will be permitted to take courses counting for high school credit as part of the dual enrollment program. Courses should not exceed the number of credits allowable by the school district (32 in a block scheduled school) **except for those students pursuing Early Admission courses in addition to courses counting toward both high school and college credit.**

The maximum course load for dual enrollment students will be limited to two (2) SCF Campus-based courses per term (courses with accompanying labs are counted as one course) per semester or less as part of the Dual Enrollment Program in each full fall and spring term, and not to exceed two courses in the summer term.

Students will be permitted to enroll in dual enrollment through SCF Campus-based courses for a maximum of six (6) terms; including two summer terms. Students may take additional courses each semester by taking college enrichment courses. Students enrolling in college enrichment courses are responsible for all college-related costs, which include tuition, fees, and textbooks. Early Admission students are advised to enroll in 12-15 credit hours per semester. Students may continue with Dual Enrollment after meeting the graduation requirements (28 credits) for a high school diploma, provided that they do not exceed the equivalent of 32 high school credits.

Withdrawal Policy

A student may withdraw from any course without the academic penalty of a “WF” grade by the withdrawal deadline as listed in the State College of Florida, Manatee-Sarasota Academic Calendar for courses taken at a SCF campus. For courses onsite at the high school a student must speak to a high school guidance counselor for withdrawal deadline. A student in a short-term course may withdraw without the academic penalty of a “WF” grade anytime before the withdrawal deadline specific for the course. When a “WF” is entered, it is recorded in the student’s permanent record and calculated as an “F” in the grade point average [GPA]. SCF encourages students to discuss withdrawal with the instructor or SCF Advisor prior to withdrawing.

Withdrawals occurring after the established deadline will be granted only if a student demonstrates major verifiable extenuating circumstances clearly beyond the student’s control. All such requests must be made directly to the Campus Provost, who have the final approval/disapproval authority. In such approved cases, the “WF” would be changed to a “W” grade, with no GPA consequences.

It is the responsibility of the student to initiate the withdrawal procedure, complete the form and survey, and return it to the Advising Center. A Petition for Withdrawal Form is available in the Advising Center. **Failure to follow this procedure could result in a grade of “WF” being recorded for the student and “F” calculated in the grade point average [GPA].** This policy applies to all part- and full-time degree credit and college preparatory credit students.

Students are required to notify the high school guidance counselor of any course withdrawal and provide a copy of the SCF-Sarasota County School Board withdrawal form.

Repeat Policy

In accordance with the SCF forgiveness policy, students may repeat a course, up to a maximum of two repeat attempts per course, in which the student earned a grade of “D” or “F,” provided an associate in arts degree has not yet been awarded. The grade point average will be adjusted on

the SCF transcript so that only the last attempt at the repeated course will be included in the grade point average. However, if a student transfers to another institution, public or private, it is the responsibility of the student to learn what the receiving institution's policy is regarding acceptance of "forgiven" courses in the computation of the student's grade point average.

Students will be responsible for fees for the third attempt.

NOTE: Students who receive a "C" in a Dual Enrollment course are not permitted to retake the course. An appeal to repeat a course in which a grade of C or higher has been earned may be considered when documented extenuating conditions beyond the students control prevail [e.g., illness, death in family, accident]. This appeal is initiated with the School Administrator and forwarded to the college's Vice-President for Academic Quality and Success.

Grading Policy

Grades earned while a student is in Acceleration and Enrichment program will become part of the student's permanent college and high school transcript, GPA, and class rank. Students must maintain a 3.0 unweighted GPA in DE or a 2.0 unweighted GPA in CTE-DE in order to remain eligible for the Dual Enrollment/CTE-Dual Enrollment/Early Admissions Programs. SCF does not send grade reports to students or high schools. **Students are responsible for submitting their grades to their high schools.**

Transcripts

Students may request an official transcript from the SCF Educational Records Office for a **\$7.00** fee. Students may print out their unofficial transcript from the SCF website. **Students are responsible for sending their grades and transcripts to their schools**

Important Notice

- Students taking dual enrollment courses are subject to the rules and regulations of State College of Florida, Manatee-Sarasota as established in the SCF Catalog and the Student Handbook Planner.
- While in college courses, students are subjected to a learning environment that promotes an open exchange of ideas. Course content is presented on an adult level, and class discussions require a mature understanding of divergent viewpoints and the ability to think critically on controversial issues.
- Dual enrollment students who receive a failing grade may have difficulty in meeting future admission requirements at colleges and universities, including financial aid and scholarship opportunities.

