Estimated Start Date	10/6/2014
Estimated End Date	4/24/2015
Grant Purpose	My Drama students will greatly benefit from the interaction with the professional teaching artists from Florida Studio Theater. The students will develop their own original written plays, rehearse with the guidance of professional actors/directors, and strengthen their emotional intelligence skills. I expect the confidence level of each student will increase as they become more immersed in the play building process.
Grant Activities	Professional teaching artists from FST will conduct 10 workshop residencies in each of my Drama classes during the fall semester, and return to do the same in the spring semester. In addition, FST will work with my TV production class to strengthen their "on-air" skills. My Drama Club will also benefit from FST's residencies. The club will create their own original play, rehearse and take the piece to the four elementary schools to share it with the 5th graders in the Spring
Grant Budget Items	Full Day Residency..... 20 full days X \$395.00 (per day) = \$7,900 Bus Transportation..... \$275 Four elementary schools = \$1,100
After Grant Plans	My students will continue to strengthen their writing skills, their emotional intelligence skills, their performance skills, while working to build an ensemble and increase their confidence level.
