

**Addition to Agenda
For School Board Meeting September 16, 2008**

MIP Recommended Motion presented by Pam Houfek (no enclosures)

“That the district Master In-service Plan be approved as presented.”

The Master In-service Plan is the list and description of all staff development training approved by the district. The Master In-service Plan has added these components over the previous year:

Campus Security

Classified Professional Development

Computer Applications for Classified Staff

Instructional Technology Digital Technology Literacy II

Instructional Technology Digital Technology Literacy III

New Employee Orientation