FACULTY CERTIFICATION

State College of Florida, Manatee-Sarasota Board of Trustees Rule number 2.09.01 states that to be certified, faculty must satisfy minimum certification requirements as specified by SACS. Verification that those requirements have been met shall be through the faculty member's transcripts of graduate and undergraduate credits. The appropriate Department Chair will complete the State College of Florida, Manatee-Sarasota **Faculty Certification** form and submit it to the appropriate Campus Provost for approval. Subsequent to approval by the Vice President for Academic Quality and Success, the certification document is submitted to the SCF Office of Human Resources for placement in the faculty member's personnel file. Additional information on the faculty certification is available on the SCF website at www.scf.edu.

State College of Florida, Manatee-Sarasota employs competent faculty members qualified to accomplish the mission and goals of the institution. When considering acceptable qualifications of its faculty, State College of Florida, Manatee-Sarasota gives primary consideration to the highest degree earned according to the guidelines listed below:

- a. Faculty teaching general education courses: a doctoral or a master's degree in the teaching discipline or a master's degree with a concentration in the teaching discipline (a minimum of 18 graduate hours in the teaching discipline).
- b. Faculty teaching associate degree courses designed for transfer to a baccalaureate degree (these are designated A.A. courses at SCF): a doctoral or a master's degree in the teaching discipline or a master's degree with a concentration in the teaching discipline (a minimum of 18 graduate hours in the teaching discipline).
- c. Faculty teaching associate degree courses not designed for transfer to the baccalaureate degree (these are designated A.A.S. or A.S. courses at SCF): a baccalaureate degree in the teaching discipline, or an associate degree and demonstrated competencies in the teaching discipline.

State College of Florida, Manatee-Sarasota also considers competence, effectiveness, and capacity, including as appropriate, undergraduate and graduate degrees, related work experiences in the fields, professional licensure and certifications, honors and awards, continuous documented excellence in teaching, or other demonstrated competencies and achievement that contribute to effective teaching and student learning outcomes.

The College maintains its most current listing of appropriate credentials for each specific discipline at the following website: <http://www.scf.edu/pages/1706.asp>.

CLASSROOM MANAGEMENT

In all matters of classroom management, Dual Enrollment Faculty should direct questions and concerns to the respective Department Chair of State College of Florida, Manatee-Sarasota. The two academic divisions are Arts and Letters & Social and Behavioral Sciences; and Mathematics, Science, Technology, Business and Health and Physical Education. In addition, detailed information on policies and practices may be found in the on-line Adjunct Faculty Handbook at <http://www.scf.edu/pages/237.asp>.

All Sarasota County district schools (including charter schools) and registered home school students who participate in DE/ EA courses are subject to the College Student Code of Conduct as well as the classroom management, academic, and attendance policies and procedures of SCF.

Syllabi, Handouts and Exams

All Dual Enrollment instructors are required to provide their students with a course syllabus. At a minimum, this syllabus should follow the requirements of the approved syllabus template. The approved syllabus template is included in the Adjunct Faculty Handbook and more specifically at: <http://www.scf.edu/pages/1546.asp>.

The SCF Department Chair will furnish specifics regarding the above requirements. A copy of the syllabus must be submitted to the SCF Department Chair during the first two weeks of class. Upon request, instructors are required to submit representative handouts and all exams to the SCF Department Chair throughout the term.

Attendance Policy

Punctual and regular class attendance is expected of all students. Any class session missed, regardless of cause, reduces the opportunity for learning and often adversely affects the grade a student achieves in a course. Dual Enrollment students are subject to all state and public school rules and regulations regarding attendance.

Academic Misconduct

Should any instance of academic misconduct arise, it is strongly suggested that the instructor confer with the Department Chair on the proper manner in which to proceed. Additional information on the student code of conduct can be found in the current SCF Catalog at <http://www.scf.edu> and the Student Handbook/Planner.

Plagiarism Policy

Plagiarism is defined as the use of ideas, facts, opinions, illustrative material, data, direct or indirect wording of another scholar and/or writer-professional or student-without giving proper credit. If a student is found guilty of plagiarism, he/she will receive a zero ("0") for the assignment and an "F" for the course.

