

# Current Grade 5 Students & Parents

You are invited to attend an important information session for next year's 6th graders.

## Pine View Perspective

AN INTRODUCTION TO GRADE 6

February 2, 2012

5:30 - 7:15 PM

Pine View Auditorium

**Please join us for the third annual 6th grade orientation.**

Pine View Perspective will help students and families gain a perspective of Pine View so they can select the best middle school program for their child.

Current 5th grade Pine View students are welcome to attend,  
as well as new-to-Pine View 6th graders

(an invitation to attend PV Perspective does not guarantee eligibility to attend Pine View).

Information will be presented by Pine View teachers and student leaders.

Child care will be available in the Student Union by members of the Pine View Key Club.

**\*\*\*An RSVP is necessary in order for us to provide adequate materials and staff\*\*\***
