Grant Purpose	Our School has chosen this exploration to inspire and encourage students to write their own plays and find enjoyment in learning about the "Arts". We encourage our students to broaden their minds, be creative and put their writing tools to good use. This Exploration will allow the students to have fun while using different elements they have learned in the classroom such as language, vocabulary, writing traits, character traits and more. FST will allow our students to achieve this.
Grant Activities	Florida Studio Theatre will bring three different productions from their WRITE A PLAY season, to work with all Toledo Blade Elementary students, inspiring them to write their own plays for submission to the 2017 Young Playwrights Festival. FST professional teaching artists will continue the playwriting work begun by the second production of the season, Write It Up, Write It Down with a series of four playwriting workshops per 3rd/4th grade classroom.