Copyright Law

Faculties are expected to abide by the copyright laws. Guidelines regarding the current laws, especially as they relate to photocopying, videotaping and computer software are available in the Adjunct Faculty Handbook at <http://www.scf.edu/pages/237.asp>.

Student Rights

A student may file a grievance through due process. Procedures for such due process are on file in the Division Office. These procedures provide all students of SCF with an orderly process for resolving complaints arising from the interpretation and applications of policies and practice involving academic and student affairs.

Statement of Nondiscrimination

State College of Florida, Manatee-Sarasota is an equal opportunity and access institution and does not discriminate on the basis of race, color, religion, national origin, gender, sexual orientation, disability, age, marital or veteran status in any of its educational programs, services or activities, including admission and employment.

Disabled individuals requiring accommodations, modifications or encountering physical barriers in the limited number of older inaccessible facilities should contact the disability resource center (DRC) at (941) 752-5295 or (941) 408-1300, ext. 65295, for information, assistance or services.

Final Exams

Faculty are required to retain final exams for one (1) full academic semester to address any student concerns, which may arise over the final grade awarded. Any faculty member permanently leaving the immediate vicinity prior to the expiration of this six-month period must make arrangements to deliver the final exams to the SCF Department Chair.

Instructor Evaluation

The SCF Department Chair or designee will evaluate all Dual Enrollment faculties. This evaluation will involve a classroom visitation. In addition, all Dual Enrollment faculties will be asked to have their students complete an evaluation form during the latter part of the semester. Complete instructions will be given at that time.

Grading Policy

A student completing a Dual Enrollment class receives two grades, one for the high school credits earned and a second for the college credits. Grades assigned for the high school credits will be awarded according to the Sarasota County School Board grading policy. The grade earned for the college credits will be awarded according to the SCF grading system. Additional grading policy information can be found in the current SCF Catalog located on the SCF website at <http://www.scf.edu>.

Final Grades

- Final grades will be submitted electronically to SCF in accordance with the SCF Academic Calendar. The on-line Faculty handbook provides additional information on electronic grade entry.
- Students taking dual enrollment courses on the SCF campus must request a transcript from the SCF Educational Records Office and pay the appropriate fee. **The student is responsible for insuring that the high school registrar has a certified copy of the transcript or SCF grade report.** Otherwise, the high school student will not receive credit for the SCF course at the high school.
- State College of Florida, Manatee-Sarasota conforms to the Family Educational Rights and Privacy Act of 1974 (FERPA). **No student grades are posted in any public manner; no grades are provided by telephone. Students obtain their grades by conferring in person with their instructors or by accessing them online via SCF Connect.**
- Final grades for high school credit will be awarded on high school report cards and academic transcripts.

Dual Enrollment Course Recommendations

The SCF Director of Career and Technical Education and the SCF Coordinator of Outreach and Early College or designee will confer with Sarasota District's Director of Curriculum and Instruction, Director of Career and Technical Education, or/and Student Service's Guidance Program Specialist to identify Dual Enrollment courses to be offered on Sarasota District high school campuses. A dual enrollment course equivalency listing can be found at www.facts.org and in Appendix A.

Instructional Materials

According to the Dual Enrollment Articulation Agreement, the selection of texts and associated instructional materials (e.g., graphing calculators and software) is approved by the SCF Department Chair with input from the faculty members teaching the course. Every effort will be made to continue the use of instructional materials in inventory. **SCSB will follow the state adoption cycle of updating textbooks every 6 years.** All personnel will work to meet calendar needs requested by the Instructional Materials Services Manager.

Instructional Materials Procedures for Students Taking Dual Enrollment Courses at the High School Site

Instructional materials will be provided by the high school. **All instructional materials are the property of the School Board of Sarasota County and will be retrieved and accounted for at the year's end.** Monies due for loss or damage should be collected from students in the same manner as other instructional materials used in regular programs.

REQUESTS FOR DUAL ENROLLMENT COURSES ON THE HIGH SCHOOL SITE

All dual enrollment courses to be offered at the high school site must be approved by Sarasota County School District's Director of Curriculum and the school principal or his/her designee. Dual enrollment courses at the high school site are selected on the basis of the following criteria:

- Appropriateness of the course for transfer credit or degree programs.
- General education subjects which serve in the best interest of the student.

Requests for dual enrollment courses to be offered at the high school site must be submitted from the [dual enrollment site coordinator to the appropriate Superintendent's designee and Executive Director of High Schools](#).

Dates of initiation and length of courses offered through the Inter-institutional Articulation Agreement shall conform to the calendar of SCF and the high school must maintain the minimum number of contact hours required for college credit in specific courses.

ADMINISTRATIVE POLICIES AND PROCEDURES

Assurance of Transfer and Credit Policies

Associate in Arts (A.A.) and Associate in Science (A.S.) credits received upon satisfactory completion of college courses offered through this agreement shall be transferable in the State of Florida as described in Rule 6A-10.024, FAC. [Articulation between Universities, Community Colleges and School Districts] Associate in Applied Science (A.A.S.) credits are not included in this rule and are not intended for transfer in the State University System.

Tech Prep

Tech Prep is a term used by Federal, State, and Local education to describe activities that are carried on by local consortia which exist for the purpose of promoting the transition from high school career and technical education to post-secondary technical degrees and certificates. The Suncoast Consortium consists of State College of Florida, Manatee-Sarasota, Manatee County Schools, and Sarasota County Schools. This organization, supported by the Tech Prep—Carl D. Perkins grant carries on the activities of Tech Prep. These activities include yearly grant writing, creation of promotional materials, in-class presentations, staff development, parent presentations, committee assignments, articulation agreements, and any other activity that promotes the cause of Tech Prep.

Students who complete a Tech Prep Pathway (three or more credits in a given CTE program) have the opportunity to receive college or technical school credit. The students must choose to continue in the same area of study at the post-secondary level in order to receive credit through articulation agreements with partner post-secondary schools. All Tech Prep Pathways are based on the course progression given by the Department of Education; the articulation agreements support more than 150 programs of study in the consortium. Pathways consist of at least three consecutive classes in a program area that connect to related post-secondary program.

Assurance of High School Credit

Upon satisfactory completion of dual enrollment courses, students will be awarded high school credit. Credit will be noted on high school transcript as well as official SCF transcript.

Procedure To Inform Students And Parents

Sarasota County School Board will provide eligible students with an informational document describing the educational benefits and eligibility requirements for Acceleration and Enrichment programs. In a cooperative effort, SCF Student Development Advisors will be available to assist in providing information and answering specific questions.

Excess Hours and Acceleration Mechanisms

All eleven of the state's public universities agree that credit hours earned through accelerated programs such as Advanced Placement, Dual Enrollment or College Level Examination Programs, that do not contribute toward the completion of a student's degree, will not be counted for excess hours purposes.

Relationship of Responsibilities

Due to the parallel nature of dual enrollment and early admission course offerings, administrative and procedural responsibilities must be shared between SCSB and SCF. Students must adhere to registration, attendance, and withdrawal policies as determined by SCSB and State College of Florida, Manatee-Sarasota.

INTER-INSTITUTIONAL GOALS FOR 2009-2010
--

Teacher Preparation

State College of Florida and the School Board of Manatee County will address the teacher critical shortage and improve the preparation of elementary, middle, and high school teachers by working together to offer the following pre-service and in-service Teacher Preparation Program activities through the SCF Educator Preparation Institute (EPI):

- 1.) professional development opportunities to assist teachers and alternative certification candidates in improving classroom instruction and in meeting certification requirements
- 2.) instruction to assist potential and existing substitute teachers in performing their duties
- 3.) instruction to assist paraprofessionals in meeting education and training requirements
- 4.) instruction and field experiences for baccalaureate degree holders to become certified teachers through competency-based alternative certification programs

Increase in enrollment of underrepresented populations

1. Assist with district plans to increase minority enrollment in DE/EA opportunities.
2. Participate in planning and design and opening of Sarasota's Technical High Schools.
3. Collaborate with the SCF Office of Career & Technical Education efforts to recruit and retain underrepresented populations in CTE programs.

APPENDIX A
DUAL ENROLLMENT COURSE EQUIVALENCY LIST
Effective Date: August 2007

ELECTIVES

Current law allows for any course in the Statewide Course Numbering System, with the exception of remedial courses and Physical Education skills courses, to be offered as dual enrollment. Three-credit (or equivalent) postsecondary courses taken through dual enrollment that are not listed below shall be awarded 0.5 high school credits, either as an elective or as designated in the local inter-institutional articulation agreement.

FOREIGN LANGUAGE COURSES: All four-credit foreign language courses (including American Sign Language) shall be awarded one full high school credit.

PRACTICAL ARTS/CAREER EDUCATION CREDIT

All 3-credit (or equivalent) postsecondary courses taken through dual enrollment that are part of a postsecondary career / technical program of study (PSAV Certificate, Technical Certificate, Advanced Technical Certificate, ATD, AAS, AS) shall be awarded 0.5 Practical Arts/Career Education credits toward high school graduation.

Note: Students seeking to meet the requirements of a 3-year Career Preparatory Diploma or a Gold Seal Vocational Scholarship through dual enrollment must carefully choose dual enrollment courses that meet the requirements for 3 sequential credits in one career education program.

SCIENCE

Criteria for Awarding High School Subject Area Credit in Science:

- Since all high school science courses (with lab) are awarded 1.0 high school science credits, then all college-level dual enrollment science courses (with lab) will be awarded 1.0 high school science credits.
- College-level dual enrollment science courses **taken without a lab component** will be awarded 0.5 high school science credits.
- Note: Section 1003.43(1)(c), Florida Statutes, states that high school graduation requirements include successful completion of “Three credits in science, two of which must have a laboratory component.” Regardless of the number of science credits earned through dual enrollment, the requirement of two sciences **with a lab component** must be met to graduate.
- Sciences **with a lab component** must be met to graduate.

SOCIAL STUDIES

Social studies requirements for high school graduation in Florida are prescribed by statute. Unless indicated on the list below, all college social science courses taken through dual enrollment receive elective credit.

POSTSECONDARY COURSE COMPLETED THROUGH DUAL ENROLLMENT		HIGH SCHOOL GRADUATION SUBJECT	REQUIREMENT SATISFIED	HIGH SCHOOL CREDIT AWARDED
AMH	010	Introductory Survey To 1877	Social Studies: American History	0.5
AMH	011	Introductory Survey To 1877: Honors	Social Studies: American History	0.5
AMH	020	Introductory Survey Since 1877	Social Studies: American History	0.5
ECO	000	Introduction To Economics	Social Studies: Economics	0.5
ECO	013	Principles Of Macroeconomics	Social Studies: Economics	0.5
ECO	023	Microeconomics	Social Studies: Economics	0.5
POS	041	American Government I	Social Studies: American Government	0.5
POS	042	American Government	Social Studies: American Government	0.5
WOH	001	World Civilization	Social Studies: World History	0.5
WOH	012	World History To 1500	Social Studies: World History	0.5
WOH	022	World History 1500 To Present	Social Studies: World History	0.5

CAREER AND TECHNICAL EDUCATION

Recommended list of SCF Career and Technical Programs and Courses linked to Sarasota’s Career and Technical Programs of Study. All college CTE courses taken through dual enrollment receive elective credit and may be used to help satisfy the Major Area of Interest (MAI) graduation requirement, as delineated in the district’s approved list of Major Areas of Interest.

Automotive Service Management Technology –AAS Degree			
	AER	1001	Intro to Automotive Technology
	AER	2450	Steering and Suspension Systems
	AER	1111	Automotive Engine Diagnosis and Repair

APPENDIX B

CALCULATING COURSE CREDIT EQUIVALENCE FOR DUAL CREDIT AT THE HIGH SCHOOL AND COMMUNITY COLLEGE

The Dual Enrollment Course Equivalency List is an annually updated list of dual enrollment courses that meet high school graduation requirements and the amount of credit that must be awarded on students' transcripts. While the list identifies commonly taken dual enrollment courses that satisfy subject area requirements, current law allows for any course in the Statewide Course Numbering System (SCNS) with the exception of physical education and remedial courses to be available for dual enrollment. This list can be found at www.facts.org.

According to the list, all three-credit (or equivalent) postsecondary courses taken through dual enrollment that are part of a postsecondary career / technical program of study (PSAV Certificate, Technical Certificate, Advanced Technical Certificate, ATD, AAS, AS) shall be awarded 0.5 elective credits toward high school graduation.

Three (3) college credits equal 0.5 high school credits for academic dual enrollment courses.

Community college certificate programs are separated into courses, which makes transfer and articulation easier. As a guideline, 135 instructional hours is equivalent to one secondary credit (120 with block scheduling), however, the determination of equivalency should be based on content, not "seat time." Instructional hours in career education programs are also known as "clock hours." Career certificate programs are broken into discrete sets of competencies called occupational completion points (OCPs). Most OCPs are divisible by 75 clock hours, so, for example, **a 150-clock hour OCP (or community college career-technical course) should be equivalent to one high school credit.**

Bright Futures Eligibility

The Bright Futures Comprehensive Course Table (CCT) lists the secondary and dual enrollment postsecondary courses and programs used to determine Bright Futures eligibility. If there is a program or course specified in an inter-institutional articulation agreement that is not in the CCT, one should contact the Standards, Benchmarks, and Frameworks Section at 850-245-9020 for review and approval of the equivalency.

Gold Seal Eligibility

To be eligible for the Gold Seal Scholarship, students must earn three secondary credits in a single career and technical program. Career-technical postsecondary credit (and where applicable, combined with high school course credit) earned through dual enrollment can be used to meet GSVS eligibility requirements.

This articulation agreement between the SCF and the Sarasota County District Schools provides for eligibility of DE, CTE-DE and EA courses to be considered for both Bright Futures and Gold Seal eligibility. High school and community college programs/courses that would apply toward Bright Futures eligibility may be accessed at: <http://nwrdc.fsu.edu/fnbpcm02>.

Addendum 1

Implementation of Senate Bill 1908

Addendum 1

Articulation Agreement 2009-2010

School Board of Sarasota County
and
State College of Florida, Manatee-Sarasota

Implementation of Senate Bill 1908: Expanded Postsecondary Readiness Assessment Project

The College and Career Readiness Initiative launched by the State of Florida includes expanding the postsecondary readiness assessment of high school students and providing opportunities for remediation prior to high school graduation. Chapter Number 2008-05, General Laws of Florida, includes revisions to Section 1008.30, Florida Statutes (F.S.), relating to common placement testing for public postsecondary education.

Through this addendum to the 2009-2010 Interinstitutional Articulation Agreement between the **School Board of Sarasota County** and State College of Florida, Manatee-Sarasota, both parties mutually agree to cooperatively carry out the Expanded Postsecondary Readiness Assessment Project.

Responsibilities of the **School Board of Sarasota County**

The **School Board of Sarasota County (SBSC)** agrees to identify second semester 11th grade students who indicate an interest in postsecondary education, **who have eligible Grade 10 FCAT scores**, and who are not registered to take the SAT or ACT examination. School district personnel will recommend that these students schedule an appointment with the Assessment and Testing Center at State College of Florida, Manatee-Sarasota to take the Florida College Entry-Level Placement Test, also called the College Placement Test (CPT). A list of referred students will be sent electronically by the **School Board of Sarasota County** to the SCF Director of Assessment and Testing.

Upon receipt of CPT results, **School Board of Sarasota County** personnel will review and interpret test scores for students and/or parents.

Responsibilities of State College of Florida, Manatee-Sarasota

State College of Florida, Manatee-Sarasota agrees to receive and test second semester 11th grade students referred by the **School Board of Sarasota County** on an appointment basis, at no cost to the individual student. SCF Assessment and Testing Center personnel will ask each student to complete an authorization form and an institutional FERPA form so that in addition to delivering test scores to individual students upon test completion, SCF may provide personally identifiable records to the **School Board of Sarasota County** and to the Department of Education.

Implementation Timeline

1/11/10: School Board of Sarasota County will electronically forward a list of eligible students to the SCF Director of Assessment and Testing. **Electronic records will be forwarded to SCF in a safe transmission as defined by both parties.**

1/12/10 – 3/19/10: Identified students schedule appointments and test at an SCF Assessment and Testing Center.

3/29/10: SCF will provide the School Board of Sarasota County with an electronic record of student CPT results.

Miscellaneous Provisions

Student Records: The parties may provide personally identifiable student records to each other in the performance of this agreement. Such records are provided pursuant to Section 1002.22(3) (d), Florida Statutes, and 20 U.S.C.A. 1232g. Each party further agrees to comply with Section 1002.22, Florida Statutes, and 20 U.S.C.A. 1232g, including but not limited to provisions related to confidentiality, access, consent, length of retention and security of student records.
